(57) **CLAIM**

The ornamental design for a light and massage multi-therapy hairbrush, as shown and described.

DESCRIPTION

FIG. 1 is a view of the front of the light and massage multi-therapy hairbrush of the present invention;

FIG. 2 is a view of a side of the light and massage multi-therapy hairbrush of the present invention, the other side being a mirror image;

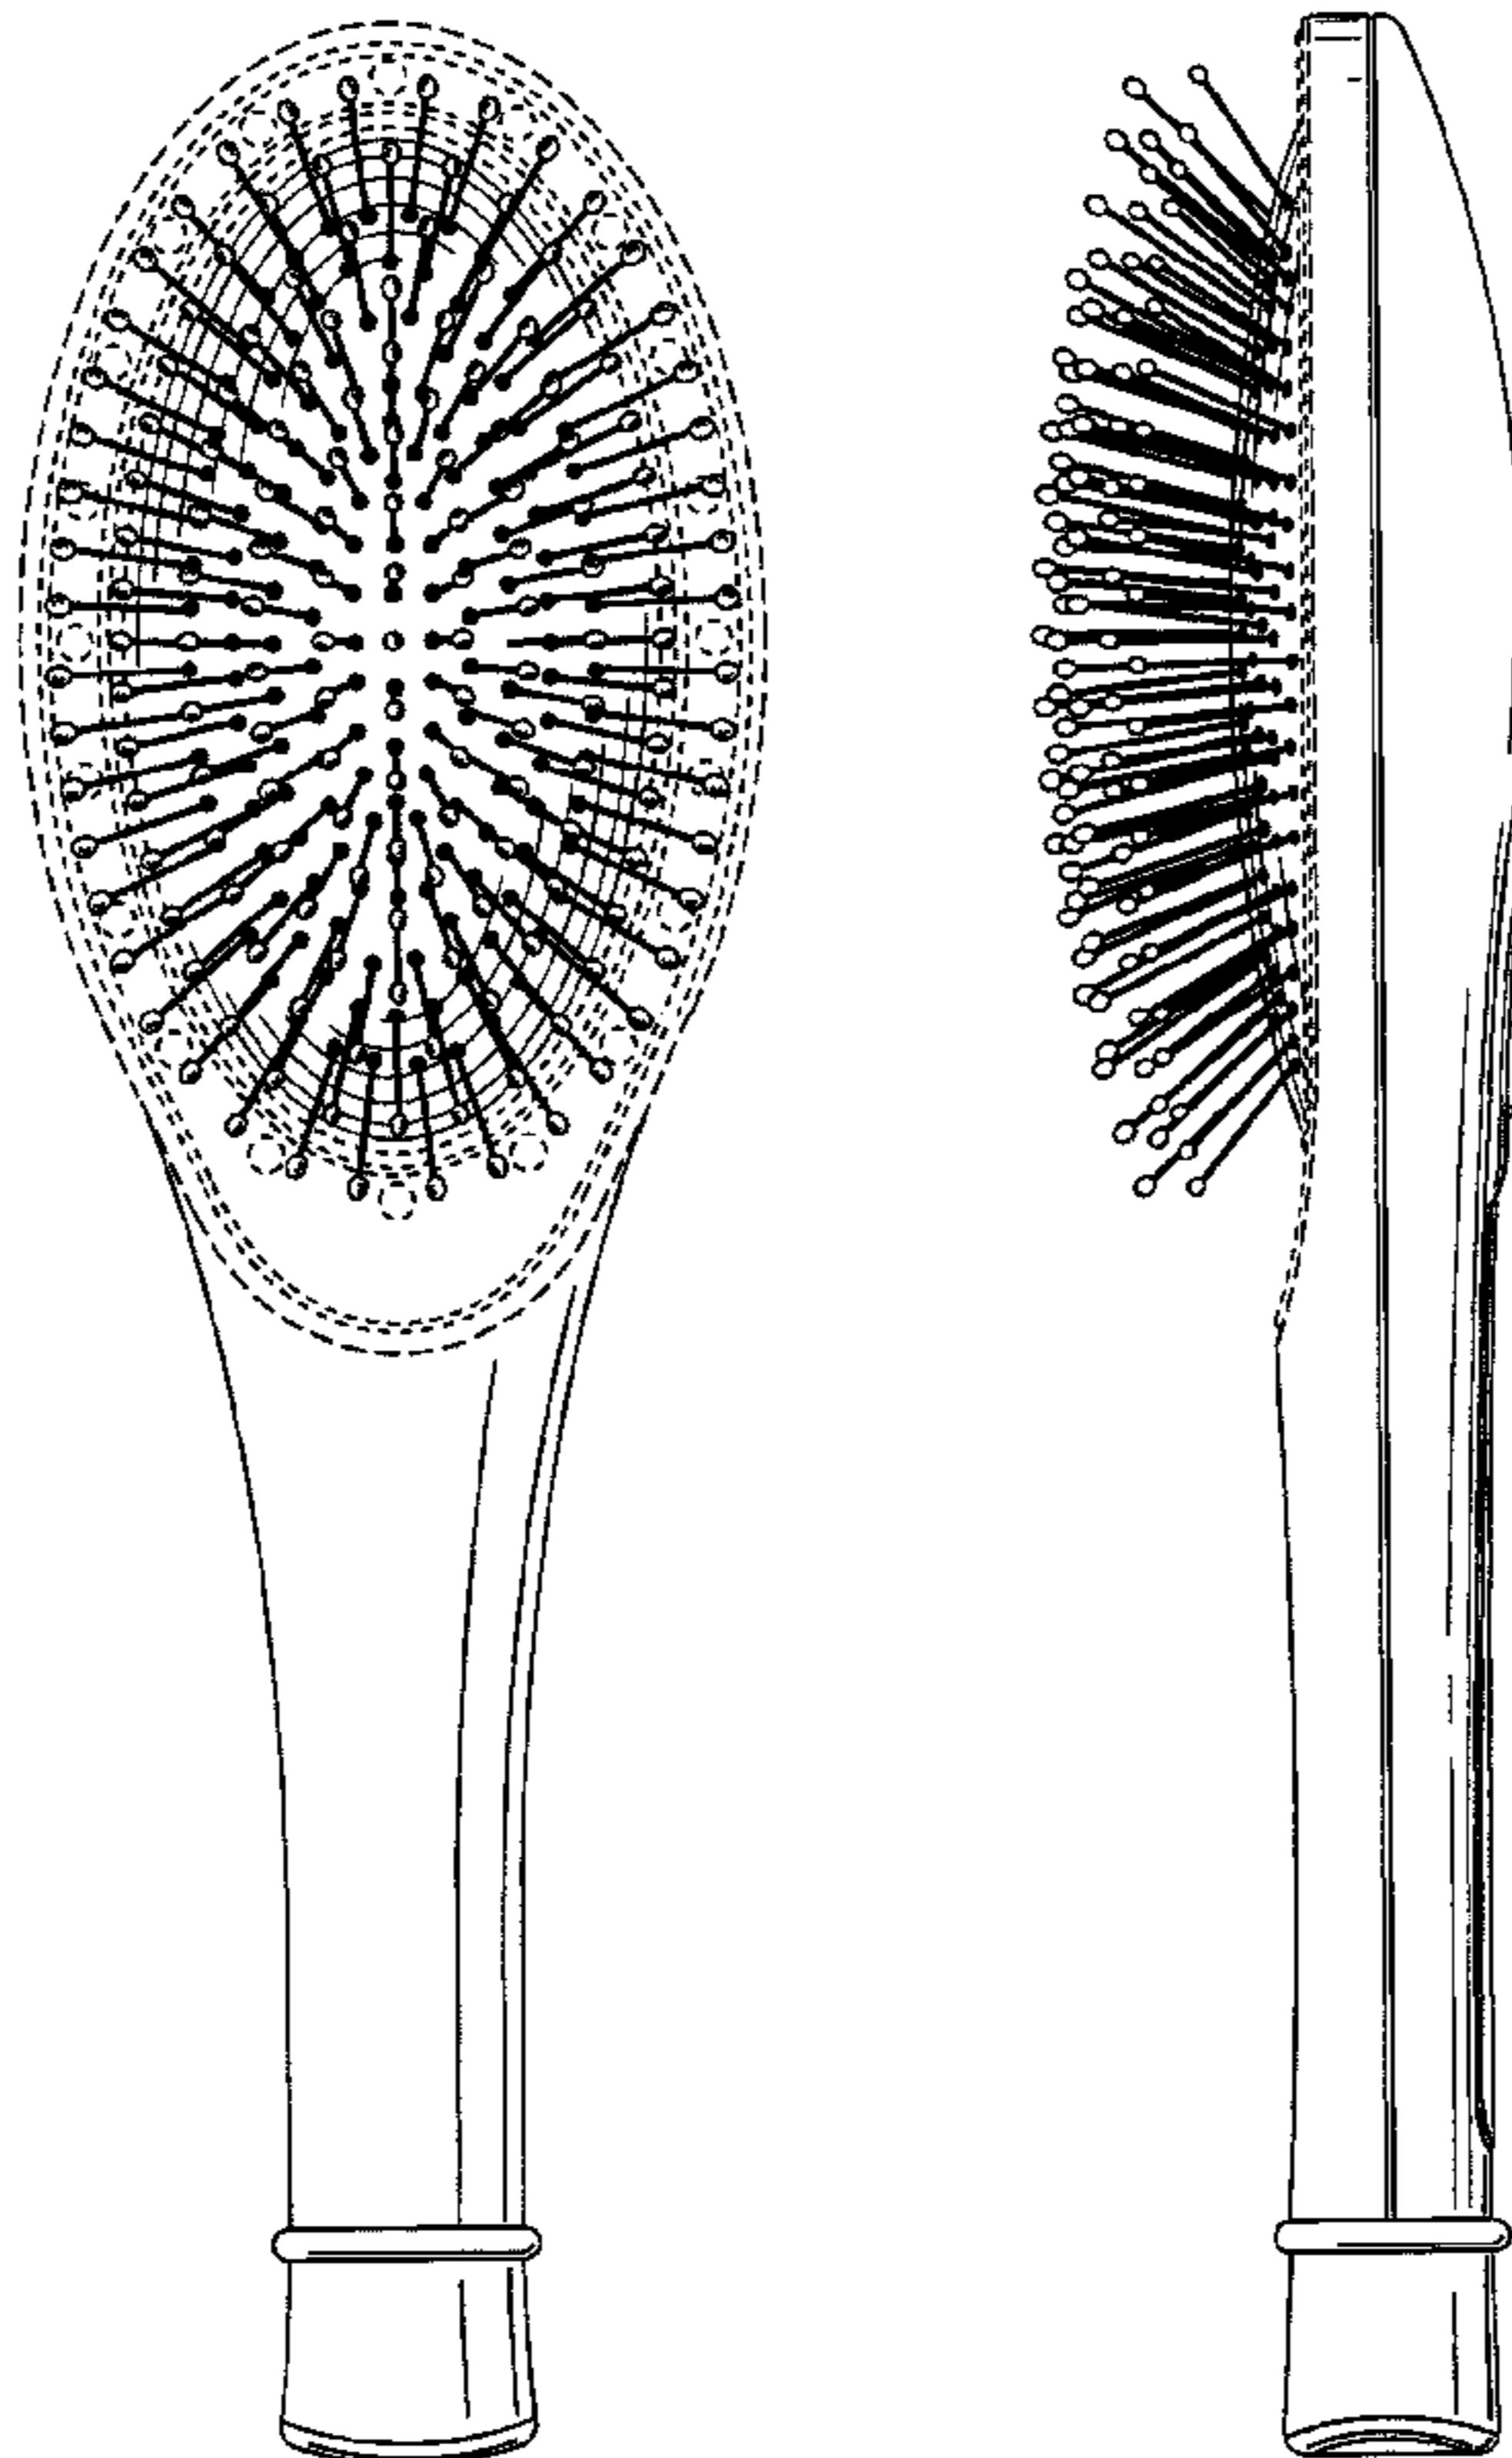

FIG. 3 is a view of the back of the light and massage multi-therapy hairbrush of the present invention;

FIG. 4 is a view of one end of the light and massage multi-therapy hairbrush of the present invention; and,

FIG. 5 is a view of the other end of the light and massage multi-therapy hairbrush of the present invention.

The broken lines immediately adjacent the shaded areas define the boundaries of the claim and all of the other broken lines illustrate portions of the hairbrush that along with said boundaries form no part of the claimed design.
