(57) **CLAIM**

The ornamental design for a combined dumbbell and base, as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of the combined dumbbell and base.

FIG. 2 is a left side elevational view of the dumbbell in the base.

FIG. 3 is a right side elevational view of the dumbbell in the base.

FIG. 4 is an end elevational view of the dumbbell in the base, the opposite end being a mirror image thereof.

FIG. 5 is a top plan view of the dumbbell in the base; and,

FIG. 6 is a bottom plan view of the dumbbell in the base.

The broken lines illustrate portions of the combined dumbbell and base which form no part of the claimed design.
