(57) **CLAIM**

We claim the ornamental design for a navigation row for a device, as shown and described.

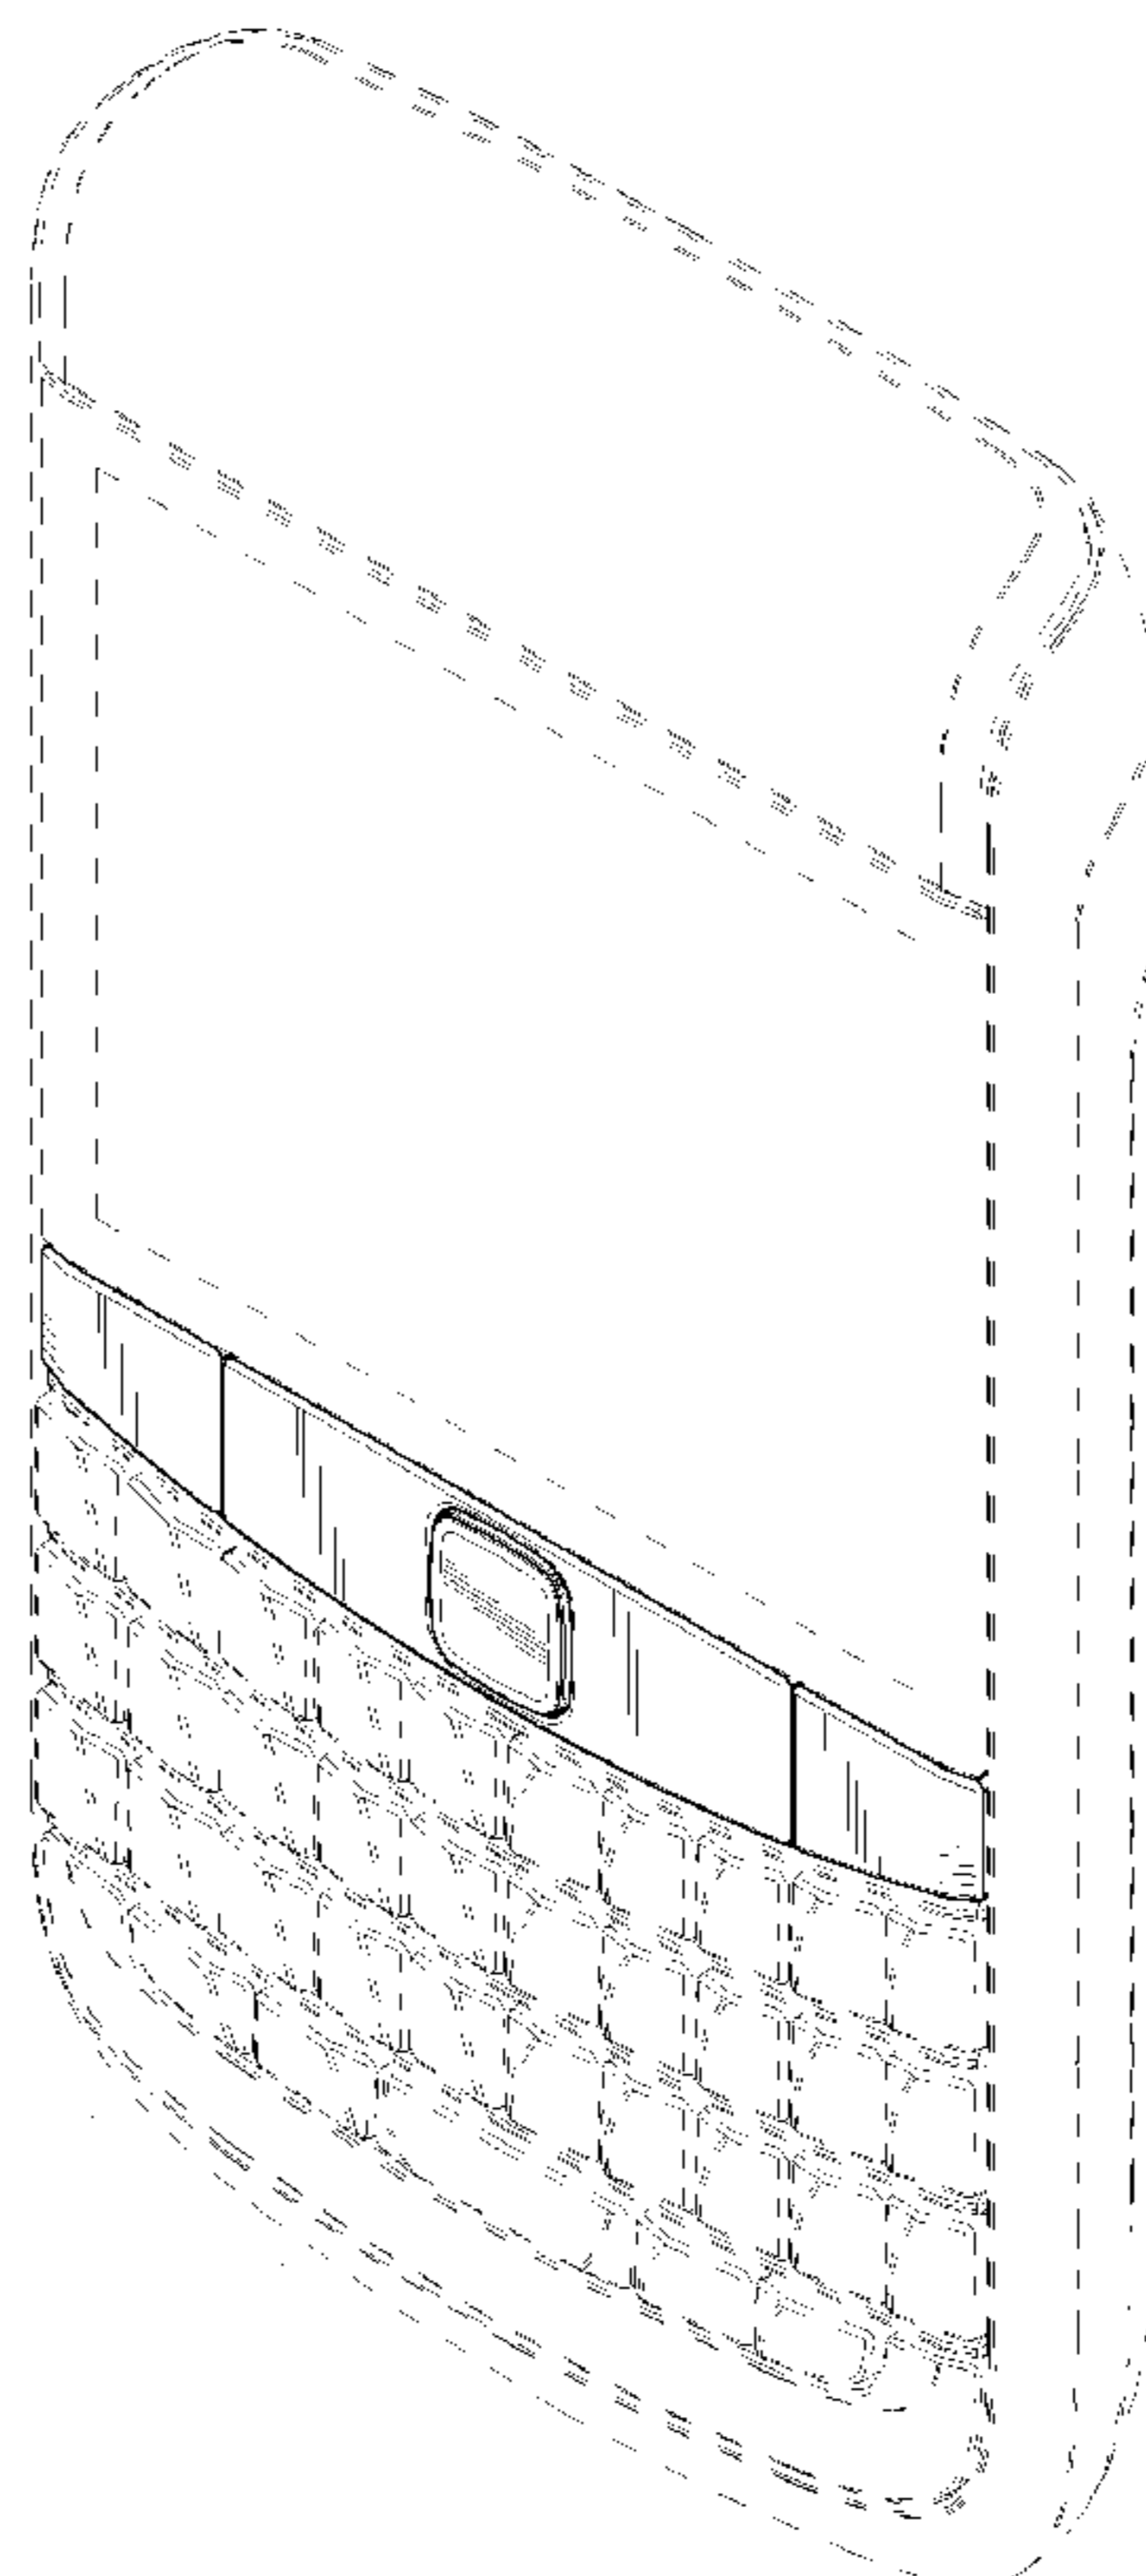

DESCRIPTION

FIG. 1 is a front perspective view of a navigation row for a device; and,

FIG. 2 is a front elevational view of the navigation row for a device.

The broken lines shown in the drawings of the navigation row for a device are for the purpose of illustrating portions of the article and form no part of the claimed design.
