(57) **CLAIM**

The ornamental design for a broken heart mourning ring, as shown and described.

**DESCRIPTION**

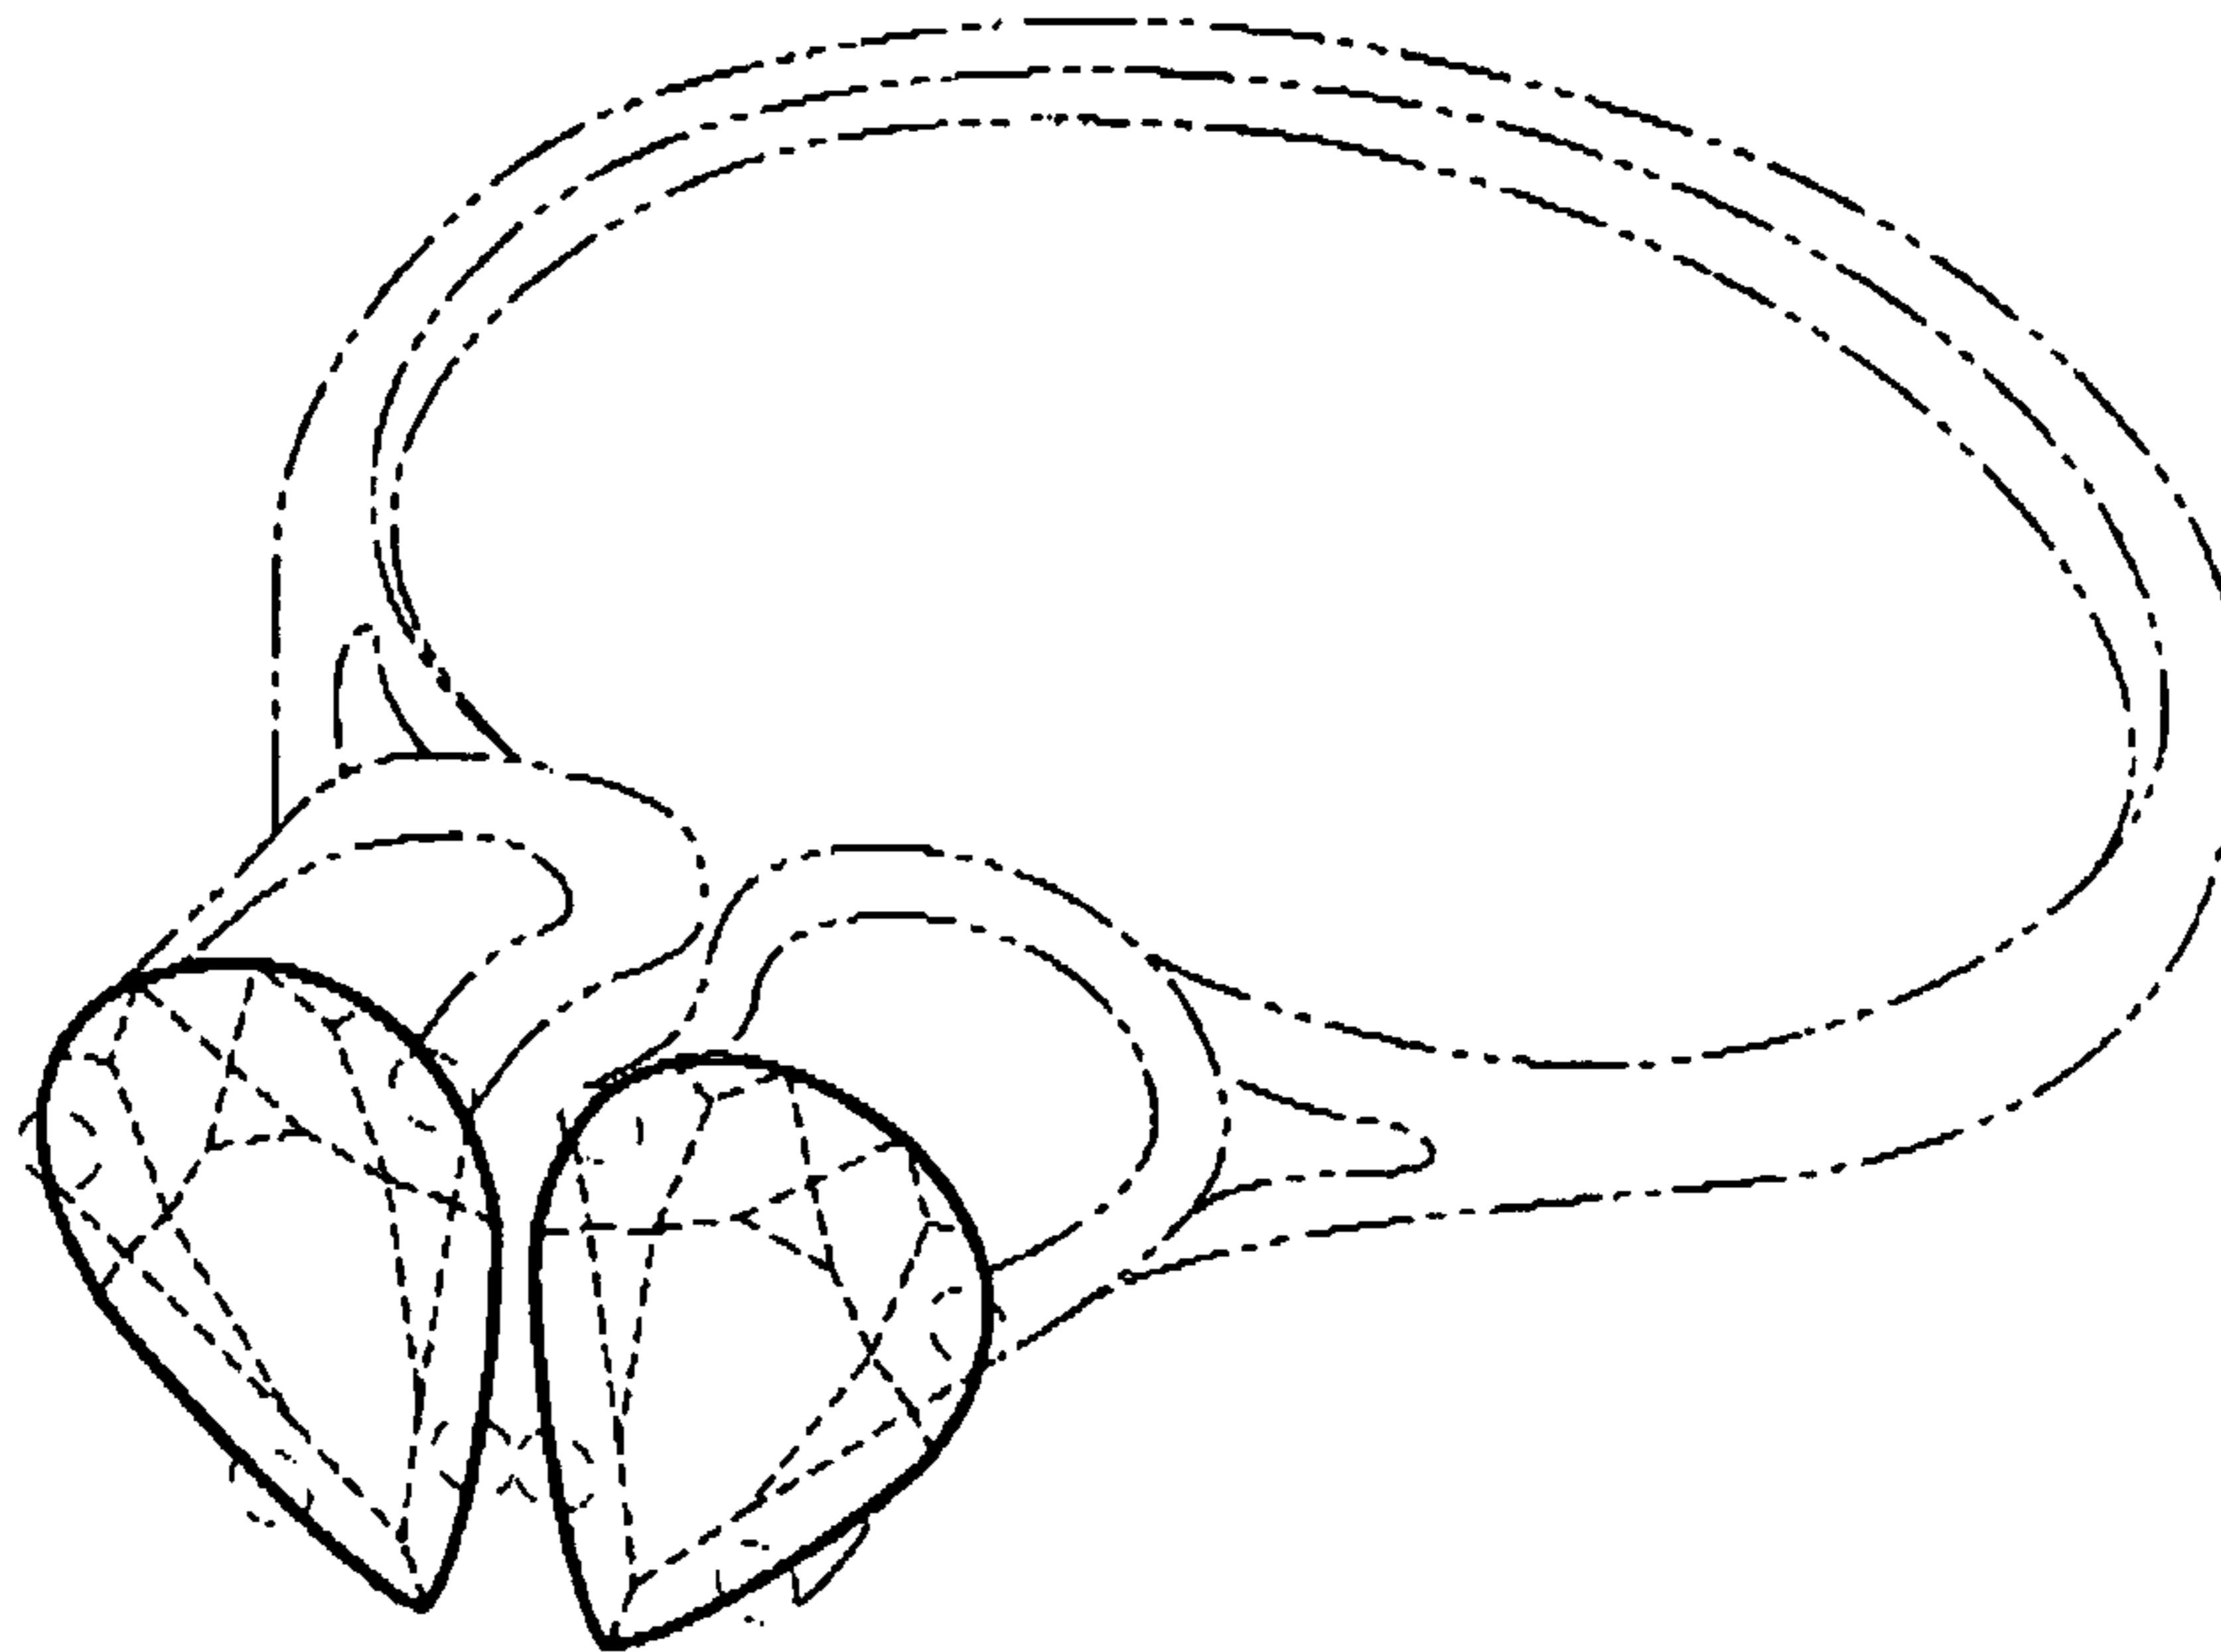

FIG. 1 is a front perspective view, partly from the side and above, of a broken heart mourning ring showing the claimed design; and,

FIG. 2 is a top plan view of the design of the broken heart mourning ring of FIG. 1.

The broken lines depict environmental structure that forms no part of the claimed design.

The two solid lines represent the outermost edges of the respective gemstones.
