(57) **CLAIM**

The ornamental design for a torso punching target, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a torso punching target of the present invention;

FIG. 2 is a perspective view of a torso punching target of the present invention;

FIG. 3 is a front view of a torso punching target of the present invention;

FIG. 4 is a right side view of a torso punching target of the present invention, the left side view being a minor image of FIG. 4;

FIG. 5 is a top plan view of a torso punching target of the present invention; and,

FIG. 6 is a bottom plan view of a torso punching target of the present invention.

The broken lines in FIG. 1 show an environment of the claimed design and are for illustrative purposes only forming no part of the claimed design.

It is understood that the solid lines within the claimed design indicate seam lines which form part of the claimed design.
