The ornamental design for an electricity meter, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or application publication with color drawings will be provided by the Office upon request and payment of the necessary fee.

FIG. 1 is a front perspective view of an electricity meter that has the design.

FIG. 2 is front, left side, and top perspective view of the electricity meter.

FIG. 3 is a front, right side, and top perspective view of the electricity meter.

FIG. 4 is a right-side perspective view of the electricity meter.

FIG. 5 is a left-side perspective view of the electricity meter.

FIG. 6 is a top perspective view of the electricity meter.

FIG. 7 is a bottom perspective view of the electricity meter.

FIG. 8 is a front perspective view of the electricity meter that has another embodiment of the design, in which the colors are not claimed.

FIG. 9 is front, left side, and top perspective view of the electricity meter.

FIG. 10 is a front, right side, and top perspective view of the electricity meter.

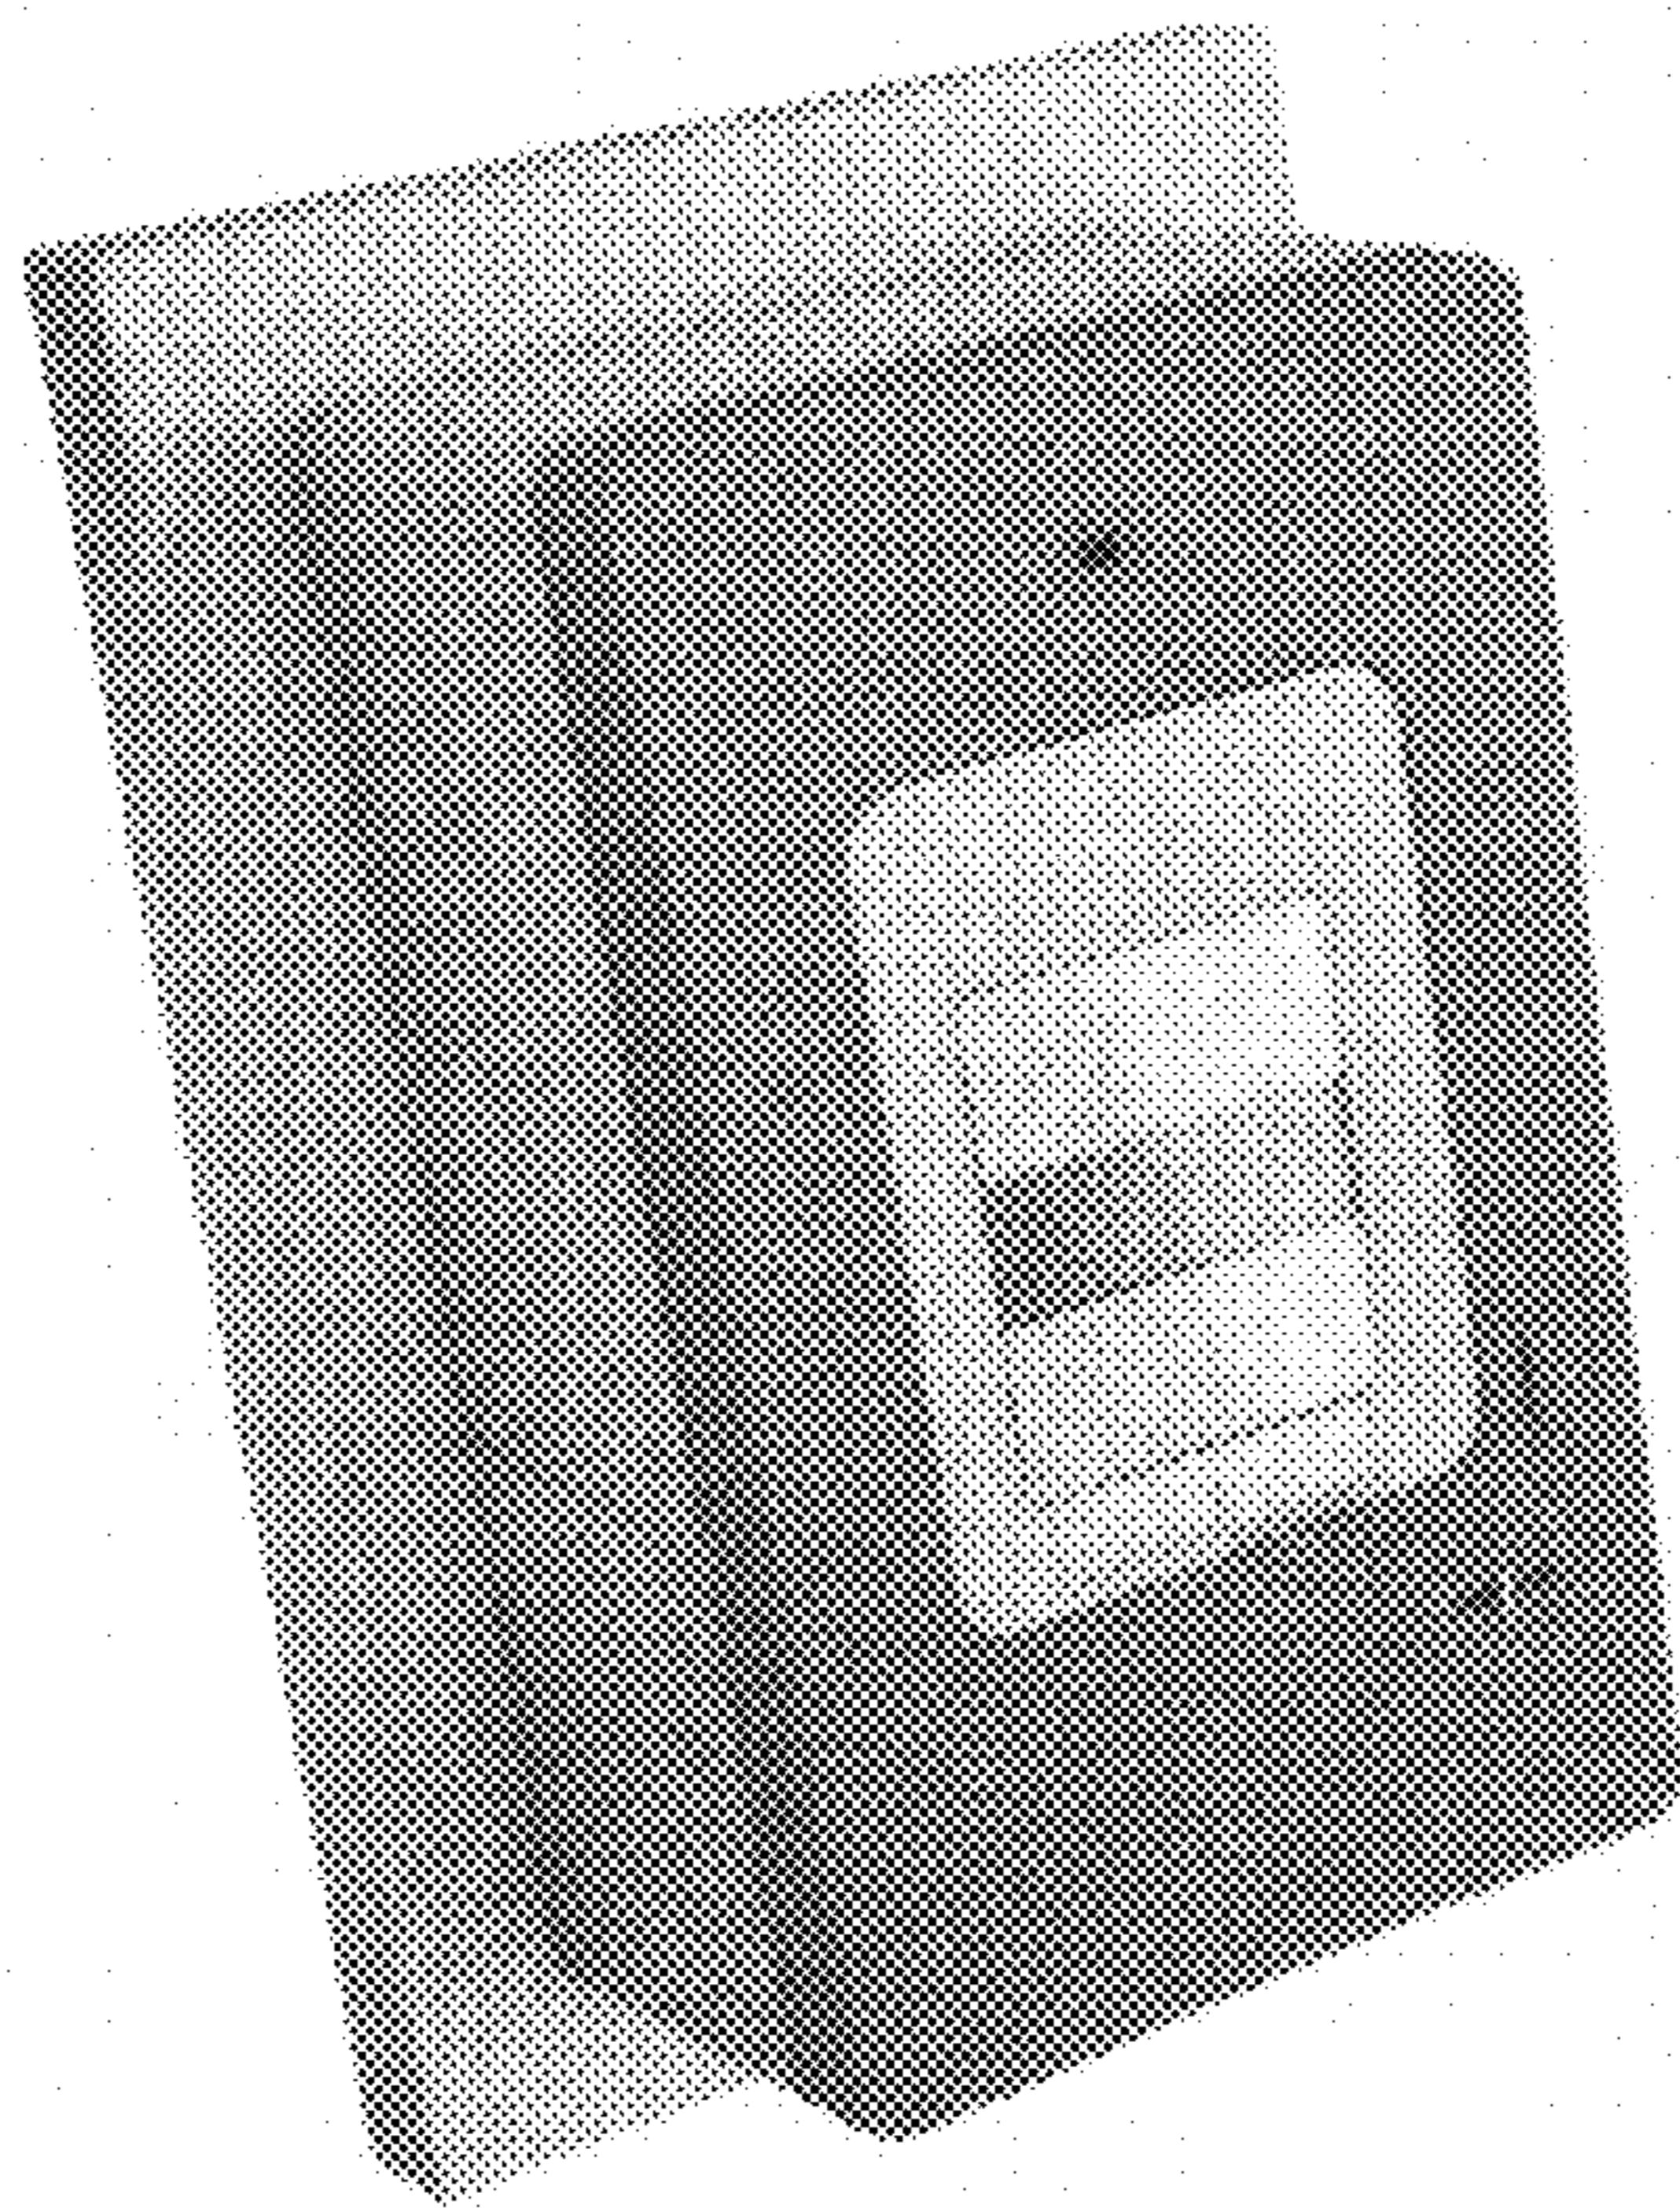

FIG. 11 is a right-side perspective view of the electricity meter.

FIG. 12 is a left-side perspective view of the electricity meter.

FIG. 13 is a top perspective view of the electricity meter; and,

FIG. 14 is a bottom perspective view of the electricity meter.
