(57) **CLAIM**

I claim the ornamental design for a wine glass holder, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the wine glass holder; FIG. 2 is another perspective view of the wine glass holder in use and in an alternative position; and, FIG. 3 is a front elevation view of the wine glass holder with the string removed and in an alternative position. The broken lines represent structure that forms no part of the claim.
