DESCRIPTION

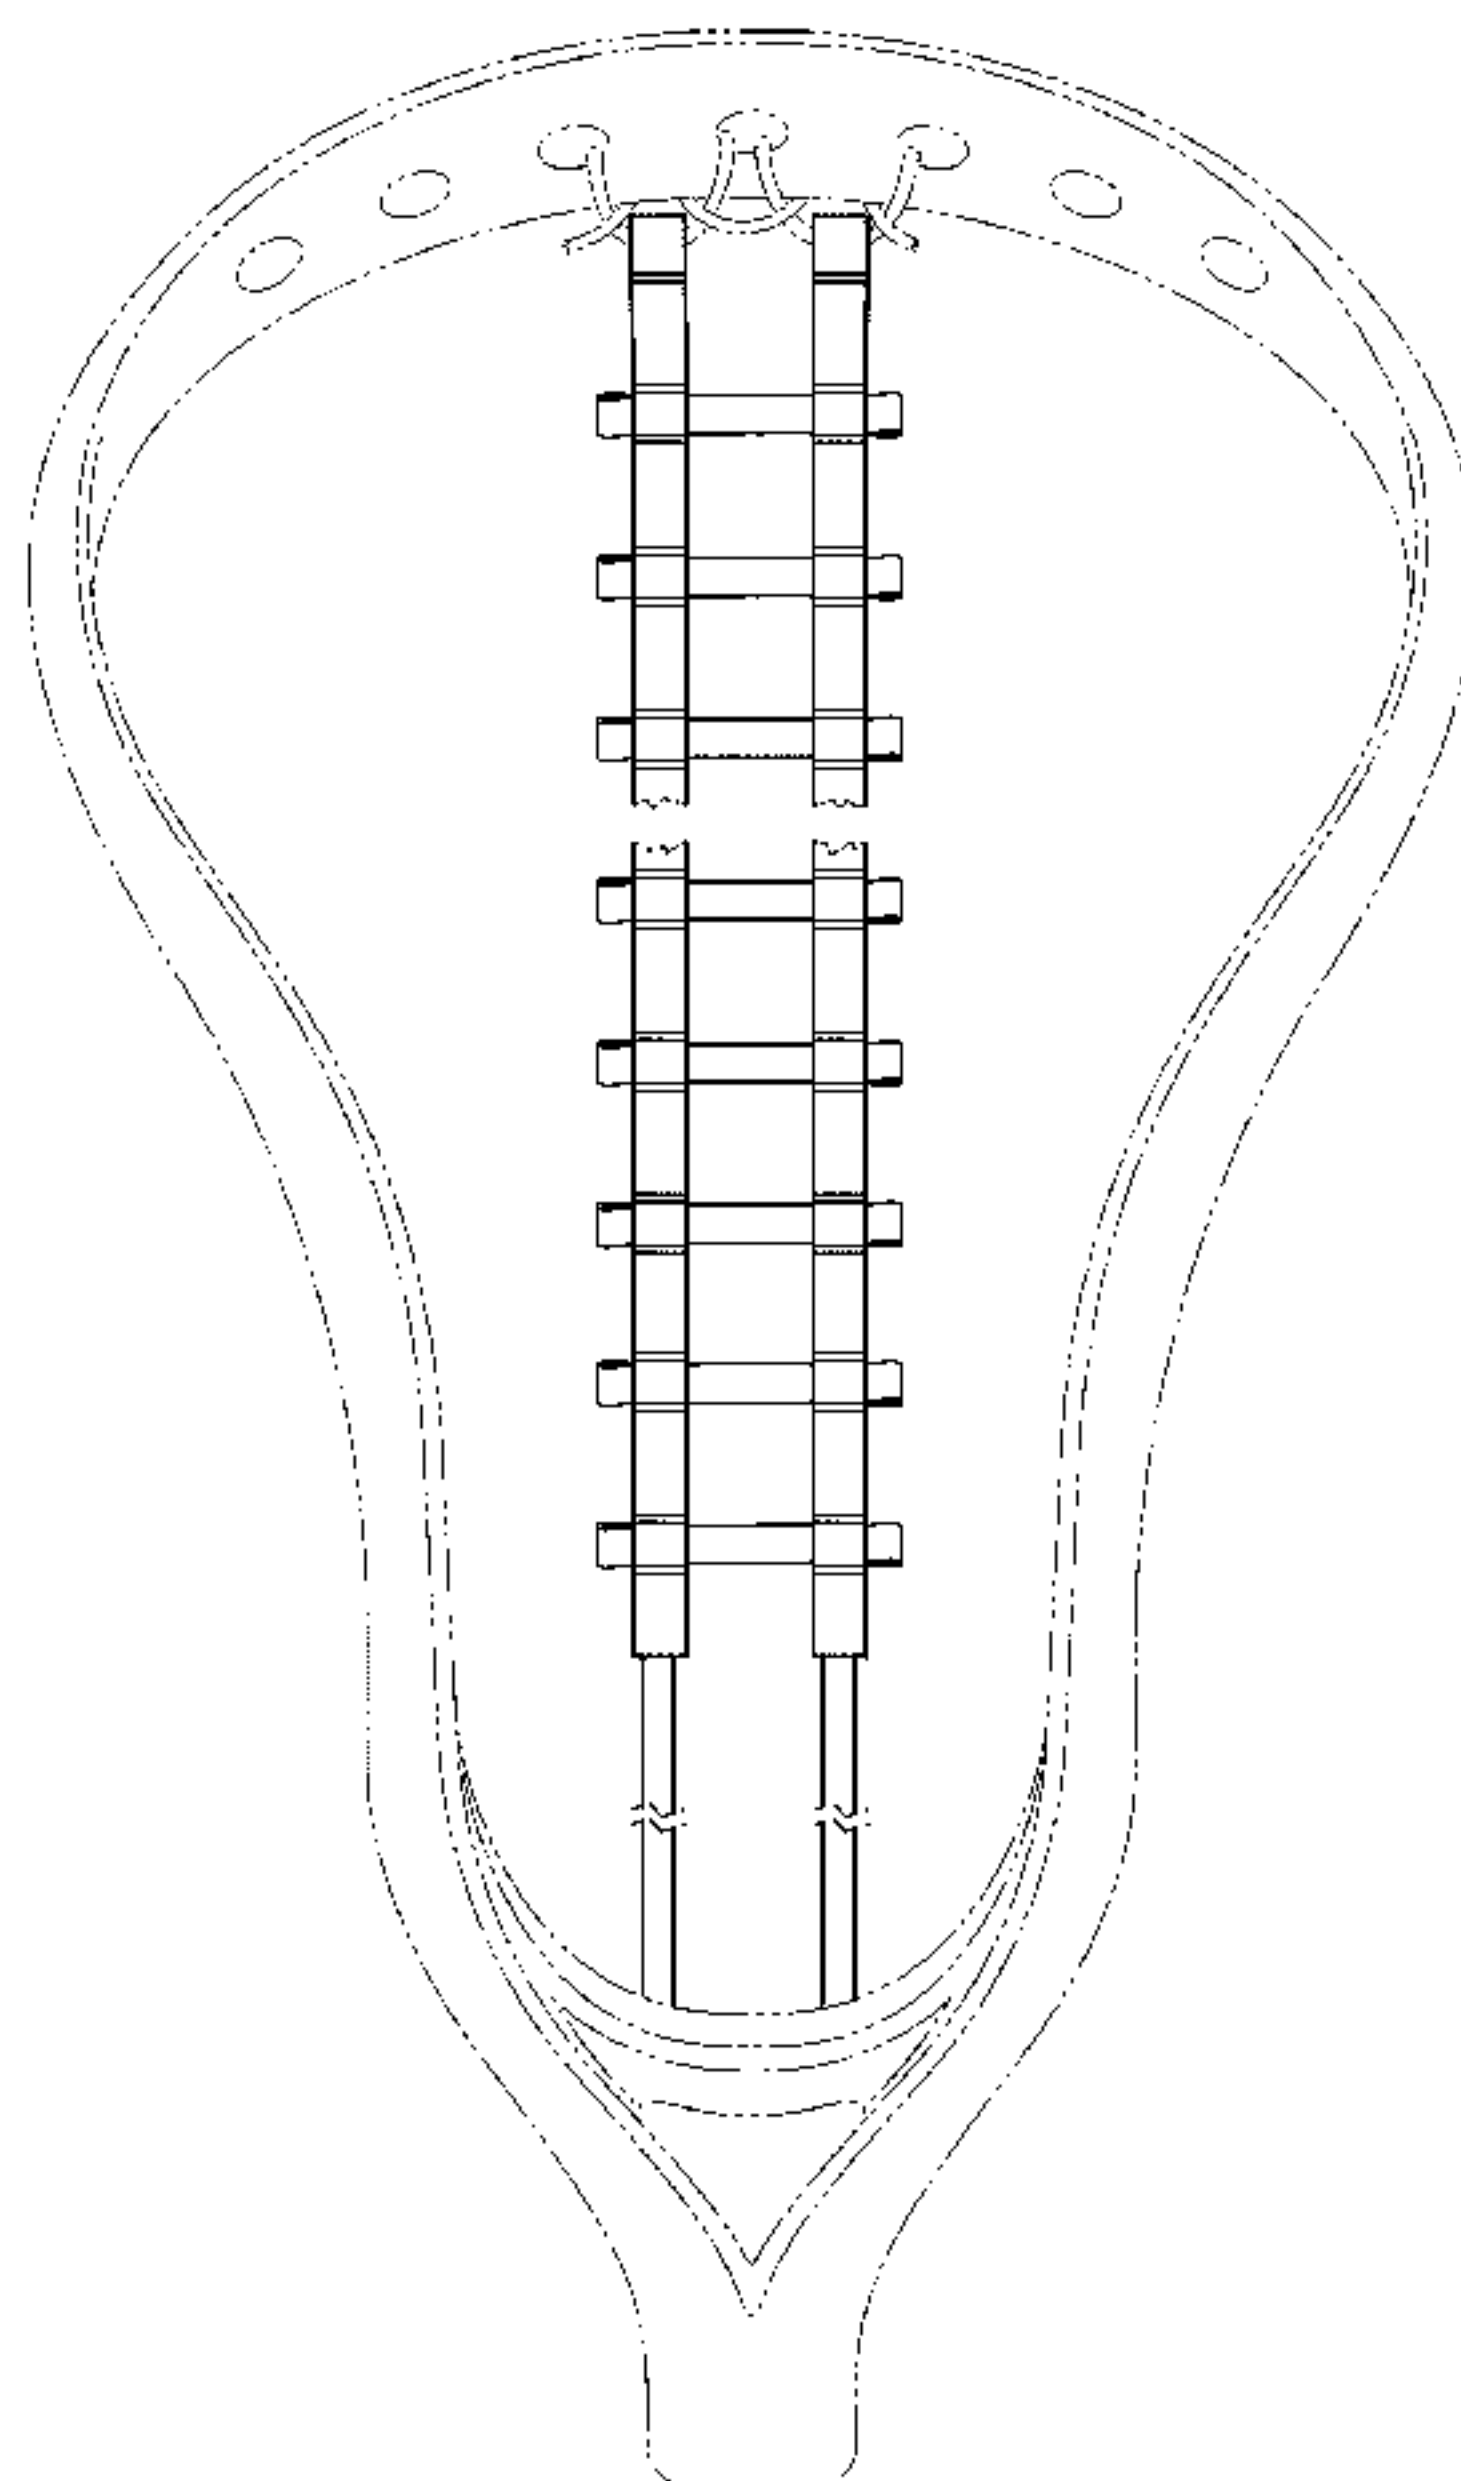

FIG. 1 is a front view of the lacrosse pocket embodying the new design;

FIG. 2 is a side view of the lacrosse pocket; and,

FIG. 3 is a partial perspective view of the lacrosse pocket.

FIGS. 1-3 show features of a lacrosse head and lacing in phantom lines. These features are shown for environmental purposes and do not form any part of the claimed design. Further, the phantom lines immediately adjacent the solid-line portions of the design form the boundary of the design, with the phantom lines forming no part of the claimed design.
