(57) **CLAIM**

The ornamental design for a dispenser with directional flow controlling flange, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a dispenser with directional flow controlling flange illustrating our new design; FIG. 2 is a front elevation view thereof; FIG. 3 is a rear elevation view thereof; FIG. 4 is a top plan view thereof; FIG. 5 is a bottom plan view thereof; FIG. 6 is a left side elevation view thereof; and, FIG. 7 is a right side elevation view thereof.

The broken lines are included for the purpose of illustrating portions of the dispenser with directional flow controlling flange that form no part of the claimed design. The appearance within the unshaded region that would be seen in FIGS. 3 and 7 forms no part of the claimed design.
