(57) **CLAIM**

The ornamental design for a handheld flexible sander, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of the handheld flexible sander showing my new design.

FIG. 2 is a bottom plan view thereof;

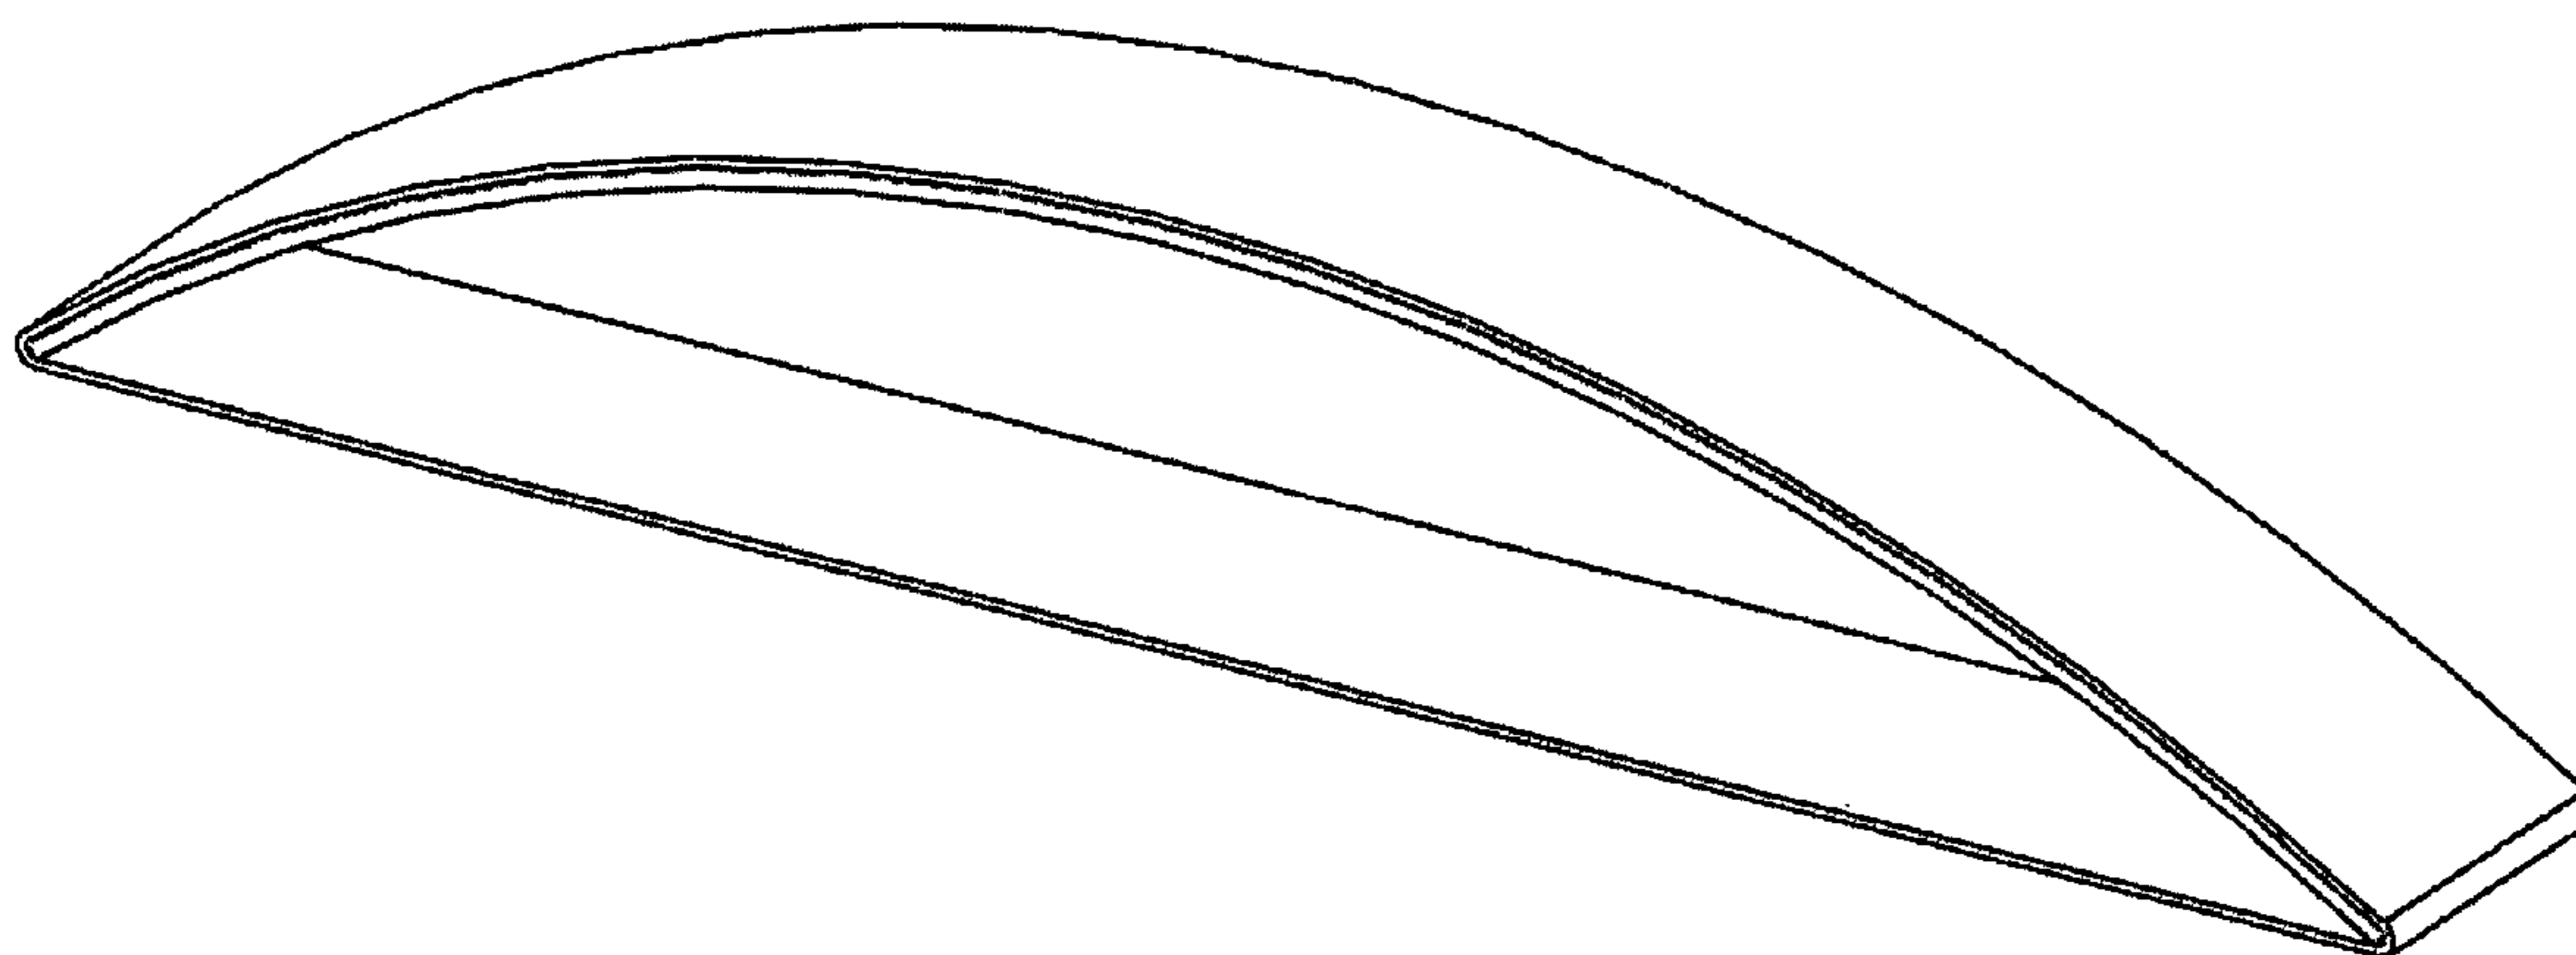

FIG. 3 is a front elevational view thereof, the rear elevational view being identical;

FIG. 4 is a right side elevational view thereof, the left side elevational view being identical; and,

FIG. 5 is a perspective view thereof.

The handheld flexible sander, comprised of a flexible insert and a sandpaper belt, is shown in a bow configuration.
