(57) **CLAIM**

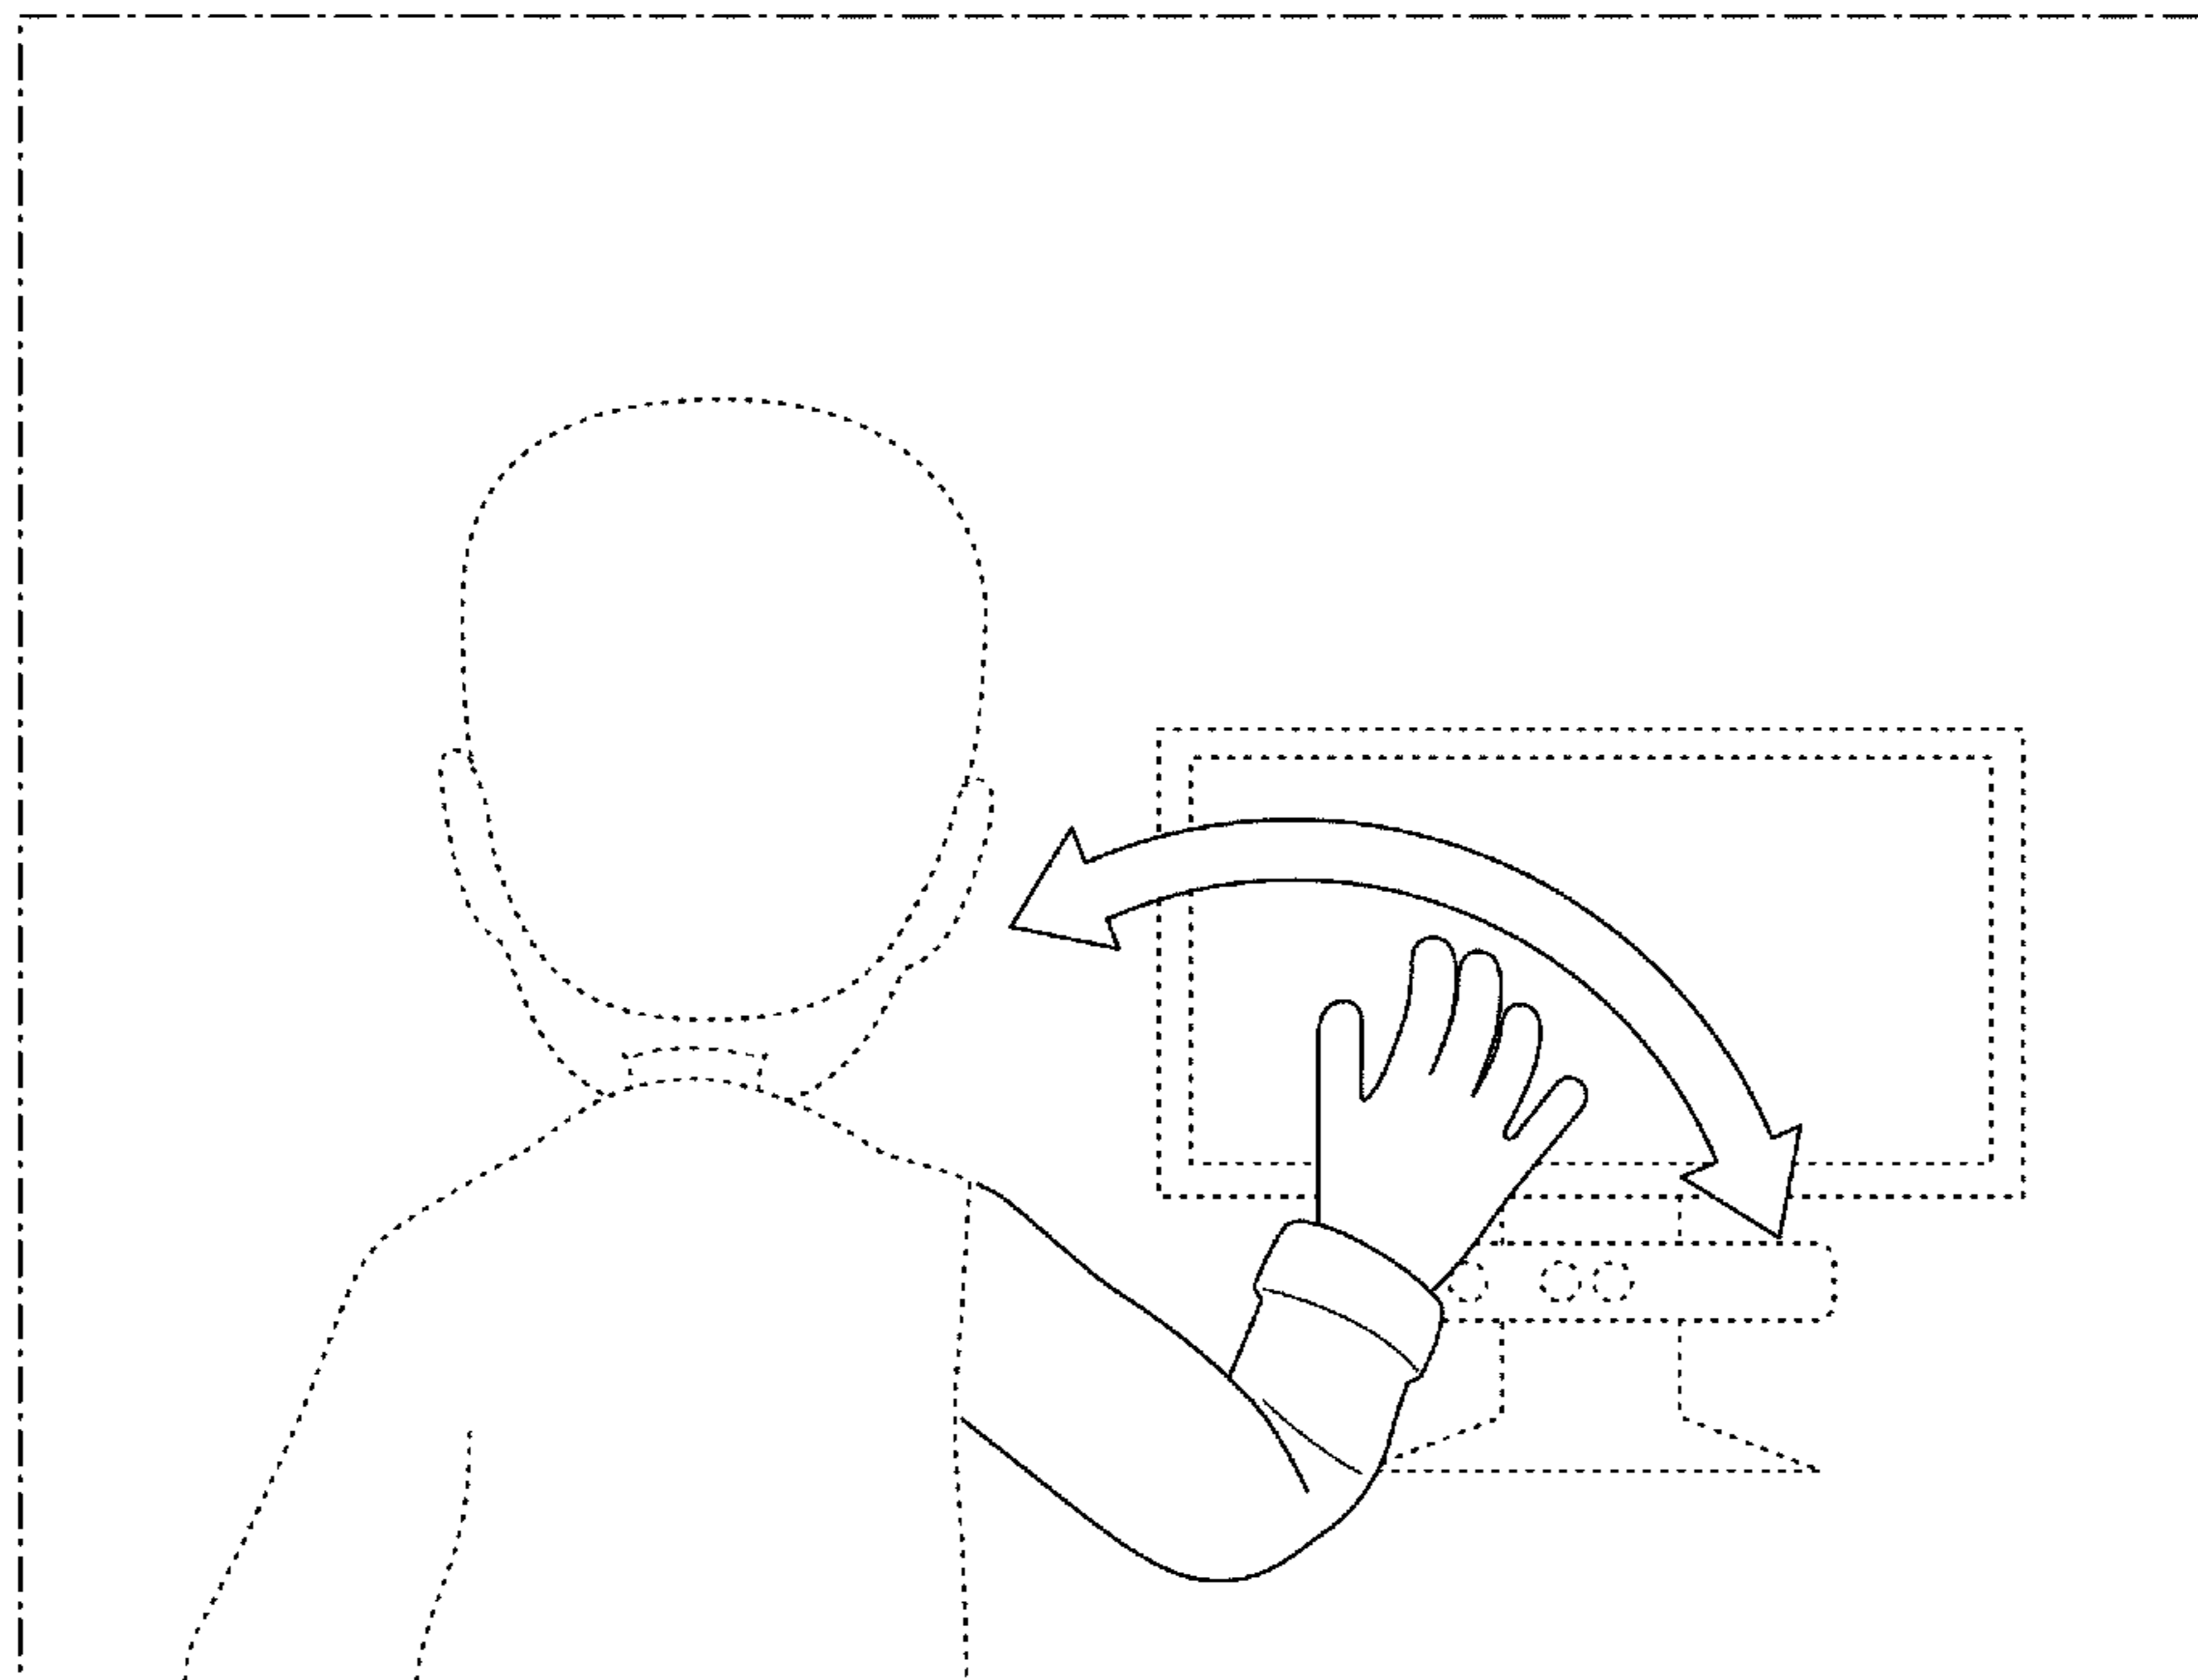

The ornamental design for a display screen with a user interface, as shown and described.

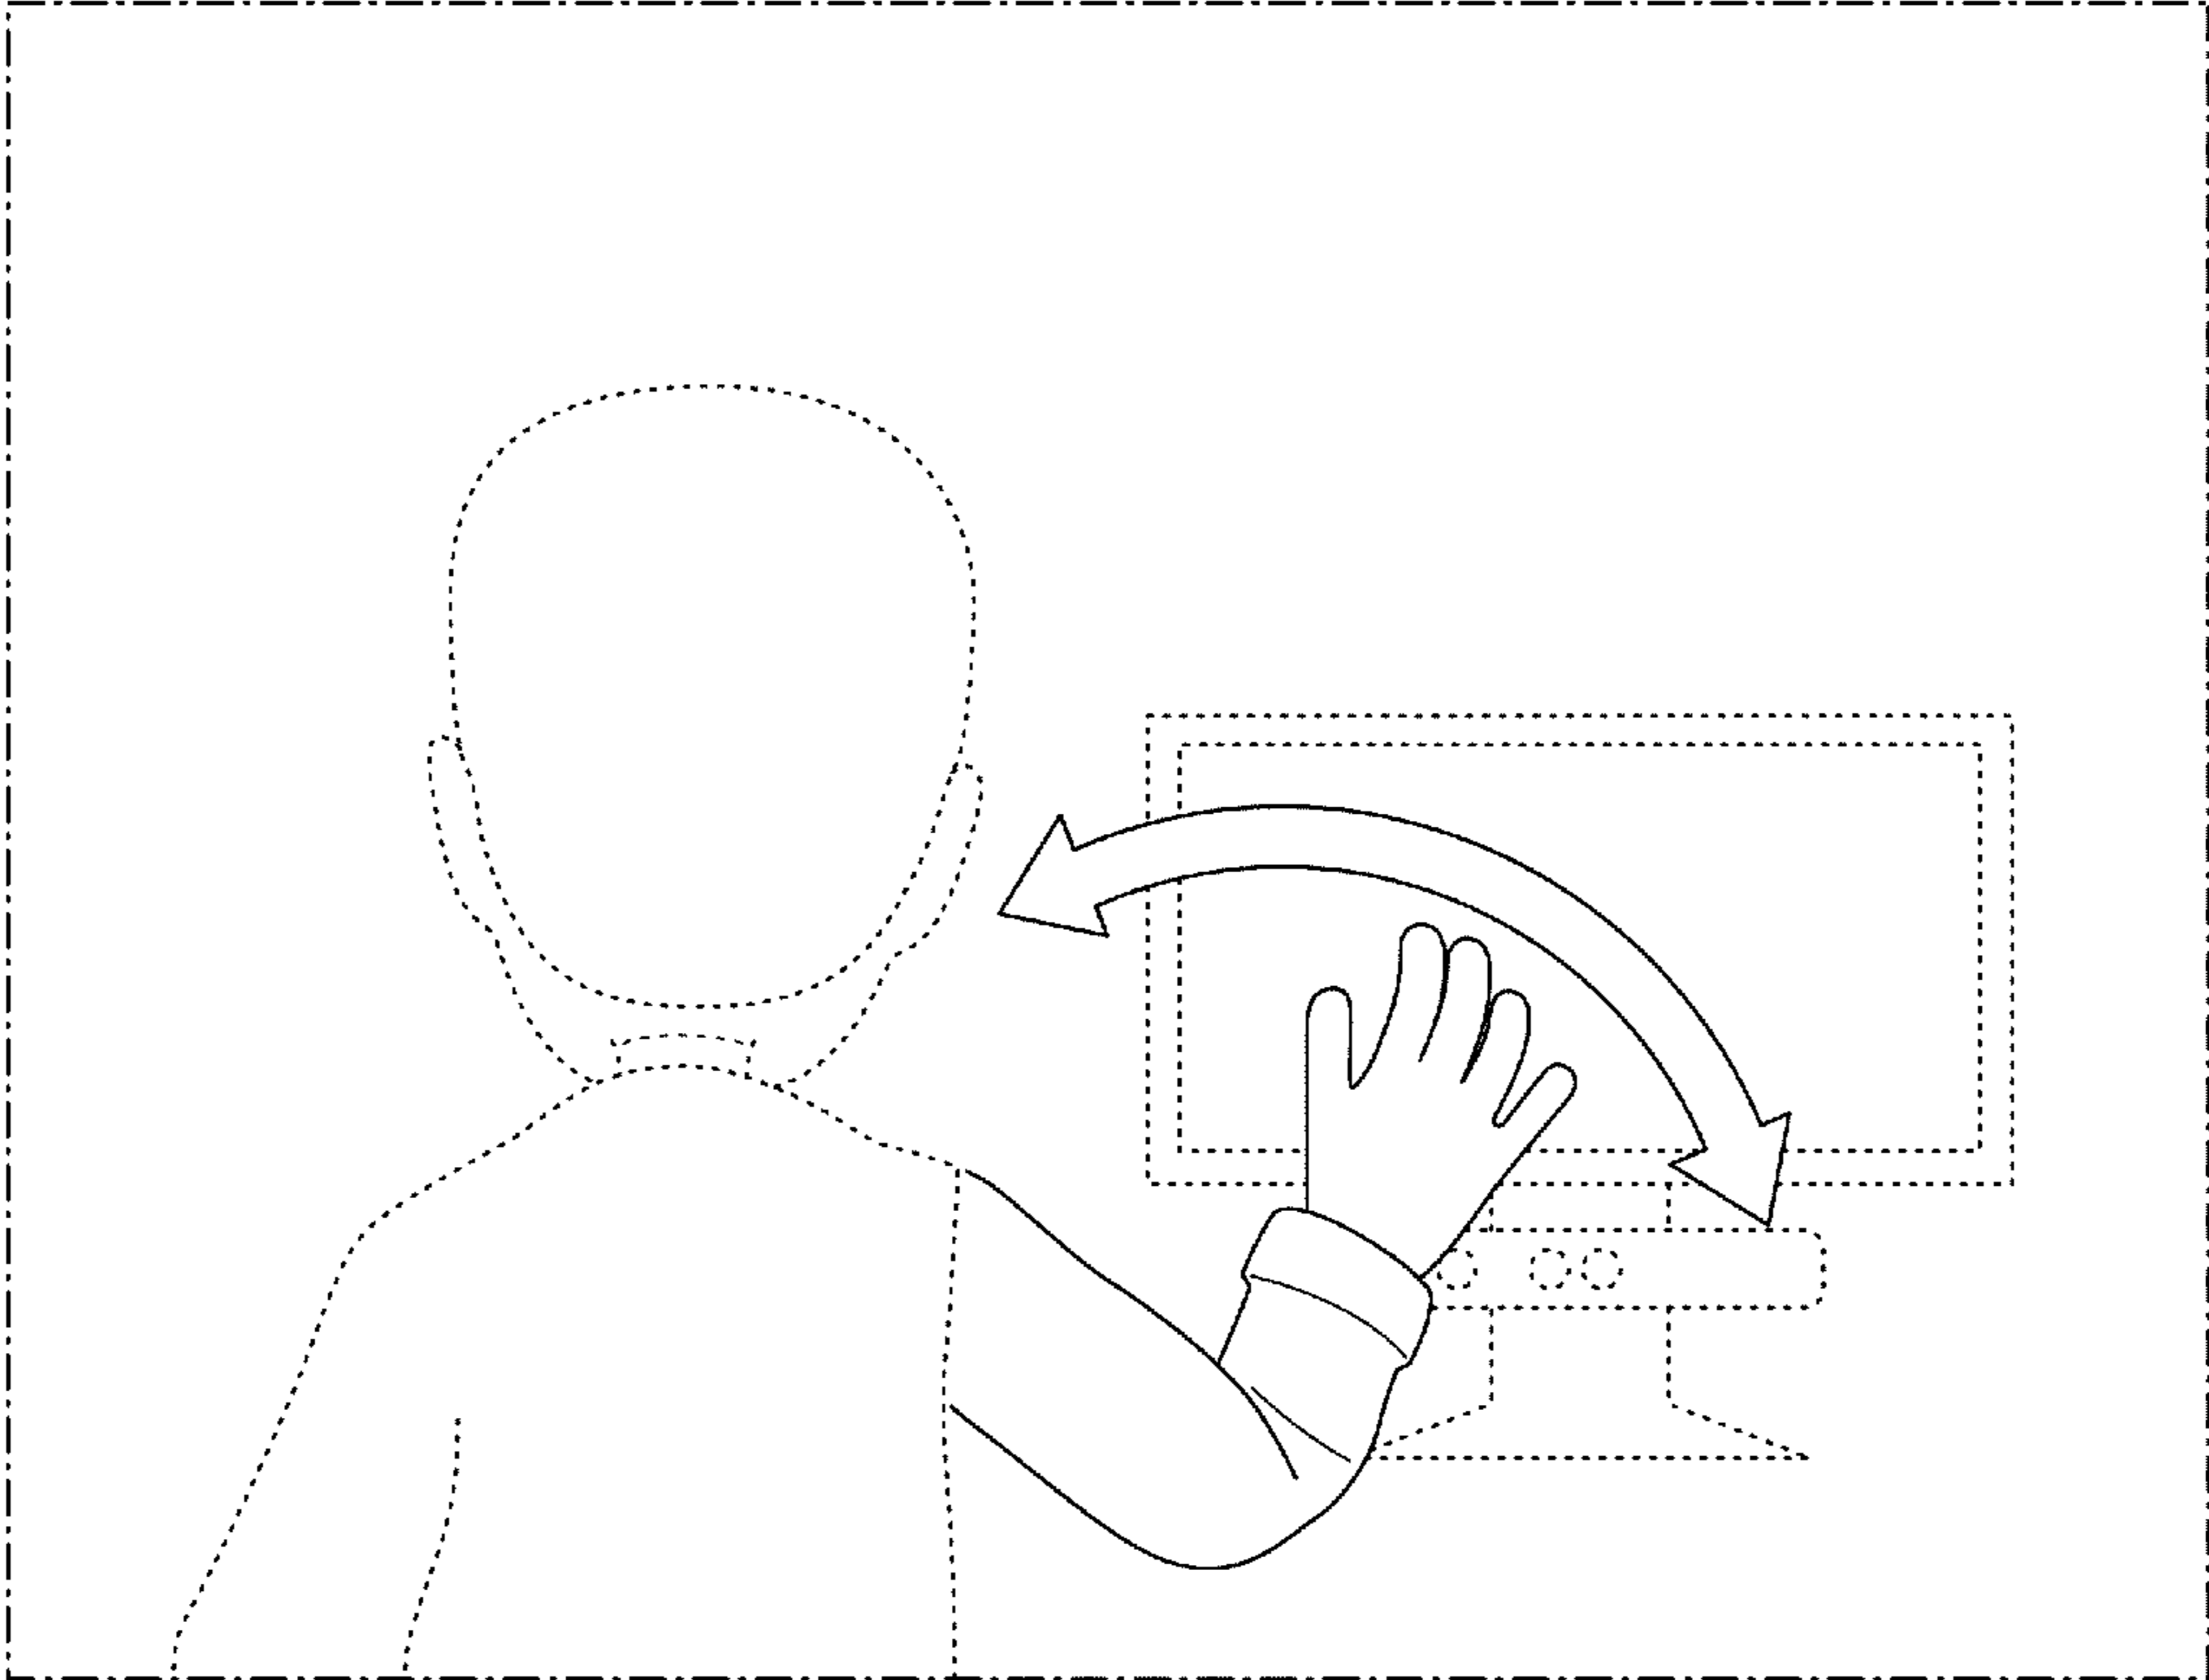

DESCRIPTION

The FIGURE is a front view of a display screen with a user interface showing the new design.

The broken line showings of the display screen and various portions of the user interface are for the purpose of illustrating environmental structure and unclaimed portions of the display screen with a user interface and form no part of the claimed design.

1 Claim, 1 Drawing Sheet
