(57) **CLAIM**

The ornamental design for an absorbent article material with surface indicia, as shown and described.

DESCRIPTION

FIG. 1 is a top view of an embodiment of an absorbent article material with surface indicia; and,

FIG. 2 is a top view of a second embodiment of an absorbent article material with surface indicia.

The broken lines shown are for illustrative purposes only and form no part of the claimed design.

The stitch-like line is part of the surface indicia applied to a material included as part of an absorbent article and does form a part of the claimed design.
