(57) **CLAIM**

The ornamental design for a tracheostomy tie, substantially as shown and described.

DESCRIPTION

FIGS. 1 is a perspective view of a tracheostomy tie showing my new design;

FIG. 2 is a top plan view;

FIG. 3 is a right side elevational view thereof, the left side elevational view being identical;

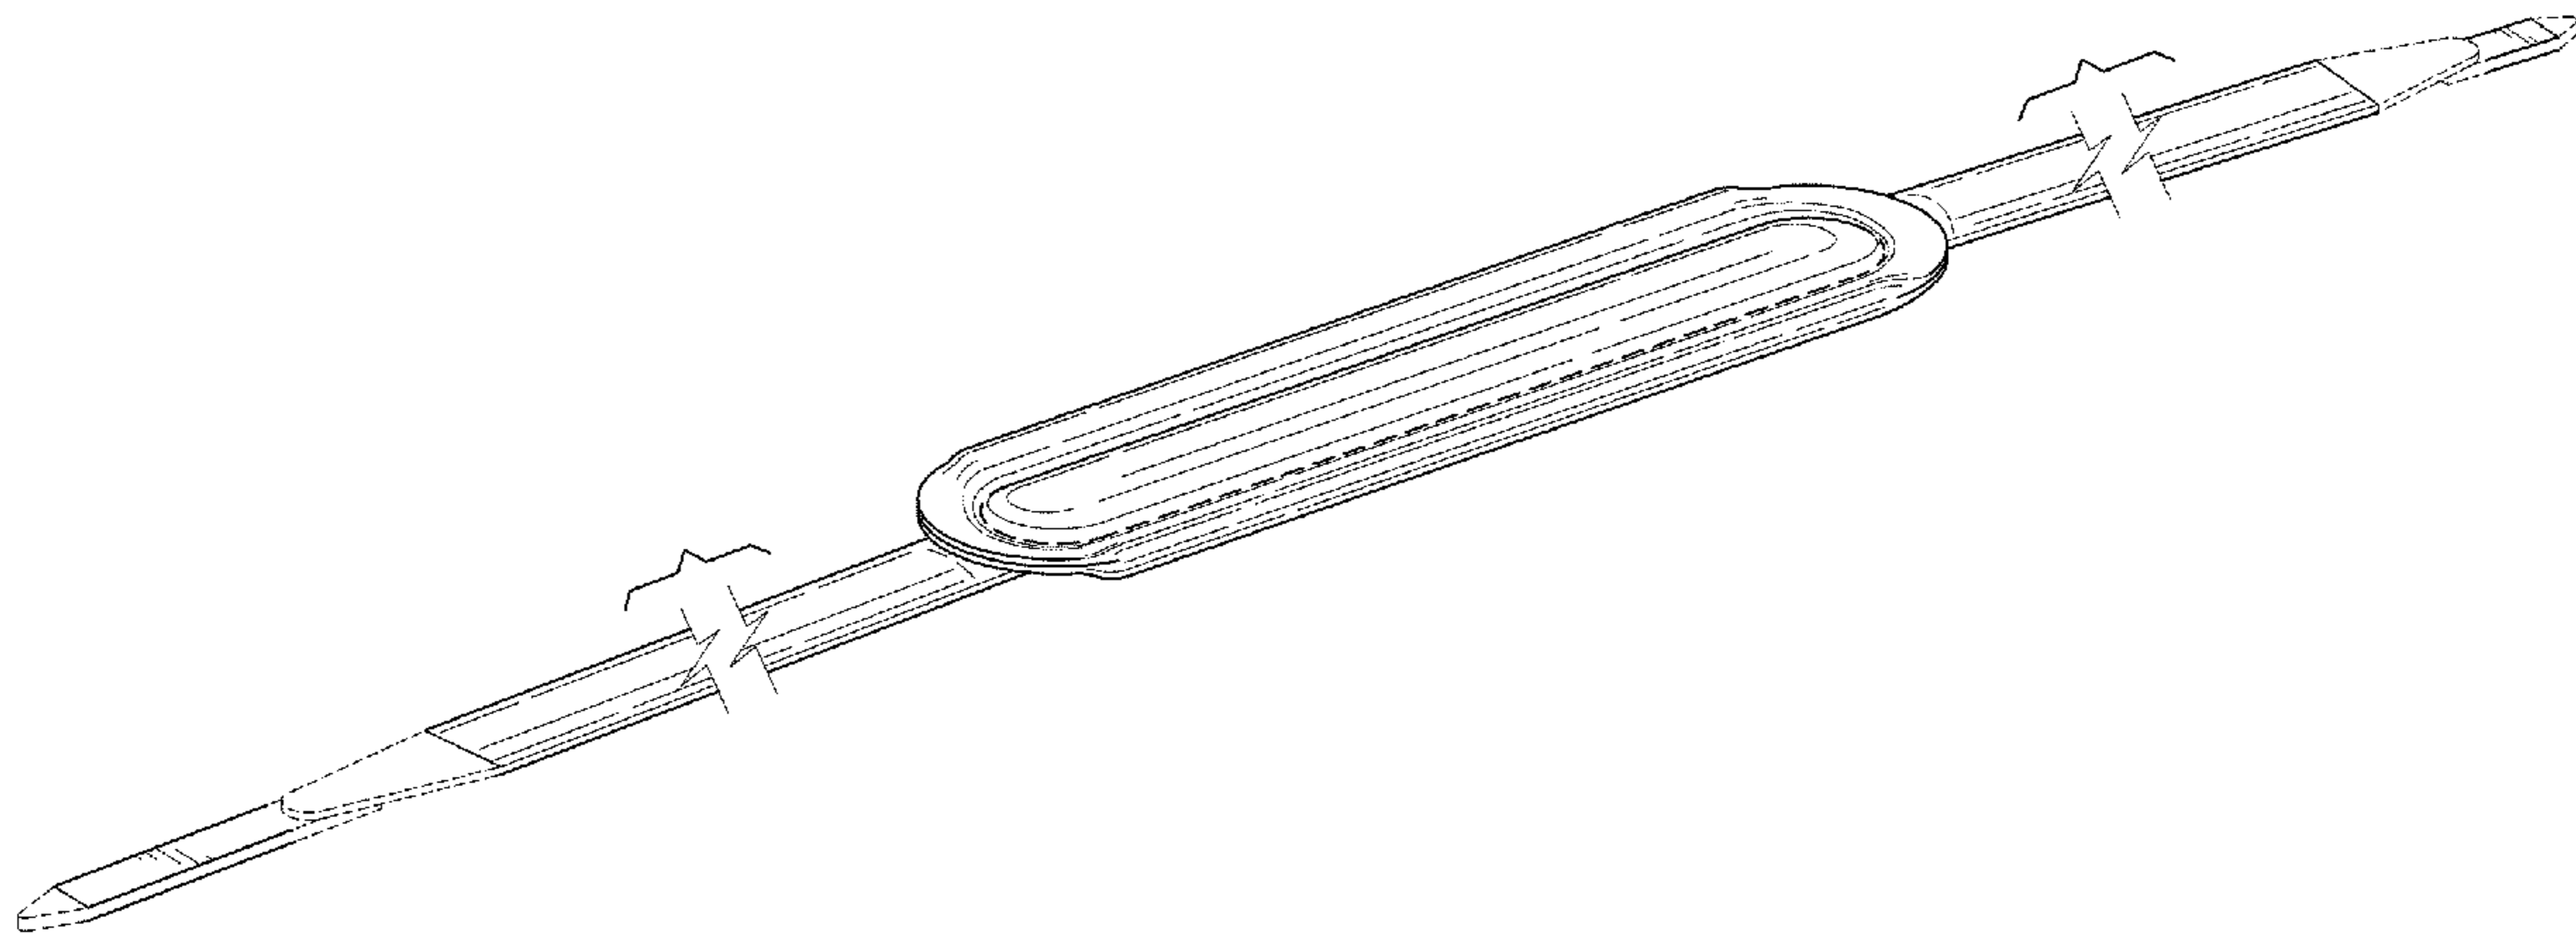

FIG. 4 is an enlarged front side elevational view thereof, the back side elevational view being identical; and,

FIG. 5 is a bottom plan view.

The broken line showing on the surface of the central member in FIGS. 1, 2 and 5 are understood to represent stitching.

The strap members in FIGS. 1-3 and 5 have been shown broken in the middle for ease of illustration, patentability is based only on those portions of the article that are shown in solid lines.
