(57) **CLAIM**

We claim the ornamental design for a building panel, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of the top and front side of the building panel according to our design;

FIG. 2 is a perspective view of the bottom and front side of the building panel;

FIG. 3 is a first end view of the building panel, where the opposite end view of the building panel is a mirror image of the first end view;

FIG. 4 is a front view of the building panel;

FIG. 5 is a rear view of the building panel;

FIG. 6 is a top view of the building panel; and,

FIG. 7 is a bottom view of the building panel.

The claimed design is broken in the center to indicate indeterminate length.
