See application file for complete search history.

(57)

**CLAIM**

The ornamental design for a bottle, as shown and described.

**DESCRIPTION**

FIG. 1 is a front view of a bottle according to my/our design, with the rear view being identical (with the exception of the phantom-line threaded portion on the neck);

FIG. 2 is a left side view thereof, with the right side view thereof being identical (with the exception of the phantom-line threaded portion on the neck); and,

FIG. 3 is a top view thereof.

Where included, broken lines showing environment or structure are for illustrative purposes only and form no part of the claimed design.
