See application file for complete search history.

DESCRIPTION

FIG. 1 is front, top and right side perspective view of a connector interface for an electrical stimulation device, showing my new design;

FIG. 2 is front elevation view thereof;

FIG. 3 is a top elevation view thereof; and,

FIG. 4 is a side elevation view thereof.

The broken line portion of the figure drawings is included to show unclaimed subject matter only and forms no part of the claimed design.
