(57) **CLAIM**

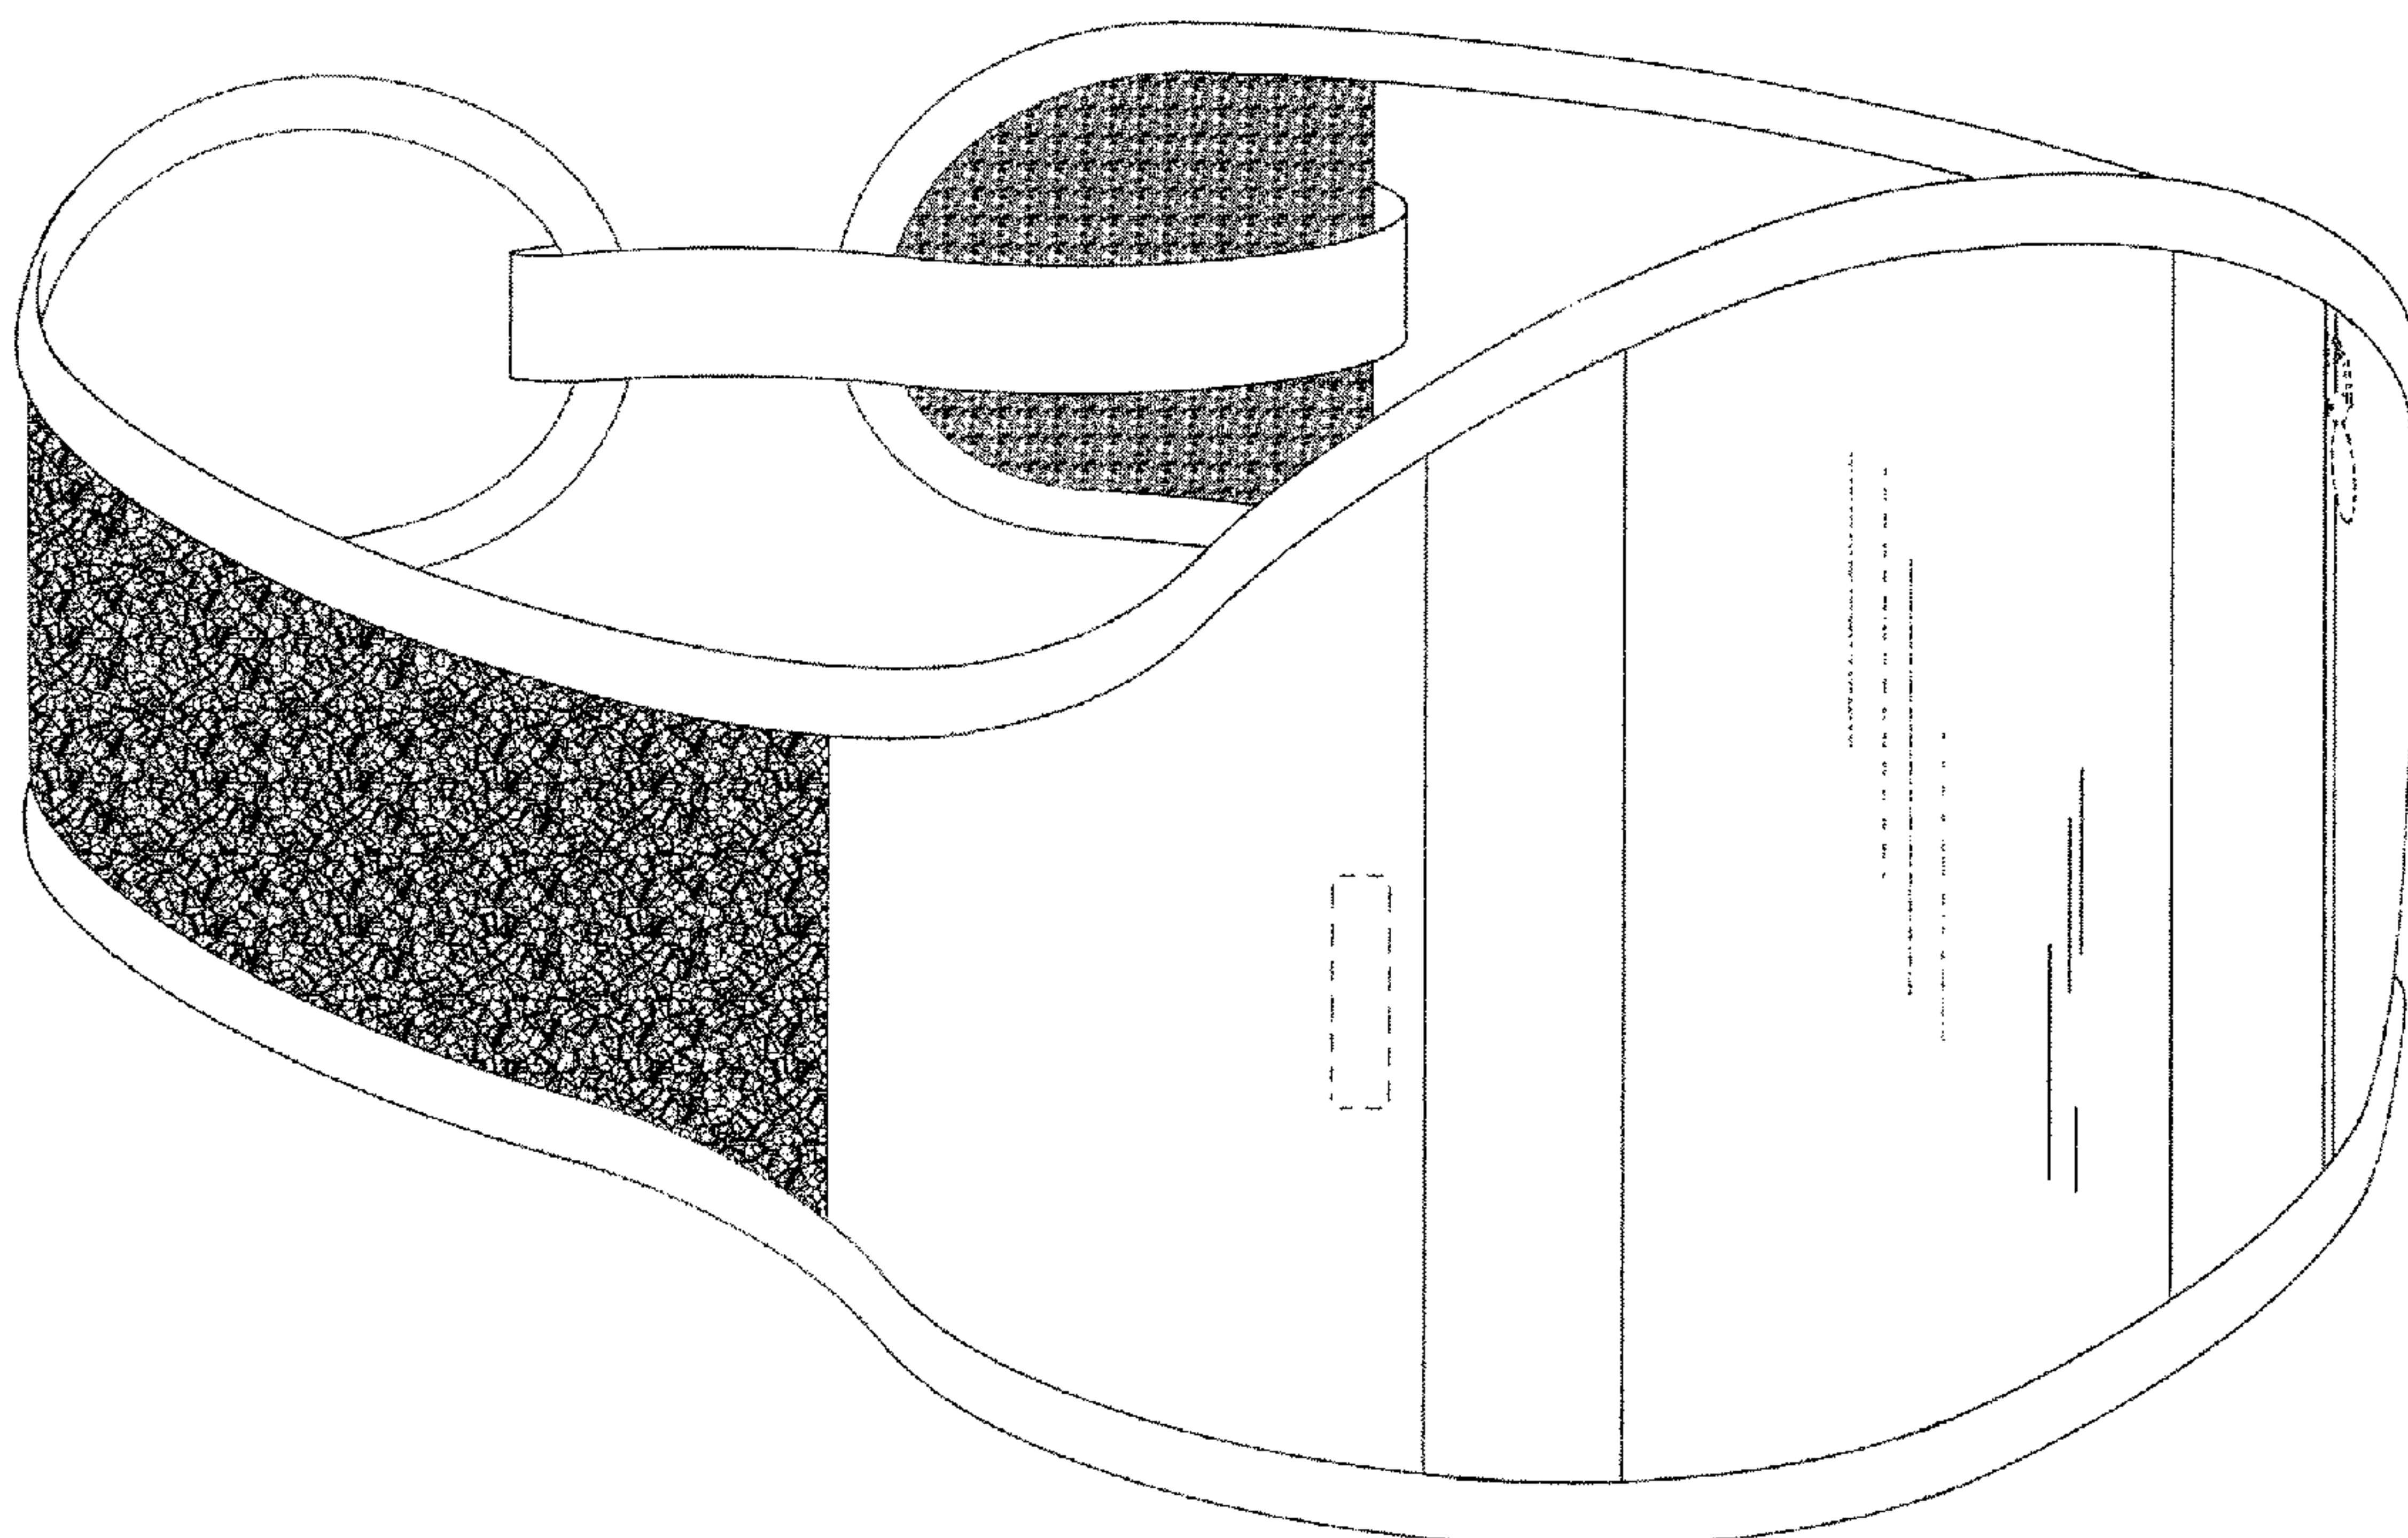

The ornamental design for an arm band for carrying a portable electronic device, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of an ornamental design for an arm band for carrying a portable electronic device; FIG. 2 is a front elevational view of an ornamental design for an arm band for carrying a portable electronic device; FIG. 3 is a rear elevational view of an ornamental design for an arm band for carrying a portable electronic device; FIG. 4 is a left side elevational view of an ornamental design for an arm band for carrying a portable electronic device; FIG. 5 is a right side elevational view of an ornamental design for an arm band for carrying a portable electronic device; FIG. 6 is a bottom view of an ornamental design for an arm band for carrying a portable electronic device; and, FIG. 7 is a top view of an ornamental design for an arm band for carrying a portable electronic device.

The broken lines are included for the purpose of illustrating environmental structure, and form no part of the claimed design.
