(57) **CLAIM**

The ornamental design for a changing station, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the changing station of the present invention;

FIG. 2 is a front elevational view of the changing station of the present invention;

FIG. 3 is a rear elevational view of the changing station of the present invention;

FIG. 4 is a right side elevational view of the changing station of the present invention;

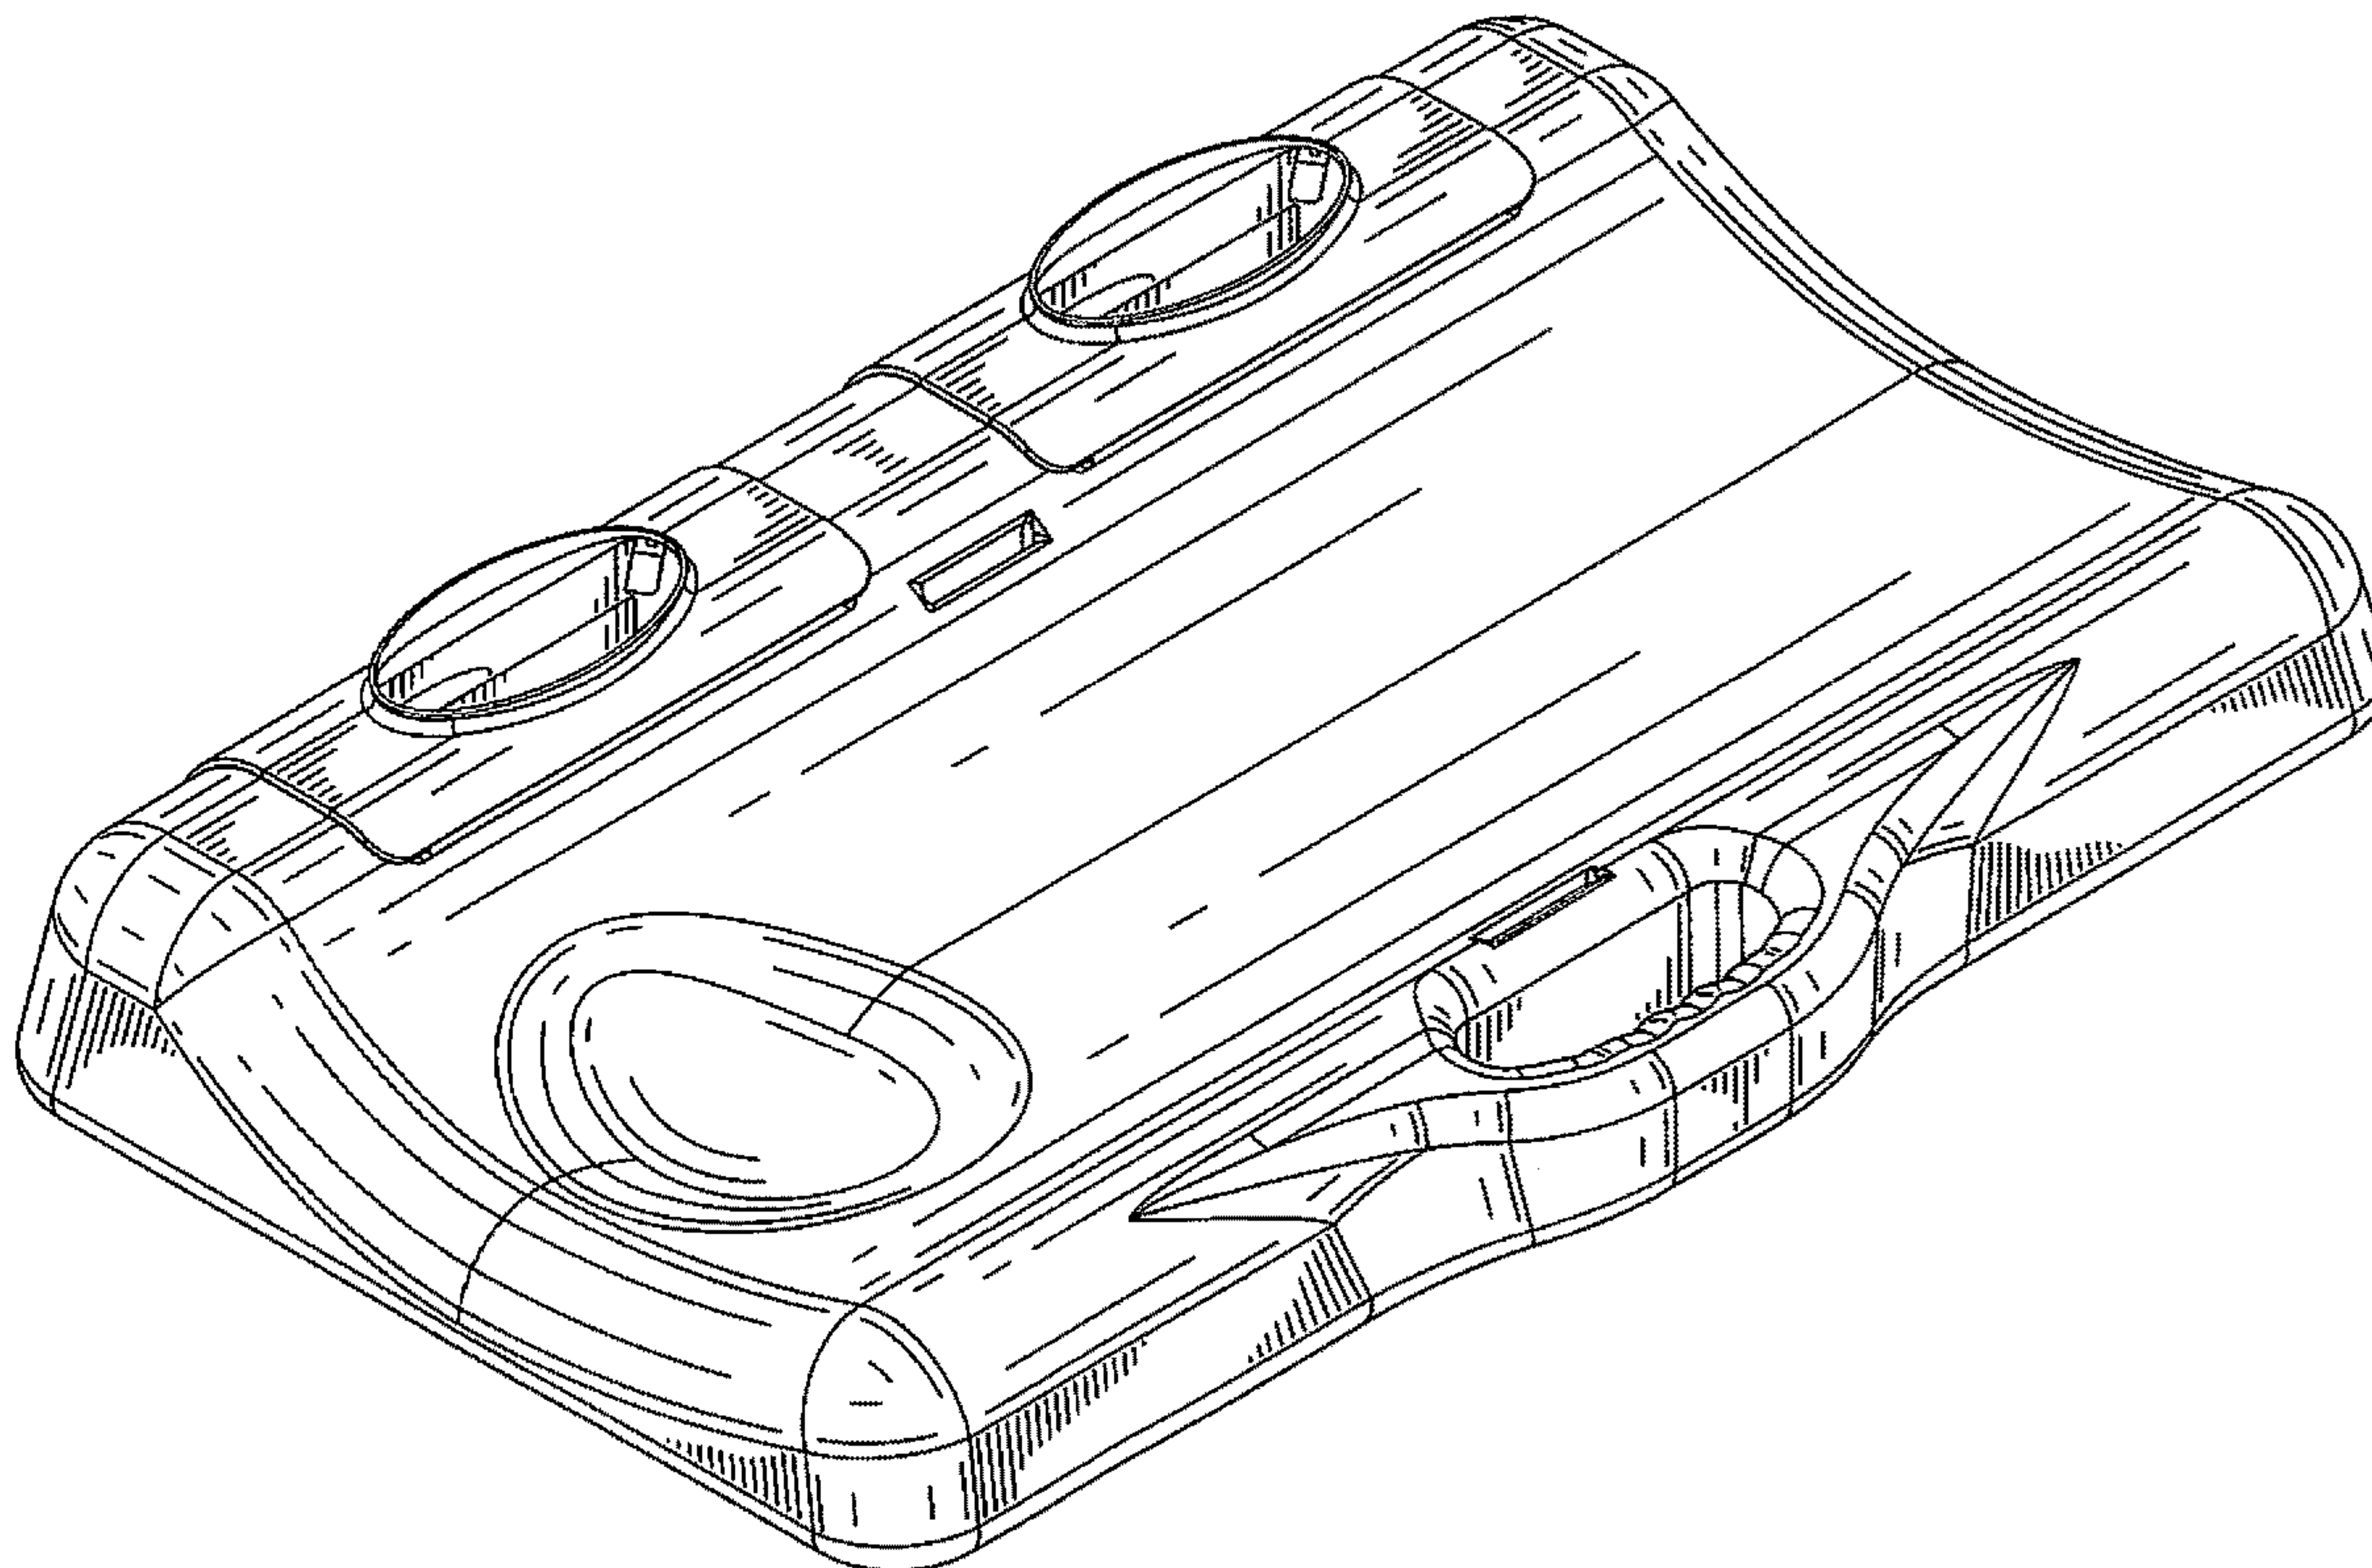

FIG. 5 is a left side elevational view of the changing station of the present invention;

FIG. 6 is a top plan view of the changing station of the present invention; and,

FIG. 7 is a bottom plan view of the changing station of the present invention.

The broken lines are for environmental purposes only and form no part of the claimed design.
