(57) **CLAIM**

The ornamental design for a hangable air freshening device, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a hangable air freshening device showing this new design;
FIG. 2 is a front view of a hangable air freshening device according to this specification;
FIG. 3 is a rear view of a hangable air freshening device according to this specification;
FIG. 4 is a left enlarged view of a hangable air freshening device according to this specification;
FIG. 5 is a right enlarged view of a hangable air freshening device according to this specification;
FIG. 6 is a top plane view of a hangable air freshening device according to this specification; and,
FIG. 7 is a bottom plane view of a hangable air freshening device according to this specification.
