(57) **CLAIM**

The ornamental design for an electrical cord end, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of an electrical cord end showing our new design;

FIG. 2 is a left side elevational view thereof, the right side elevational view being a mirror image of the left side elevational view;

FIG. 3 is a top plan view thereof;

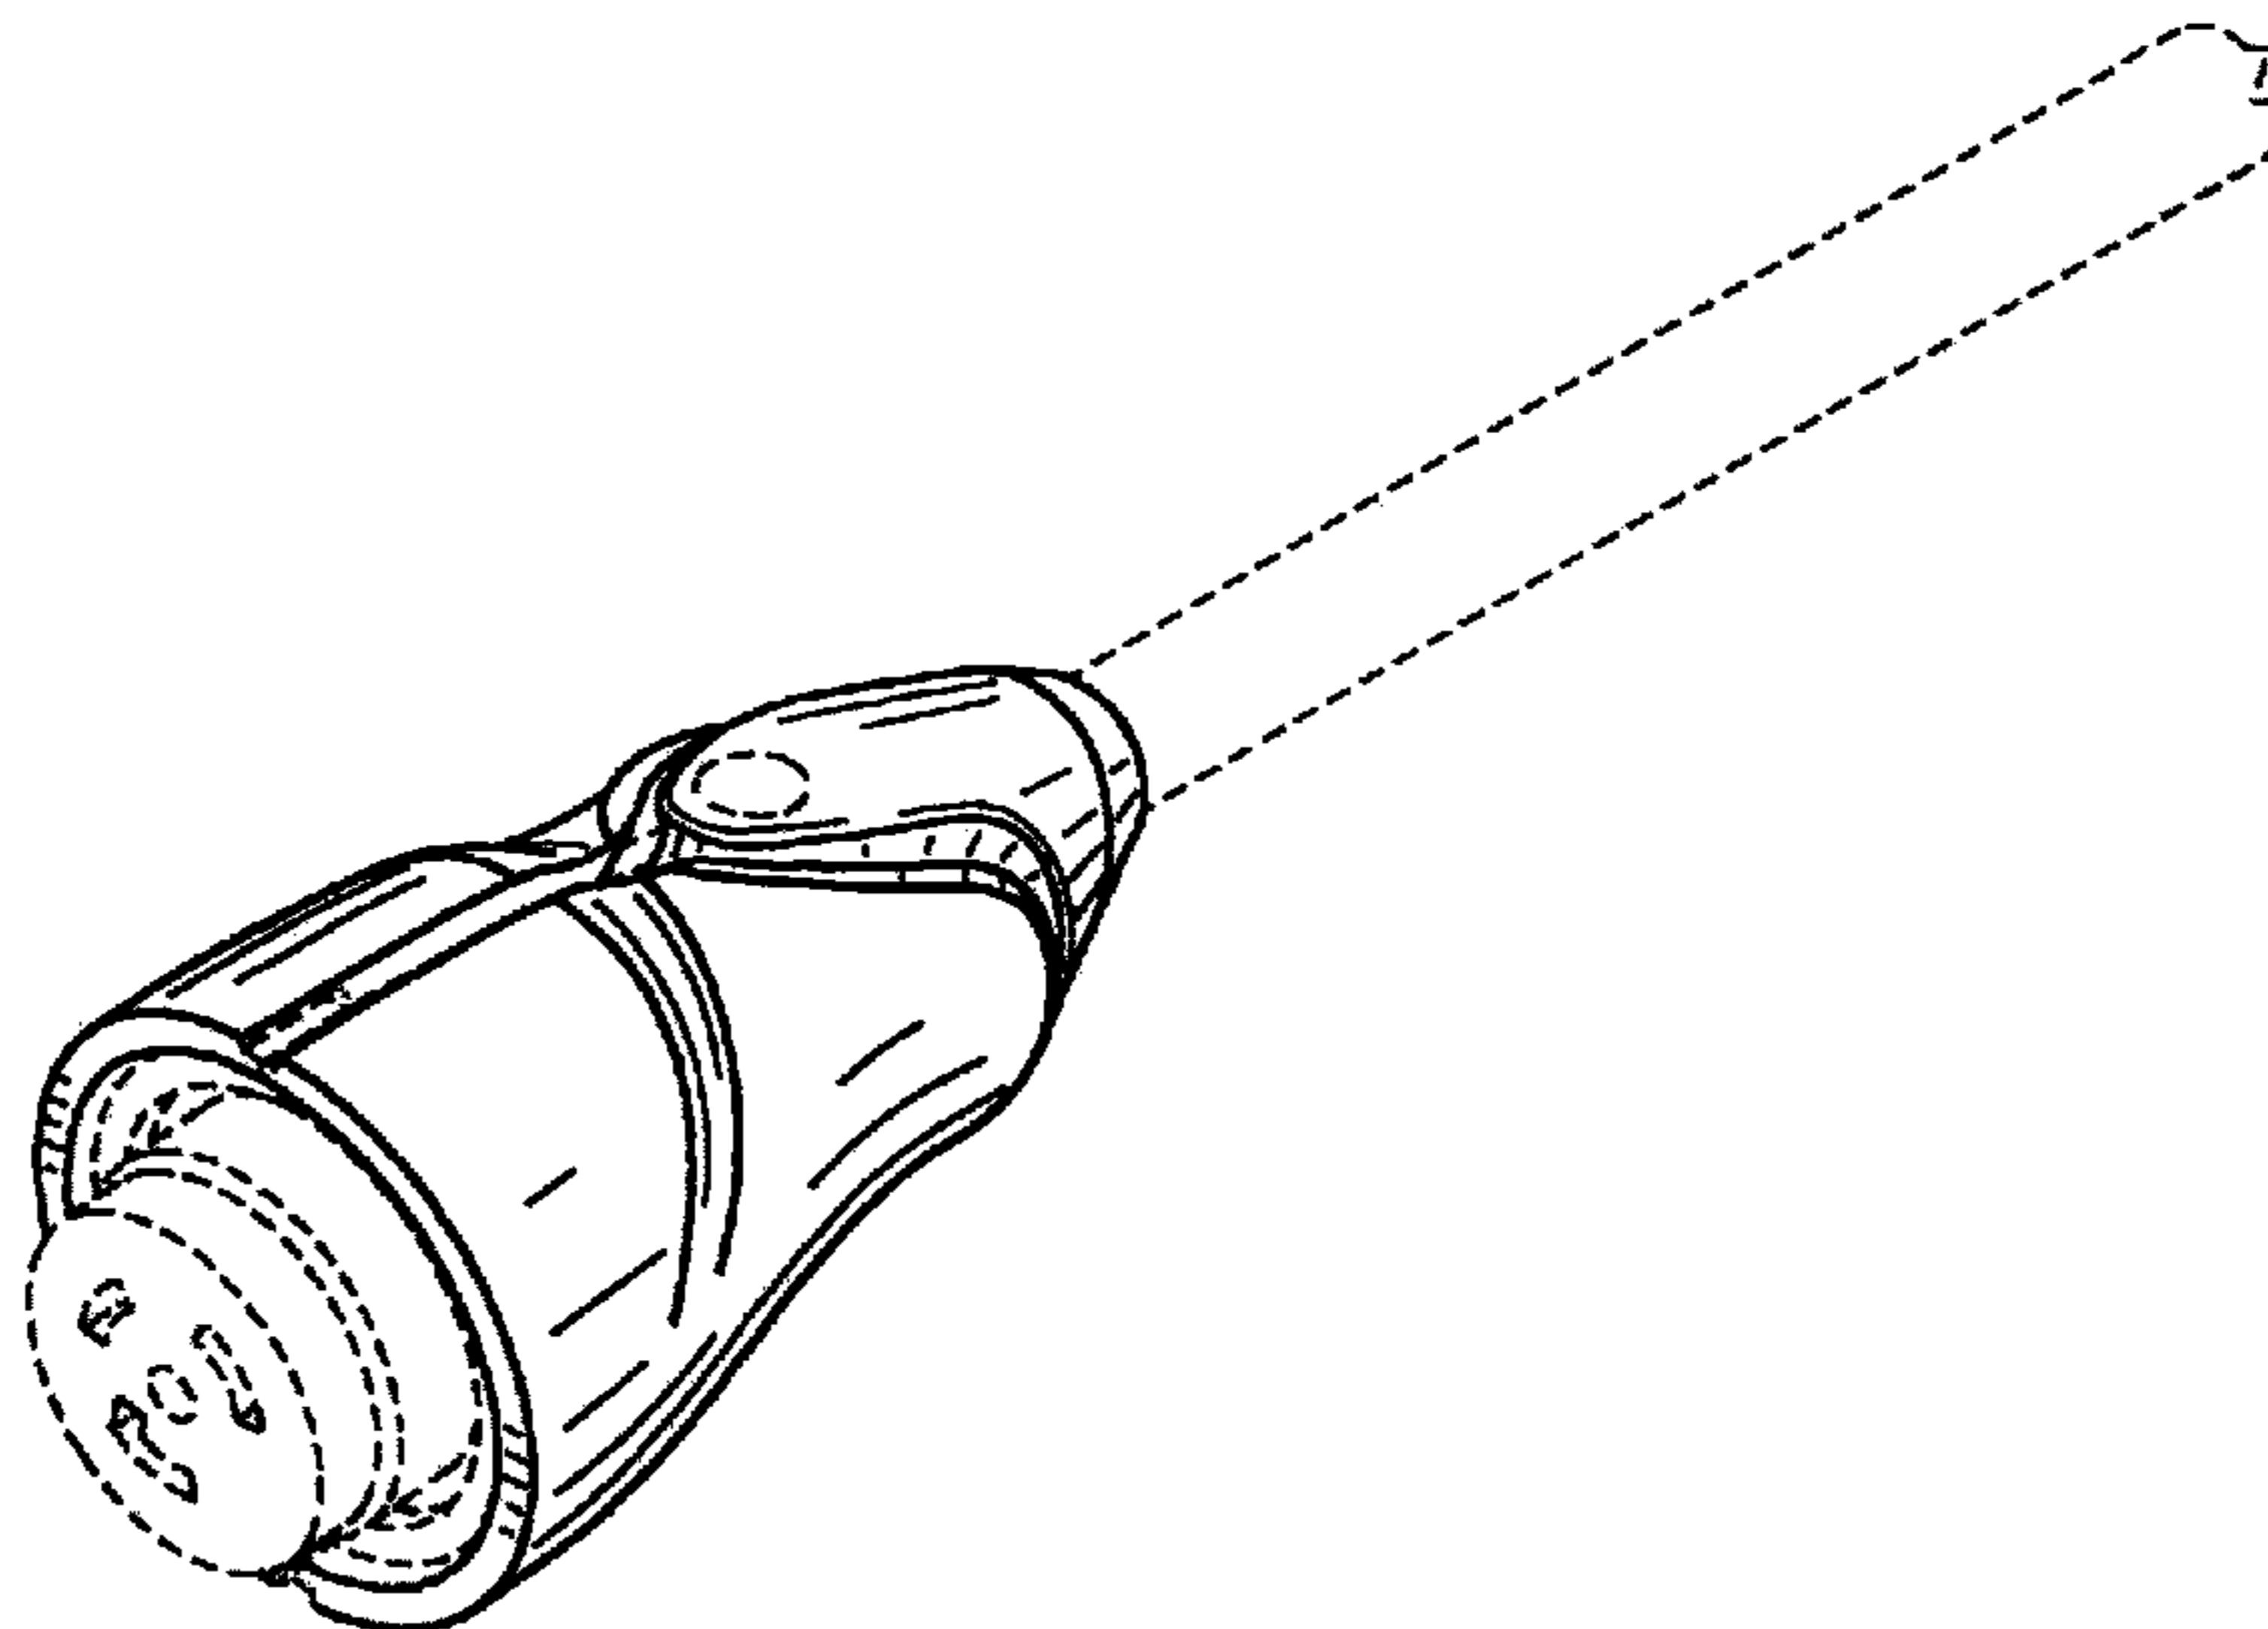

FIG. 4 is a bottom plan view thereof;

FIG. 5 is a front elevational view thereof; and,

FIG. 6 is a rear elevational view thereof.

The broken line shown in the figure drawings is included for the purpose of illustrating environment and forms no part of the claimed design.
