(57) **CLAIM**

The ornamental design for storage module for surgical devices, in particular for boneplate templates, as shown and described.

DESCRIPTION

FIG. 1 is a perspective top view of a storage module for surgical devices, in particular for boneplate templates showing my new design.

FIG. 2 is a plan view from above thereof.

FIG. 3 is a plan view from below thereof.

FIG. 4 is a perspective view from below thereof.

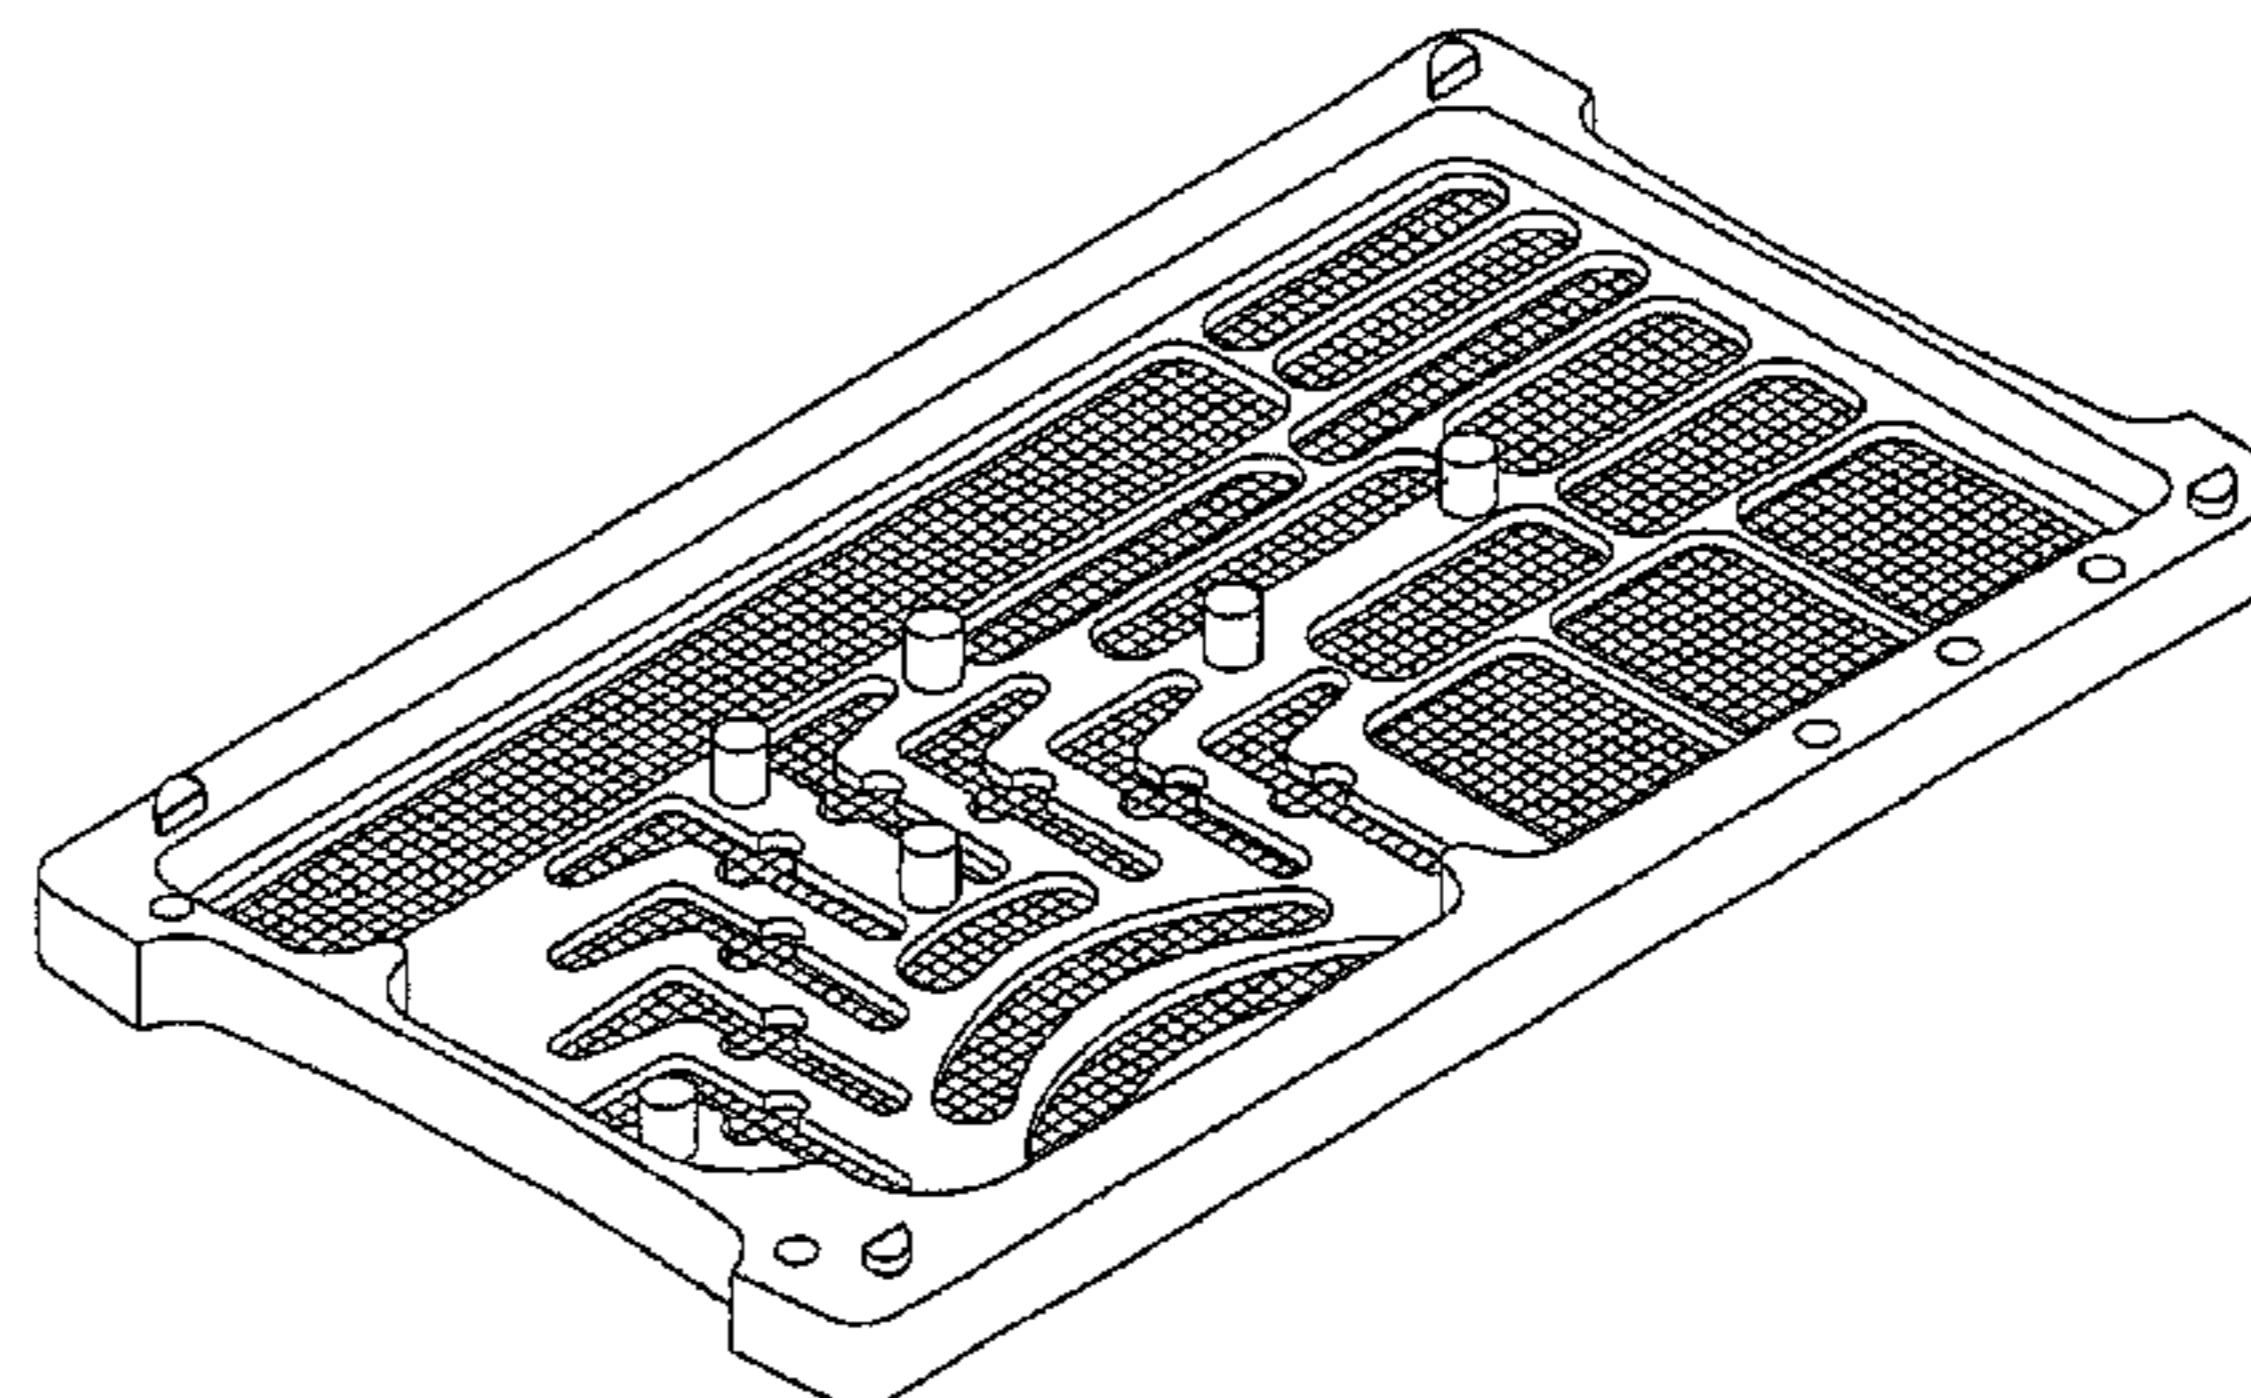

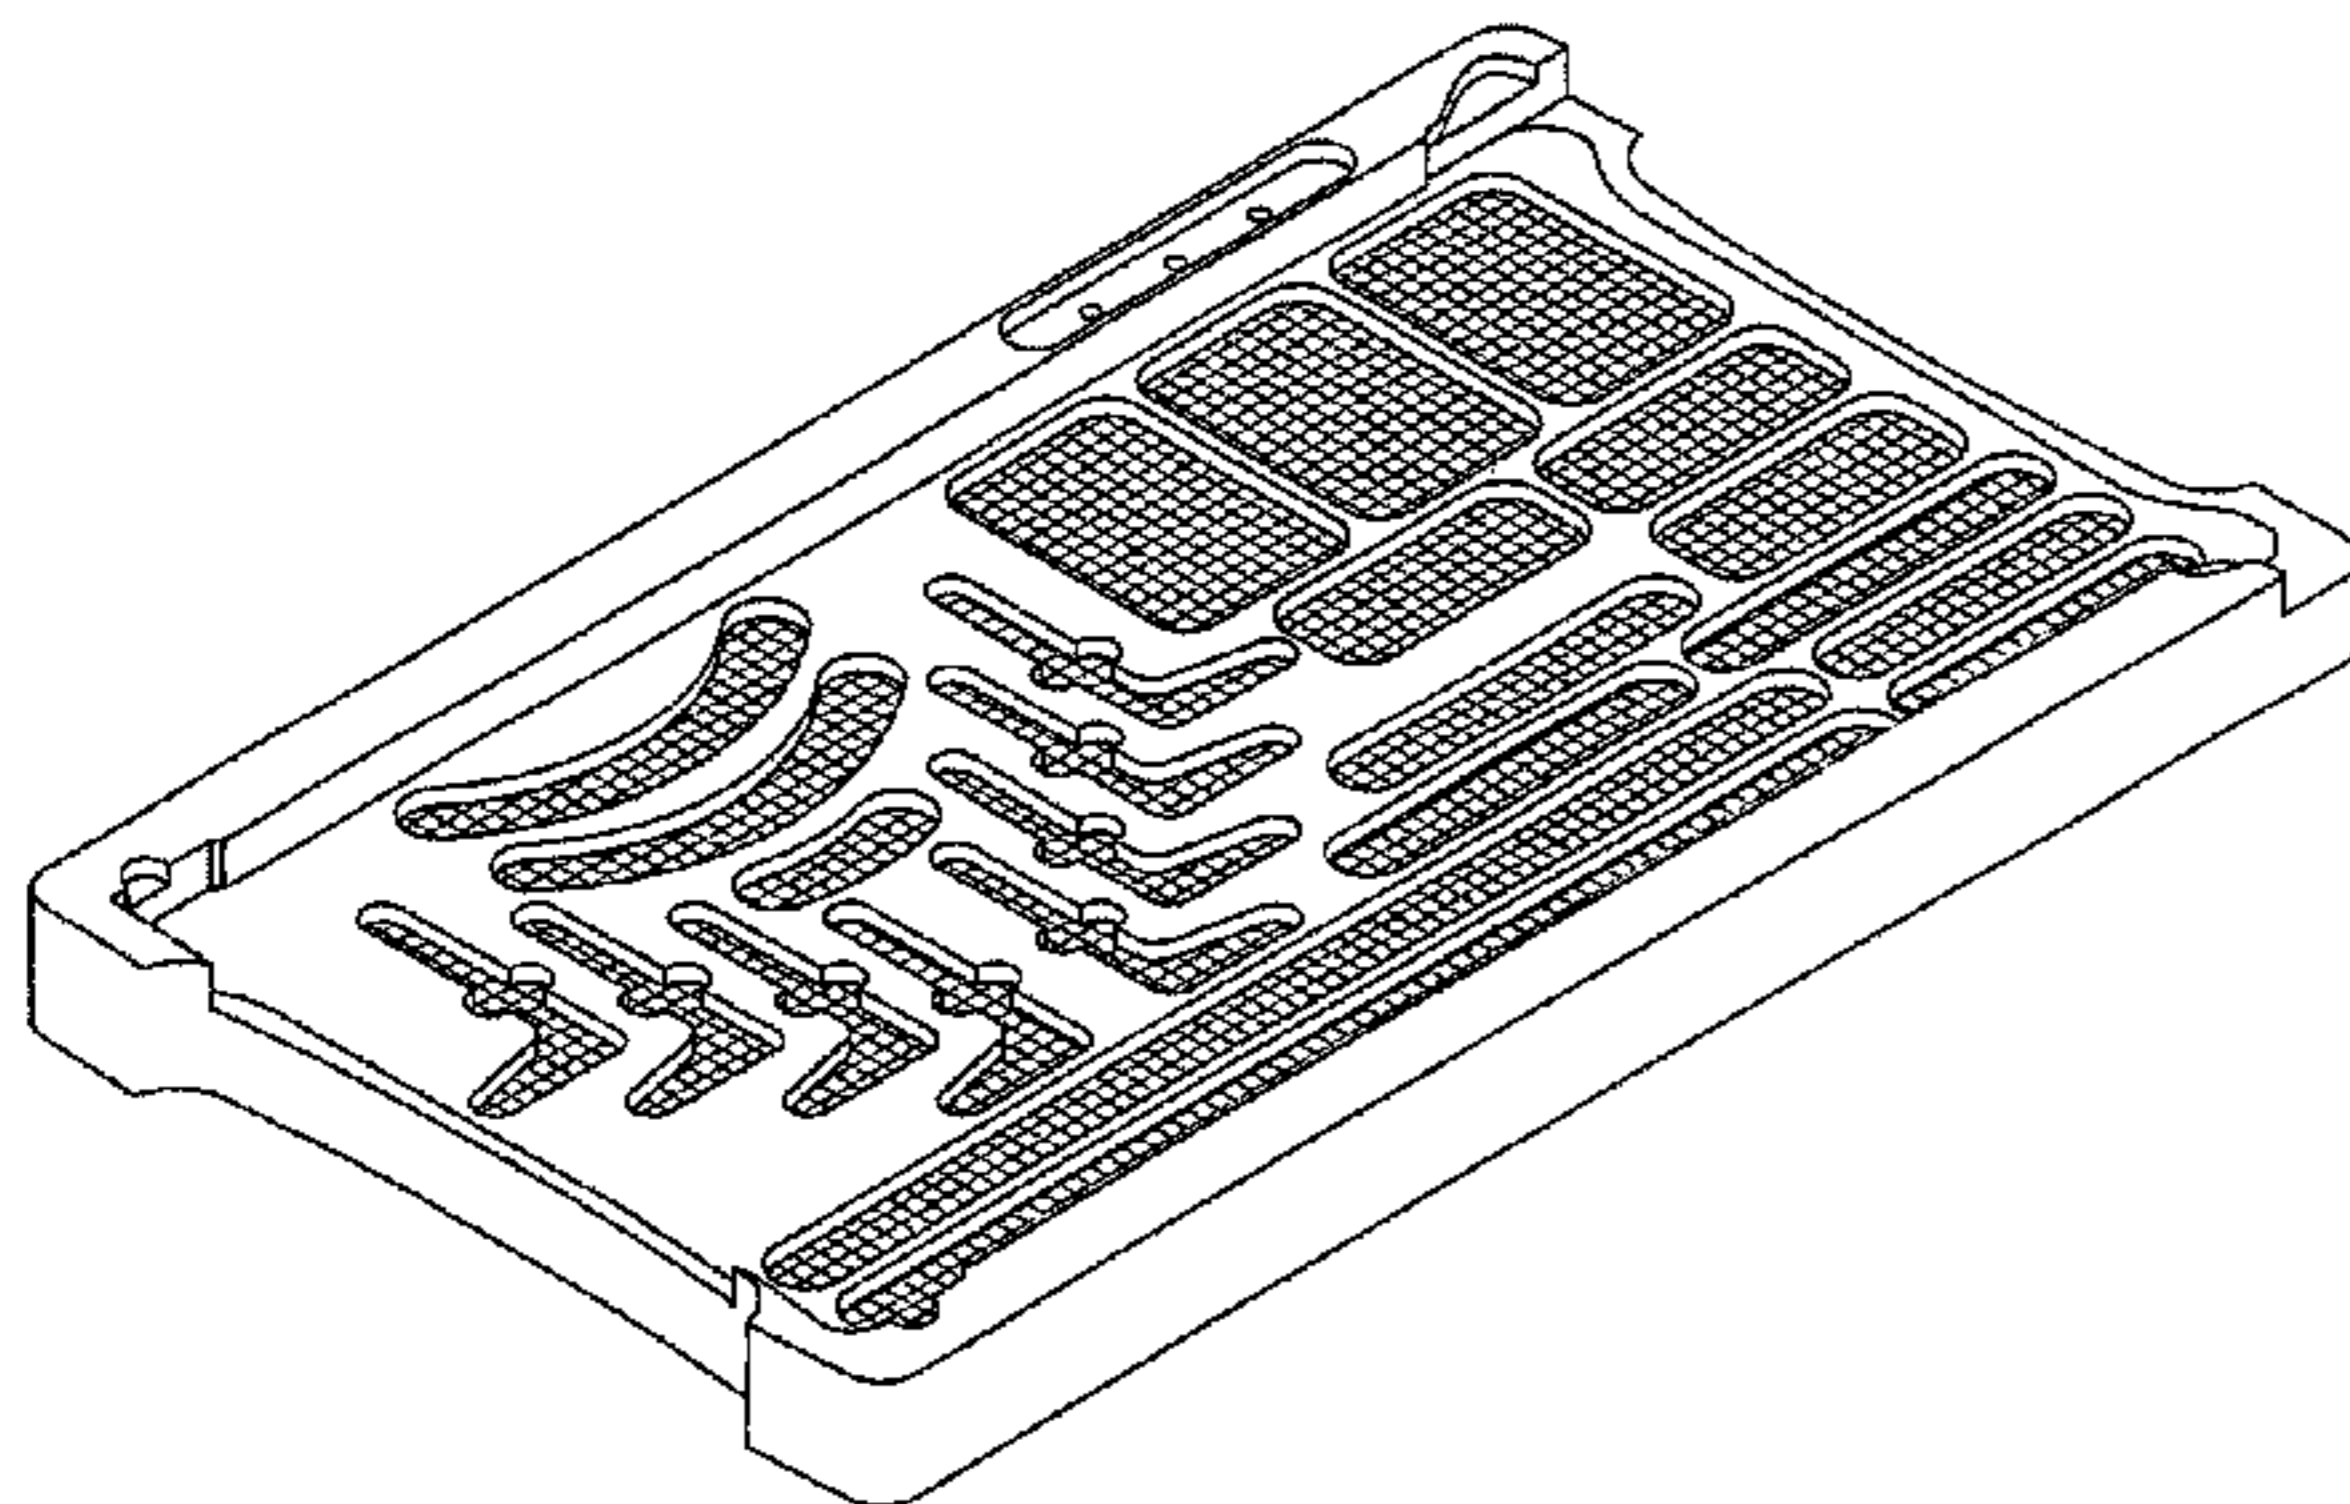

FIG. 5 is a perspective side view from below thereof.

FIG. 6 is a front view thereof; and,

FIG. 7 is a side view thereof.

Any indicia, including but not limited to words and symbols, shown on the accompanying drawings form no part of the claimed design. Broken lines are included for the purpose of illustrating portions of the storage module for surgical devices, in particular for boneplate templates that form no part of the claimed design.
