(57) **CLAIM**

The ornamental design for a graphic user interface of a search site for a display screen, as shown and described.

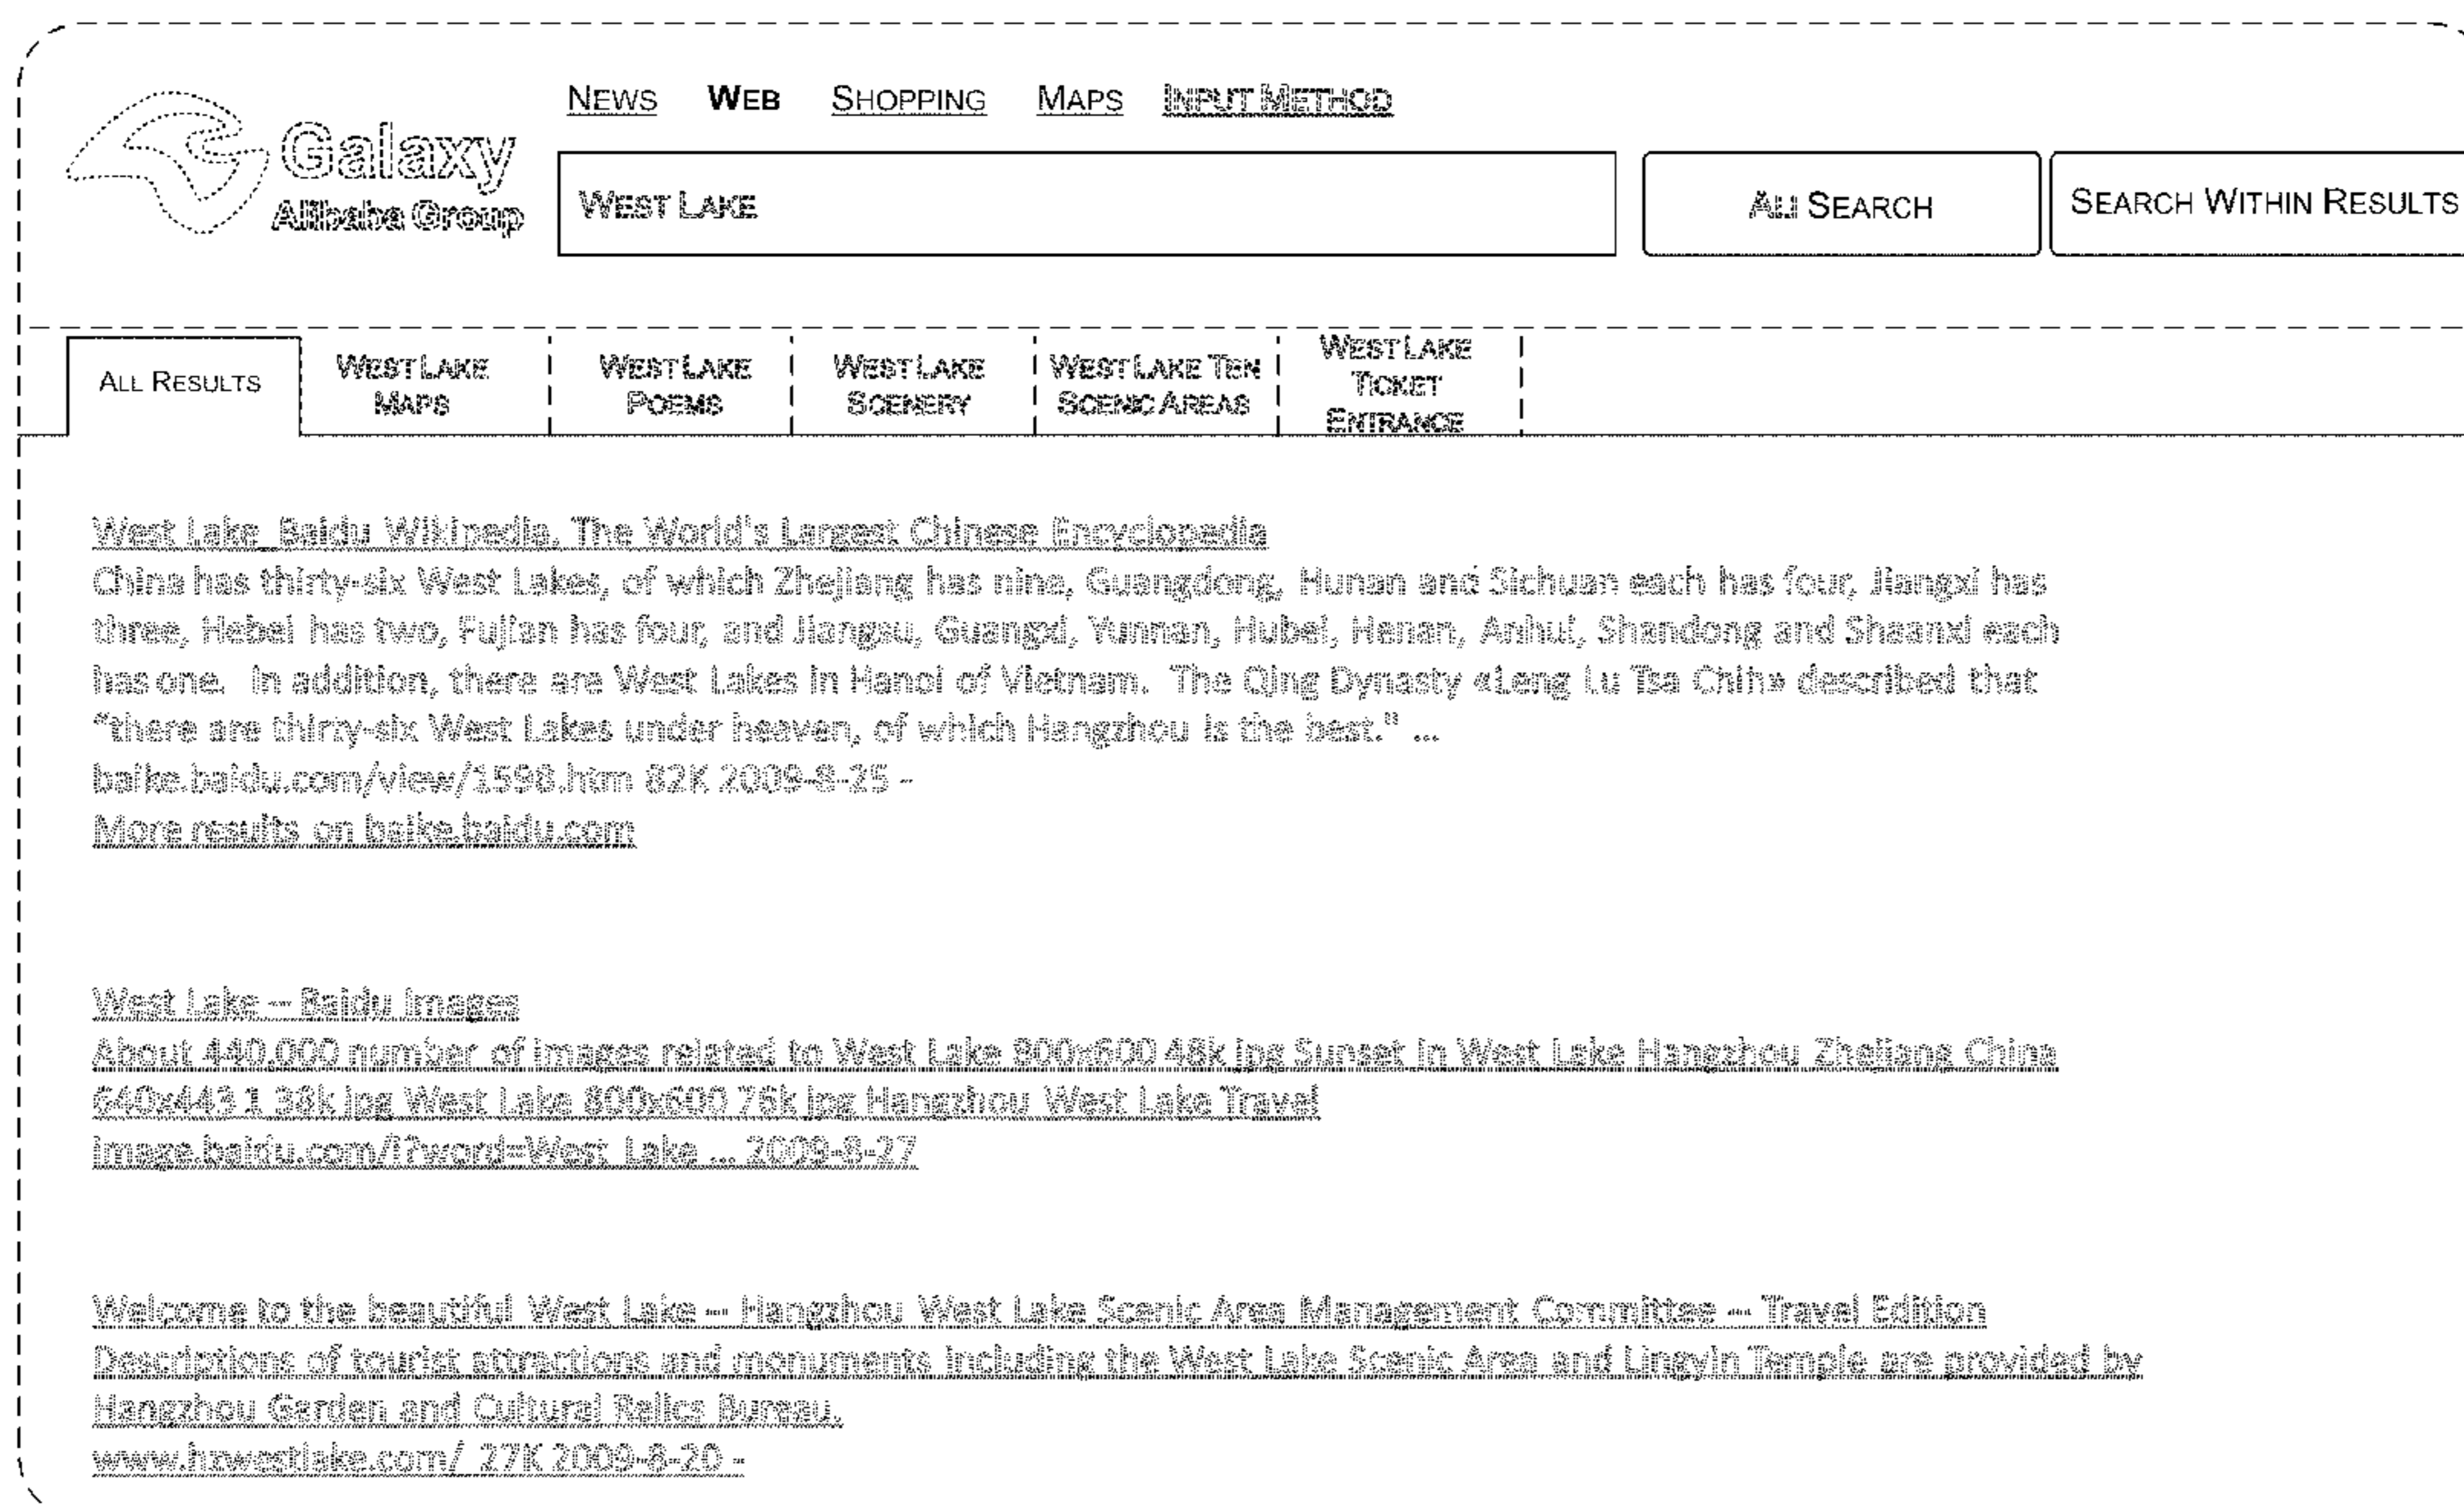

**DESCRIPTION**

A portion of the disclosure of this patent document contains material to which a claim for copyright is made. The copyright owner has no objection to the reproduction of the patent document or the patent disclosure, as it appears in the U.S. Patent Office records, but reserves all other copyright rights whatsoever.

The FIGURE is a front view of a graphic user interface of a search site for a display screen.

The broken line of the display screen and the broken line showing of certain text in the drawings are for illustrative purposes only and form no part of the claimed design.
