(57) **CLAIM**

The ornamental design for a time display for a timepiece or computer screen, as shown and described.

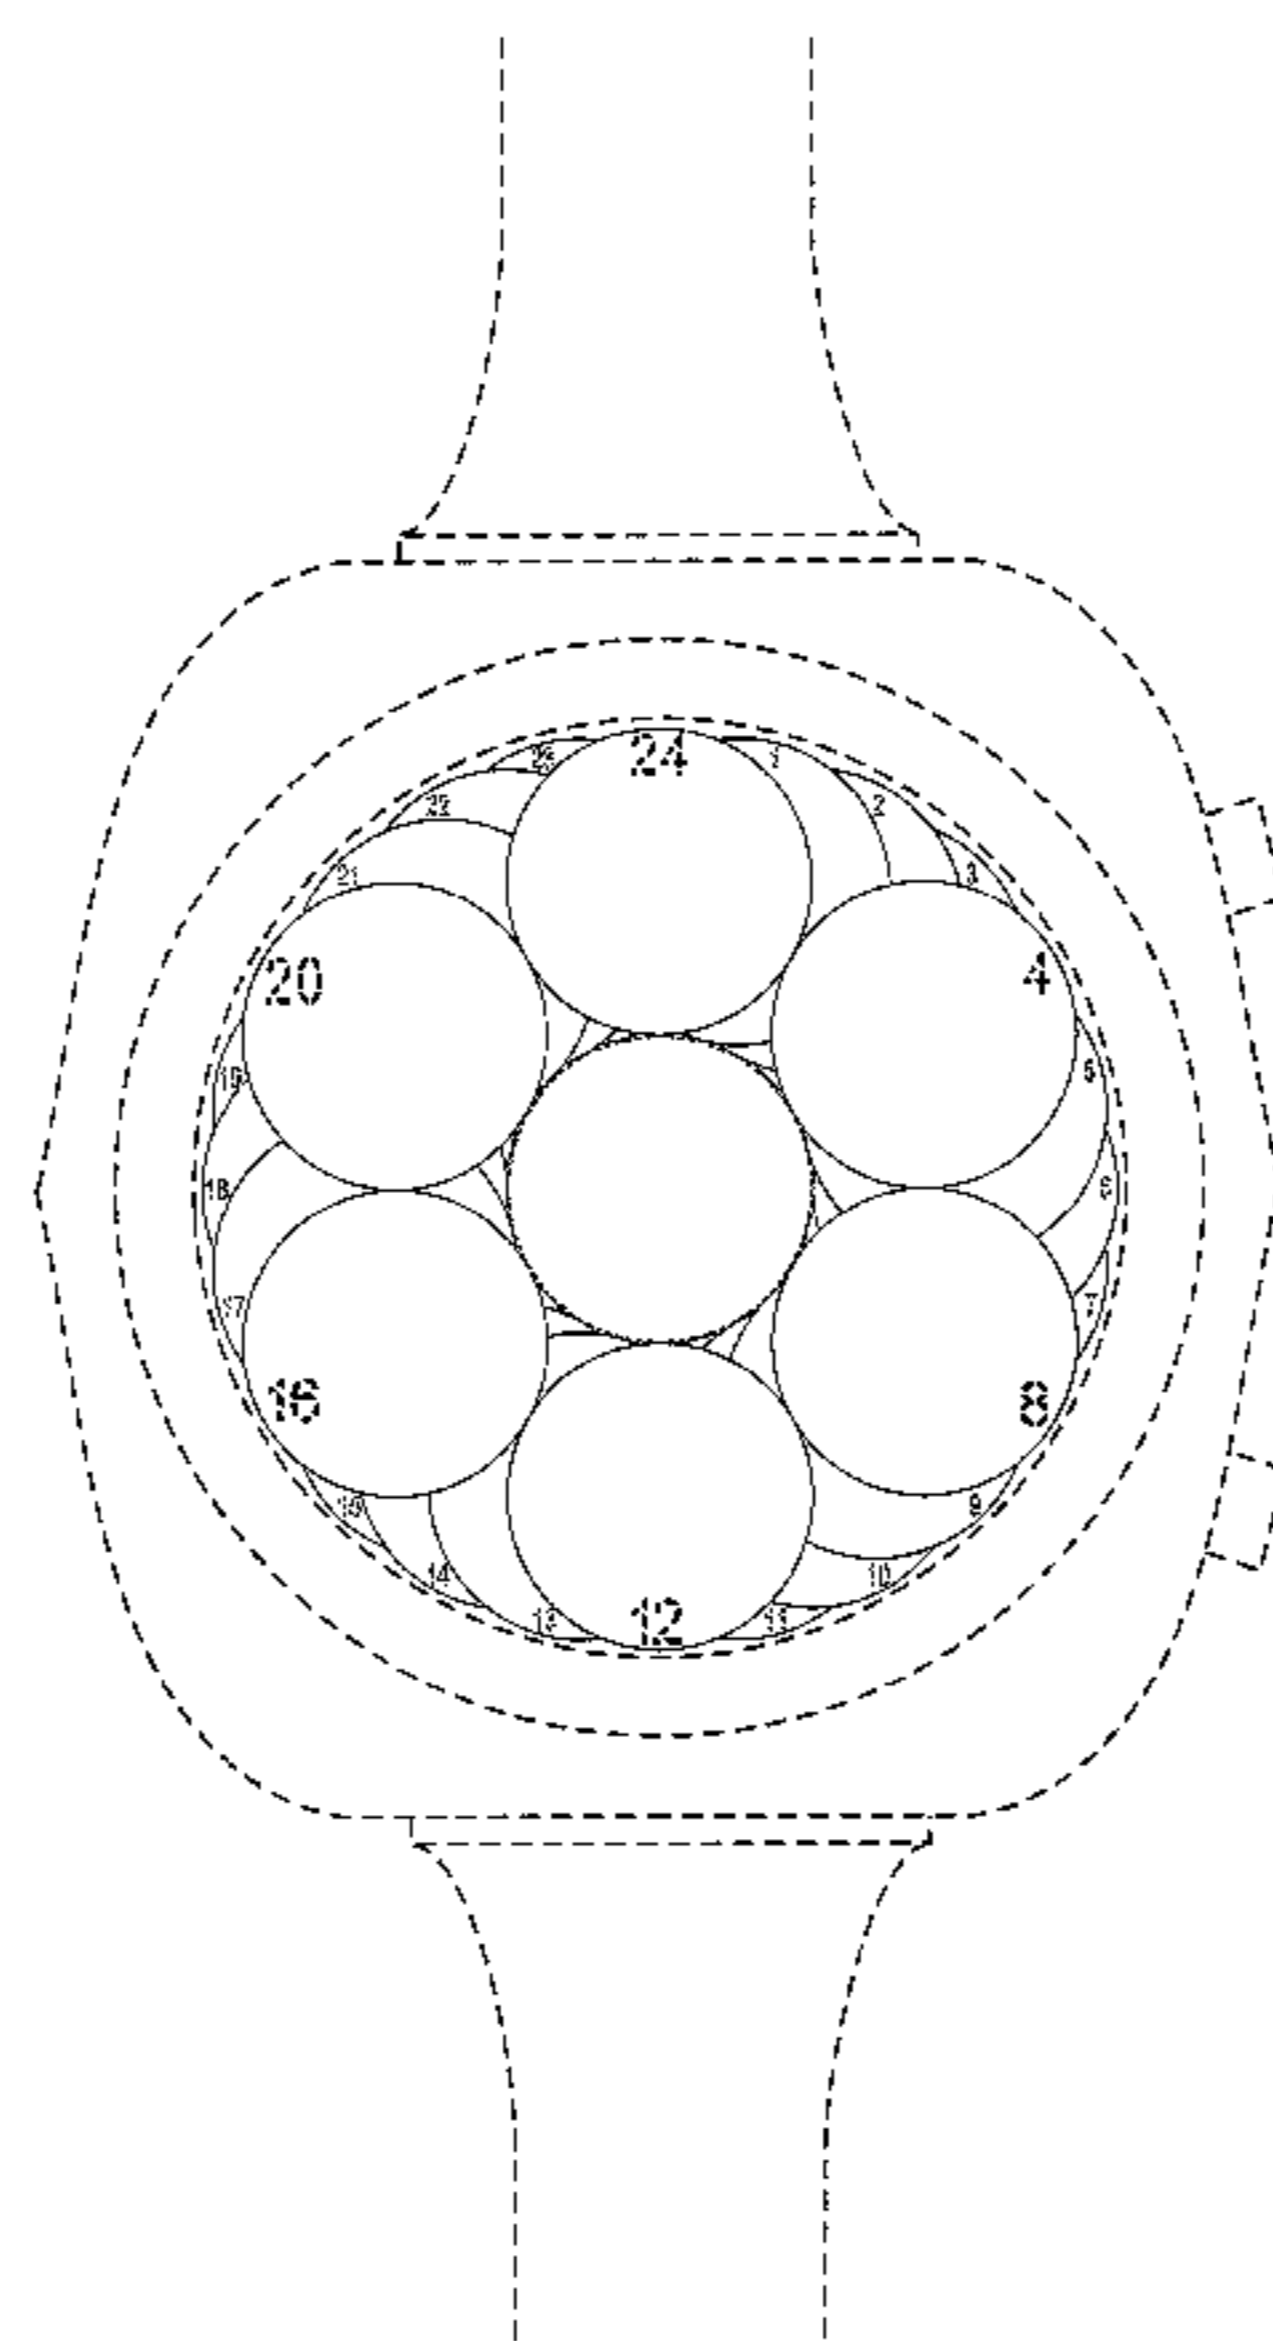

DESCRIPTION

FIG. 1 is a top plan view of a time display for a timepiece or computer screen, showing the new design.

FIG. 2 is a top plan view of the time display for a timepiece or computer screen, showing the new design in an environment of use. In FIG. 2 and all other drawings herein where broken lines appear, the broken lines are for the purpose of illustrating environments of use, and form no part of the claimed design; and,

FIG. 3 is a top plan view of the time display for a timepiece or computer screen, showing the new design in an environment of use.

1 Claim, 3 Drawing Sheets
