(57) **CLAIM**

The ornamental design for a textured cleaning cloth, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of the top side of the textured cleaning cloth with sections of contrasting texture being illustrated with different shading and sections of similar texture being illustrated with like shading, and all sections being of a uniform color;

FIG. 2 is a top plan view of the textured cleaning cloth with contrasting textures illustrated with different shading and similar textures illustrated with like shading and all sections having a uniform color;

FIG. 3 is a left side view of the textured cleaning cloth illustrated in FIG. 1;

FIG. 4 is a bottom plan view of the textured cleaning cloth with all sections having a uniform color and contrasting textures not being claimed for the bottom;

FIG. 5 is right side view of the textured cleaning cloth illustrated in FIG. 1; and,

FIG. 6 is a front view of the textured cleaning cloth illustrated in FIG. 1.

The shading in the drawings is used to show contrasting and similar textures, with like textured sections having like shading and contrasting textured sections having contrasting shading and, each of the sections having a uniform color compared to each other.
