**CLAIM**

The ornamental design for an L-shaped key holder with a head end and a whistle end, as shown and described.

**DESCRIPTION**

FIG. 1 is a left side perspective view of the L-shaped key holder with a head end and a whistle end;

FIG. 2 is a right side perspective view of the L-shaped key holder with a head end and a whistle end;

FIG. 3 is a top view of the L-shaped key holder with a head end and a whistle end;

FIG. 4 is a bottom view of the L-shaped key holder with a head end and a whistle end;

FIG. 5 is a front view of the L-shaped key holder with a head end and a whistle end;

FIG. 6 is a back view of the L-shaped key holder with a head end and a whistle end;

FIG. 7 is a left side view of the L-shaped key holder with a head end and a whistle end; and,

FIG. 8 is a right side view of the L-shaped key holder with a head end and a whistle end.

The broken lines shown in this embodiment are included for the purposes of illustrating environmental matter and form no part of the claimed design.
