(57) **CLAIM**

The ornamental design for an absorbent article material with surface indicia, as shown and described.

DESCRIPTION

The sole FIGURE is a top view of an absorbent article material with surface indicia.

The broken lines shown are for illustrative purposes only and form no part of the claimed design.

The stitch-like line is part of the surface indicia applied to a material included as part of an absorbent article and does form a part of the claimed design.
