(57) **CLAIM**

We claim the ornamental design for a stopper clip, as shown and described.

DESCRIPTION

This is related to two copending U.S. patent applications, both entitled Stopper Clip, both filed on the same date as this application, having Ser. No. 29/376,048 and Ser. No. 29/376,049, the applications having a common assignee, the disclosures of which are incorporated by reference.

FIG. 1 is a front, right side, top perspective view of a stopper clip in a close position showing our new design;

FIG. 2 is a top plan view thereof;

FIG. 3 is a front elevational view thereof;

FIG. 4 is a right side elevational view thereof;

FIG. 5 is a rear elevational view thereof;

FIG. 6 is a left side elevational view thereof;

FIG. 7 is a bottom plan view thereof;

FIG. 8 shows is a front, right side, top perspective view of the bracelet stopper clip shown in an open position; and,

FIG. 9 is an environmental view illustrating the use of the stopper clip of FIG. 1 mounted to a bracelet and used to position charms along the bracelet.

The broken line showing of the bracelet is for the purpose of showing environment and forms no part of the claimed design.

The bracelet stopper clip is used to position charms along a bracelet as illustrated in FIG. 9.
