Primary Examiner — Austin Murphy

(57) **CLAIM**

The ornamental design for a compressor pad, as shown and described.

DESCRIPTION

FIG. **1** is a perspective view of a compressor pad attached to a glue stick.

FIG. **2** is a top view of the compressor pad with the tongue element shown detached for convenience of illustration.

FIG. **3** is the bottom view of FIG. **2**;

FIG. **4** is a front view of FIG. **2**;

FIG. **5** is the rear view of FIG. **2**; and,

FIG. **6** is a side view of FIG. **2**.

The broken lines shown in FIG. **1** represent portions of the glue stick that form no part of the claimed design. The non-uniform stippling shown on the compressor pad in FIGS. **1**, **2**, **4**, **5**, and **6** represents a cloth/felt surface texture. The uniform stippling shown in FIG. **3** represents an adhesive surface on the bottom portion of the compressor pad.
