(57) **CLAIM**

The ornamental design for a shirt, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a shirt showing my new design, showing the two halves of the shirt joined together; FIG. 2 is another front perspective view thereof; FIG. 3 is a front perspective view thereof, showing the two halves of the shirt completely separated; FIG. 4 is another front perspective view thereof; FIG. 5 is a front perspective view of a shirt, showing a second embodiment of the design, the two halves of the shirt shown joined together; and, FIG. 6 is another front perspective view thereof. The broken lines shown throughout the views represent the portions of the design, which form no part of the claim.
