(57) **CLAIM**

We claim the ornamental design for tapered latch receiver for a tow bar, as shown and described.

DESCRIPTION

FIG. 1 is a perspective side view of a tapered latch receiver for a tow bar showing our new design;
FIG. 2 is a side elevational view thereof, the elevational view of the opposing side being identical thereto;
FIG. 3 is an end elevational view thereof, the elevational view of the opposing end being identical thereto;
FIG. 4 is a top plan view thereof;
FIG. 5 is a bottom plan view thereof; and,
FIG. 6 is a reduced side elevational view showing the tapered latch receiver for a tow bar in use.

The broken lines in the drawings depict unclaimed environmental subject matter.
