DESCRIPTION

FIG. 1 is a front view of an automobile tire, showing the new design;

FIG. 2 is a rear view of the automobile tire;

FIG. 3 is a top plan view of the automobile tire;

FIG. 4 is a bottom plan view of the automobile tire;

FIG. 5 is a left side view of the automobile tire;

FIG. 6 is a right side view of the automobile tire;

FIG. 7 is a left side perspective view of the automobile tire;

FIG. 8 is a right side perspective view of the automobile tire;

FIG. 9 is a partial front elevational view of the automobile tire, shown at an enlarged scale;

FIG. 10 is a cross-section view of the automobile tire, taken along line 10-10 of FIG. 1; and,

FIG. 11 is a partial front elevational view of the automobile tire, with grooves shown in black.

The evenly-spaced broken lines shown in the drawings are for the purpose of showing environmental structure only and form no part of the claimed design. The dashed-dotted broken lines in the drawings are used to show the boundary between claimed and unclaimed subject matter and form no part of the claimed design.
