(57) **CLAIM**

I claim the ornamental design for a carrier for a disk brake
rotor, as shown and described.

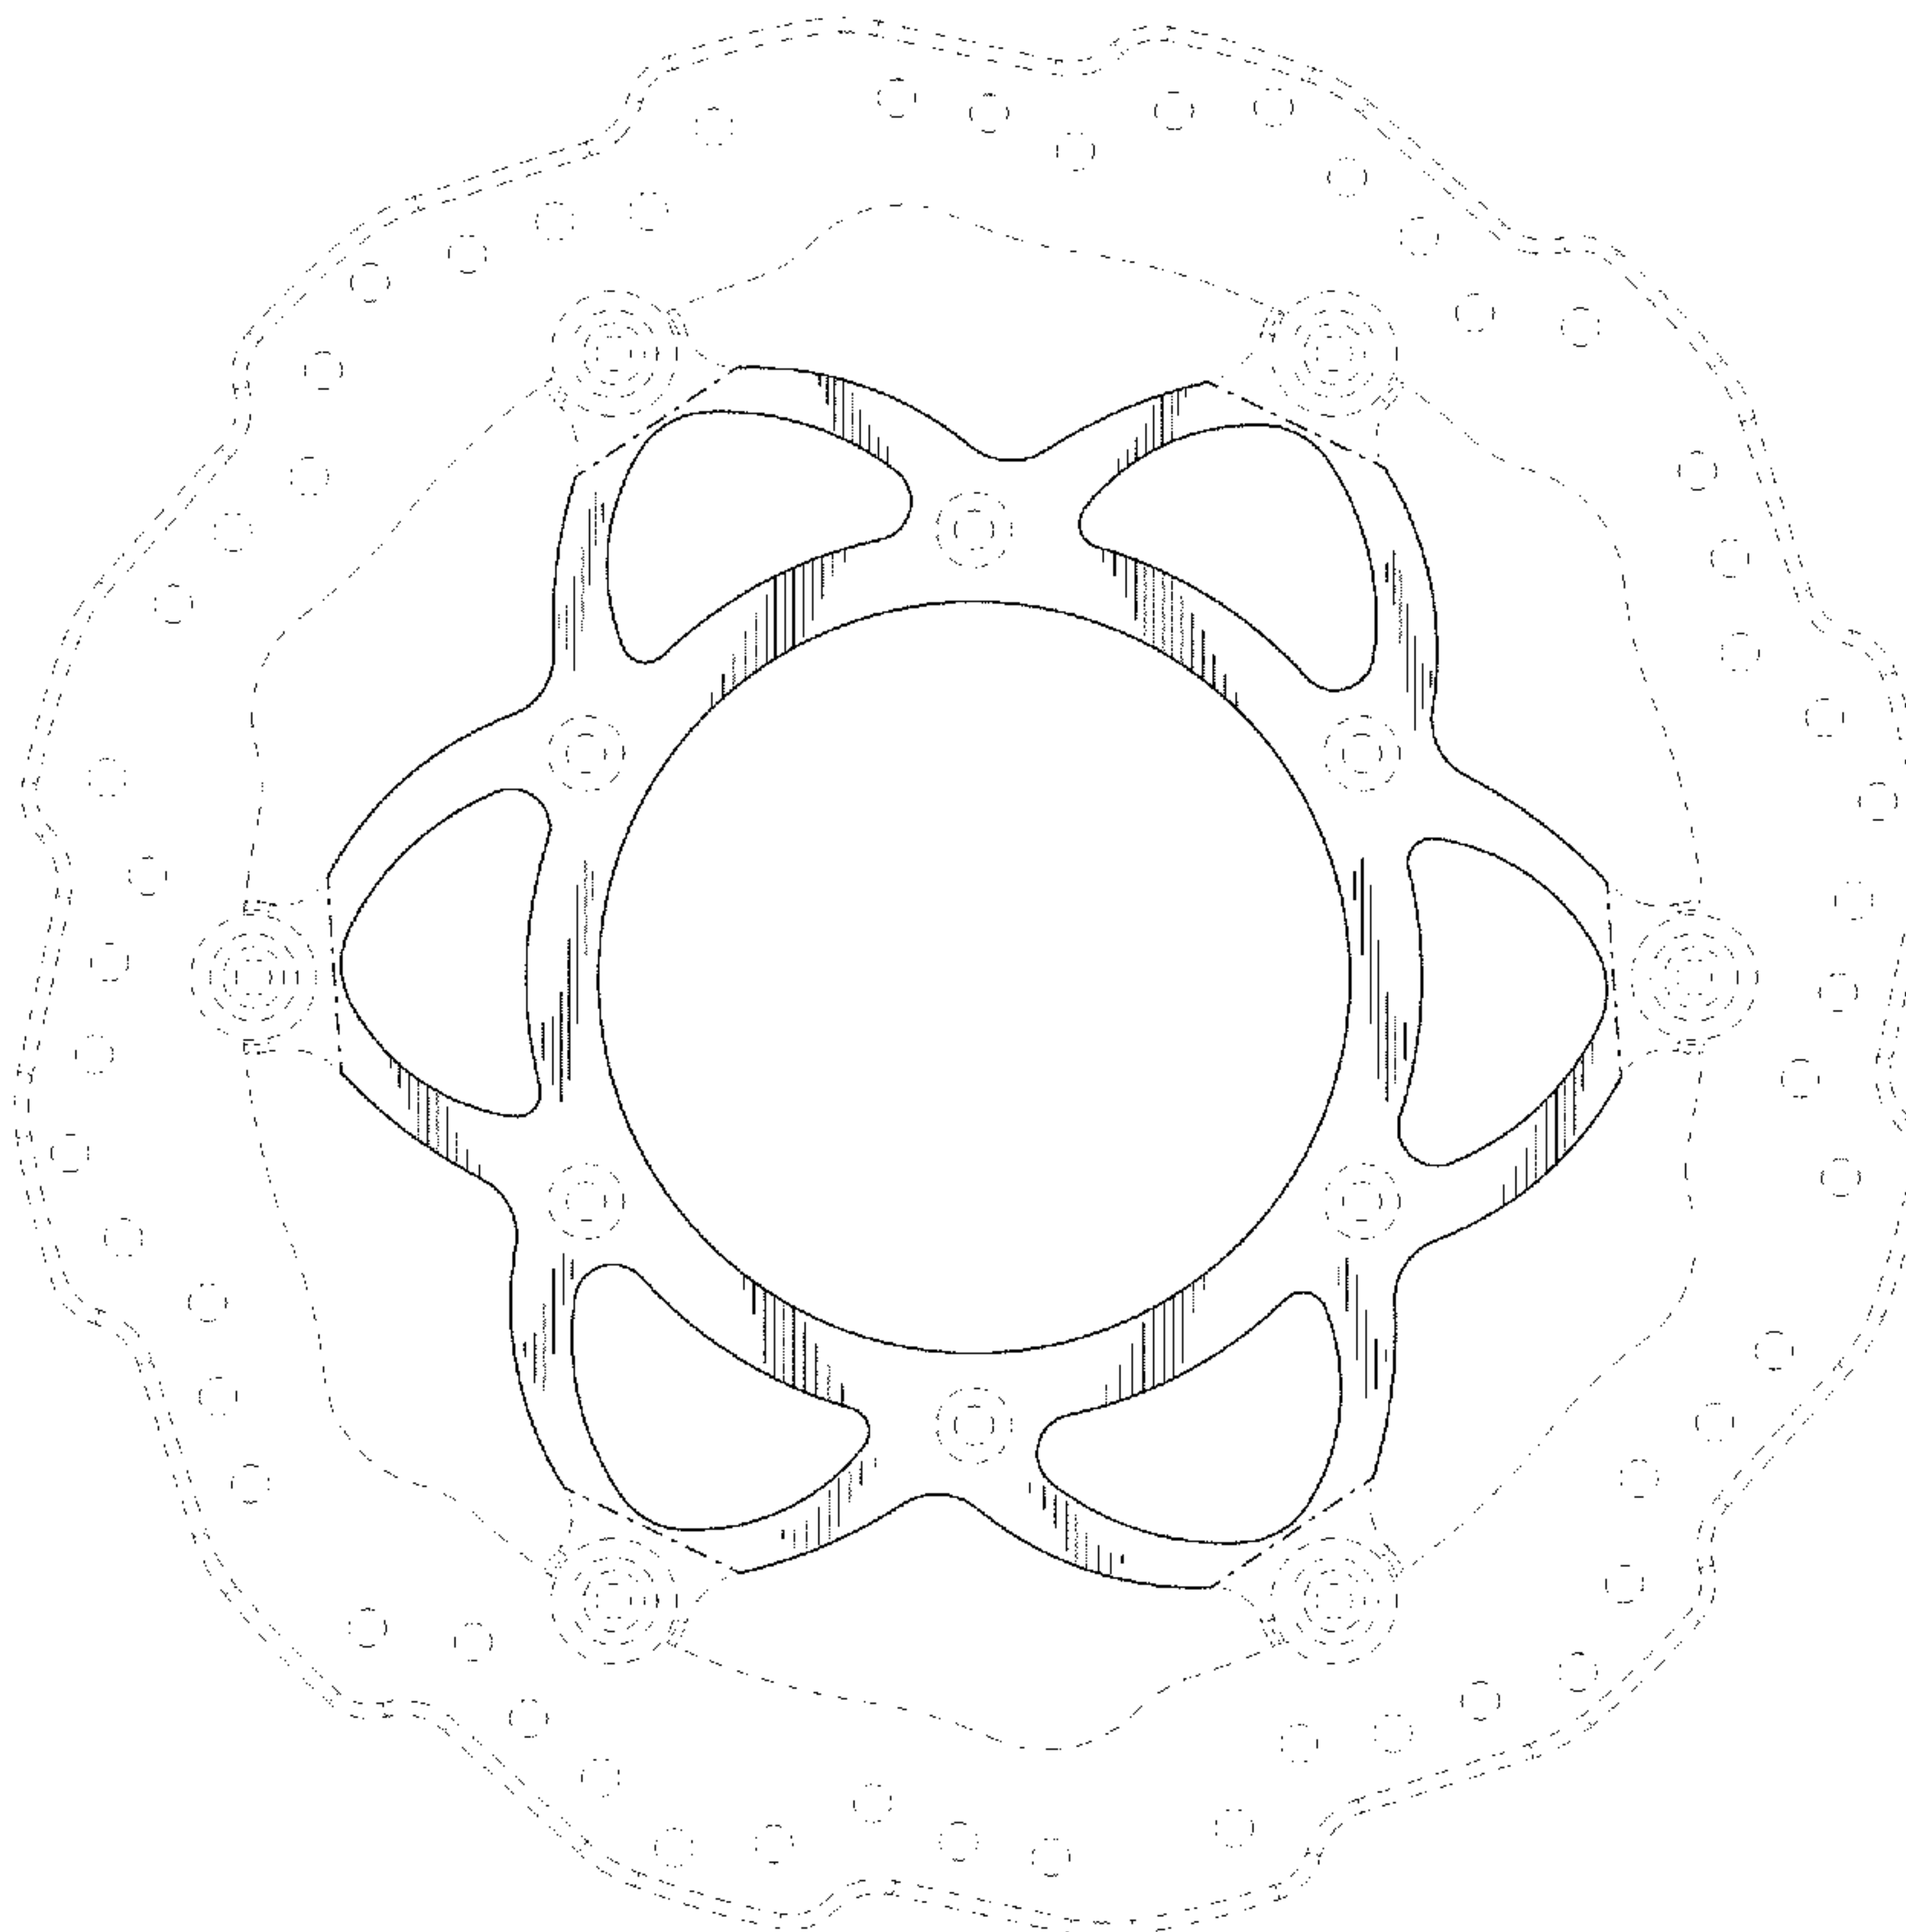

DESCRIPTION

FIG. 1 is a perspective view of a carrier for a disk brake rotor;
and,

FIG. 2 is a front view of the carrier for a disk brake rotor
shown in FIG. 1.

The broken line showing of the environment is for illustrative
purposes only and forms no part of the claimed designs. The
rear view of the carrier for a disk brake rotor is a mirror image
of the front view. The left, right, top and bottom views of the
carrier for a disk brake rotor are not visible in its normal and
intended use, and thus those views have been omitted.

1 Claim, 2 Drawing Sheets

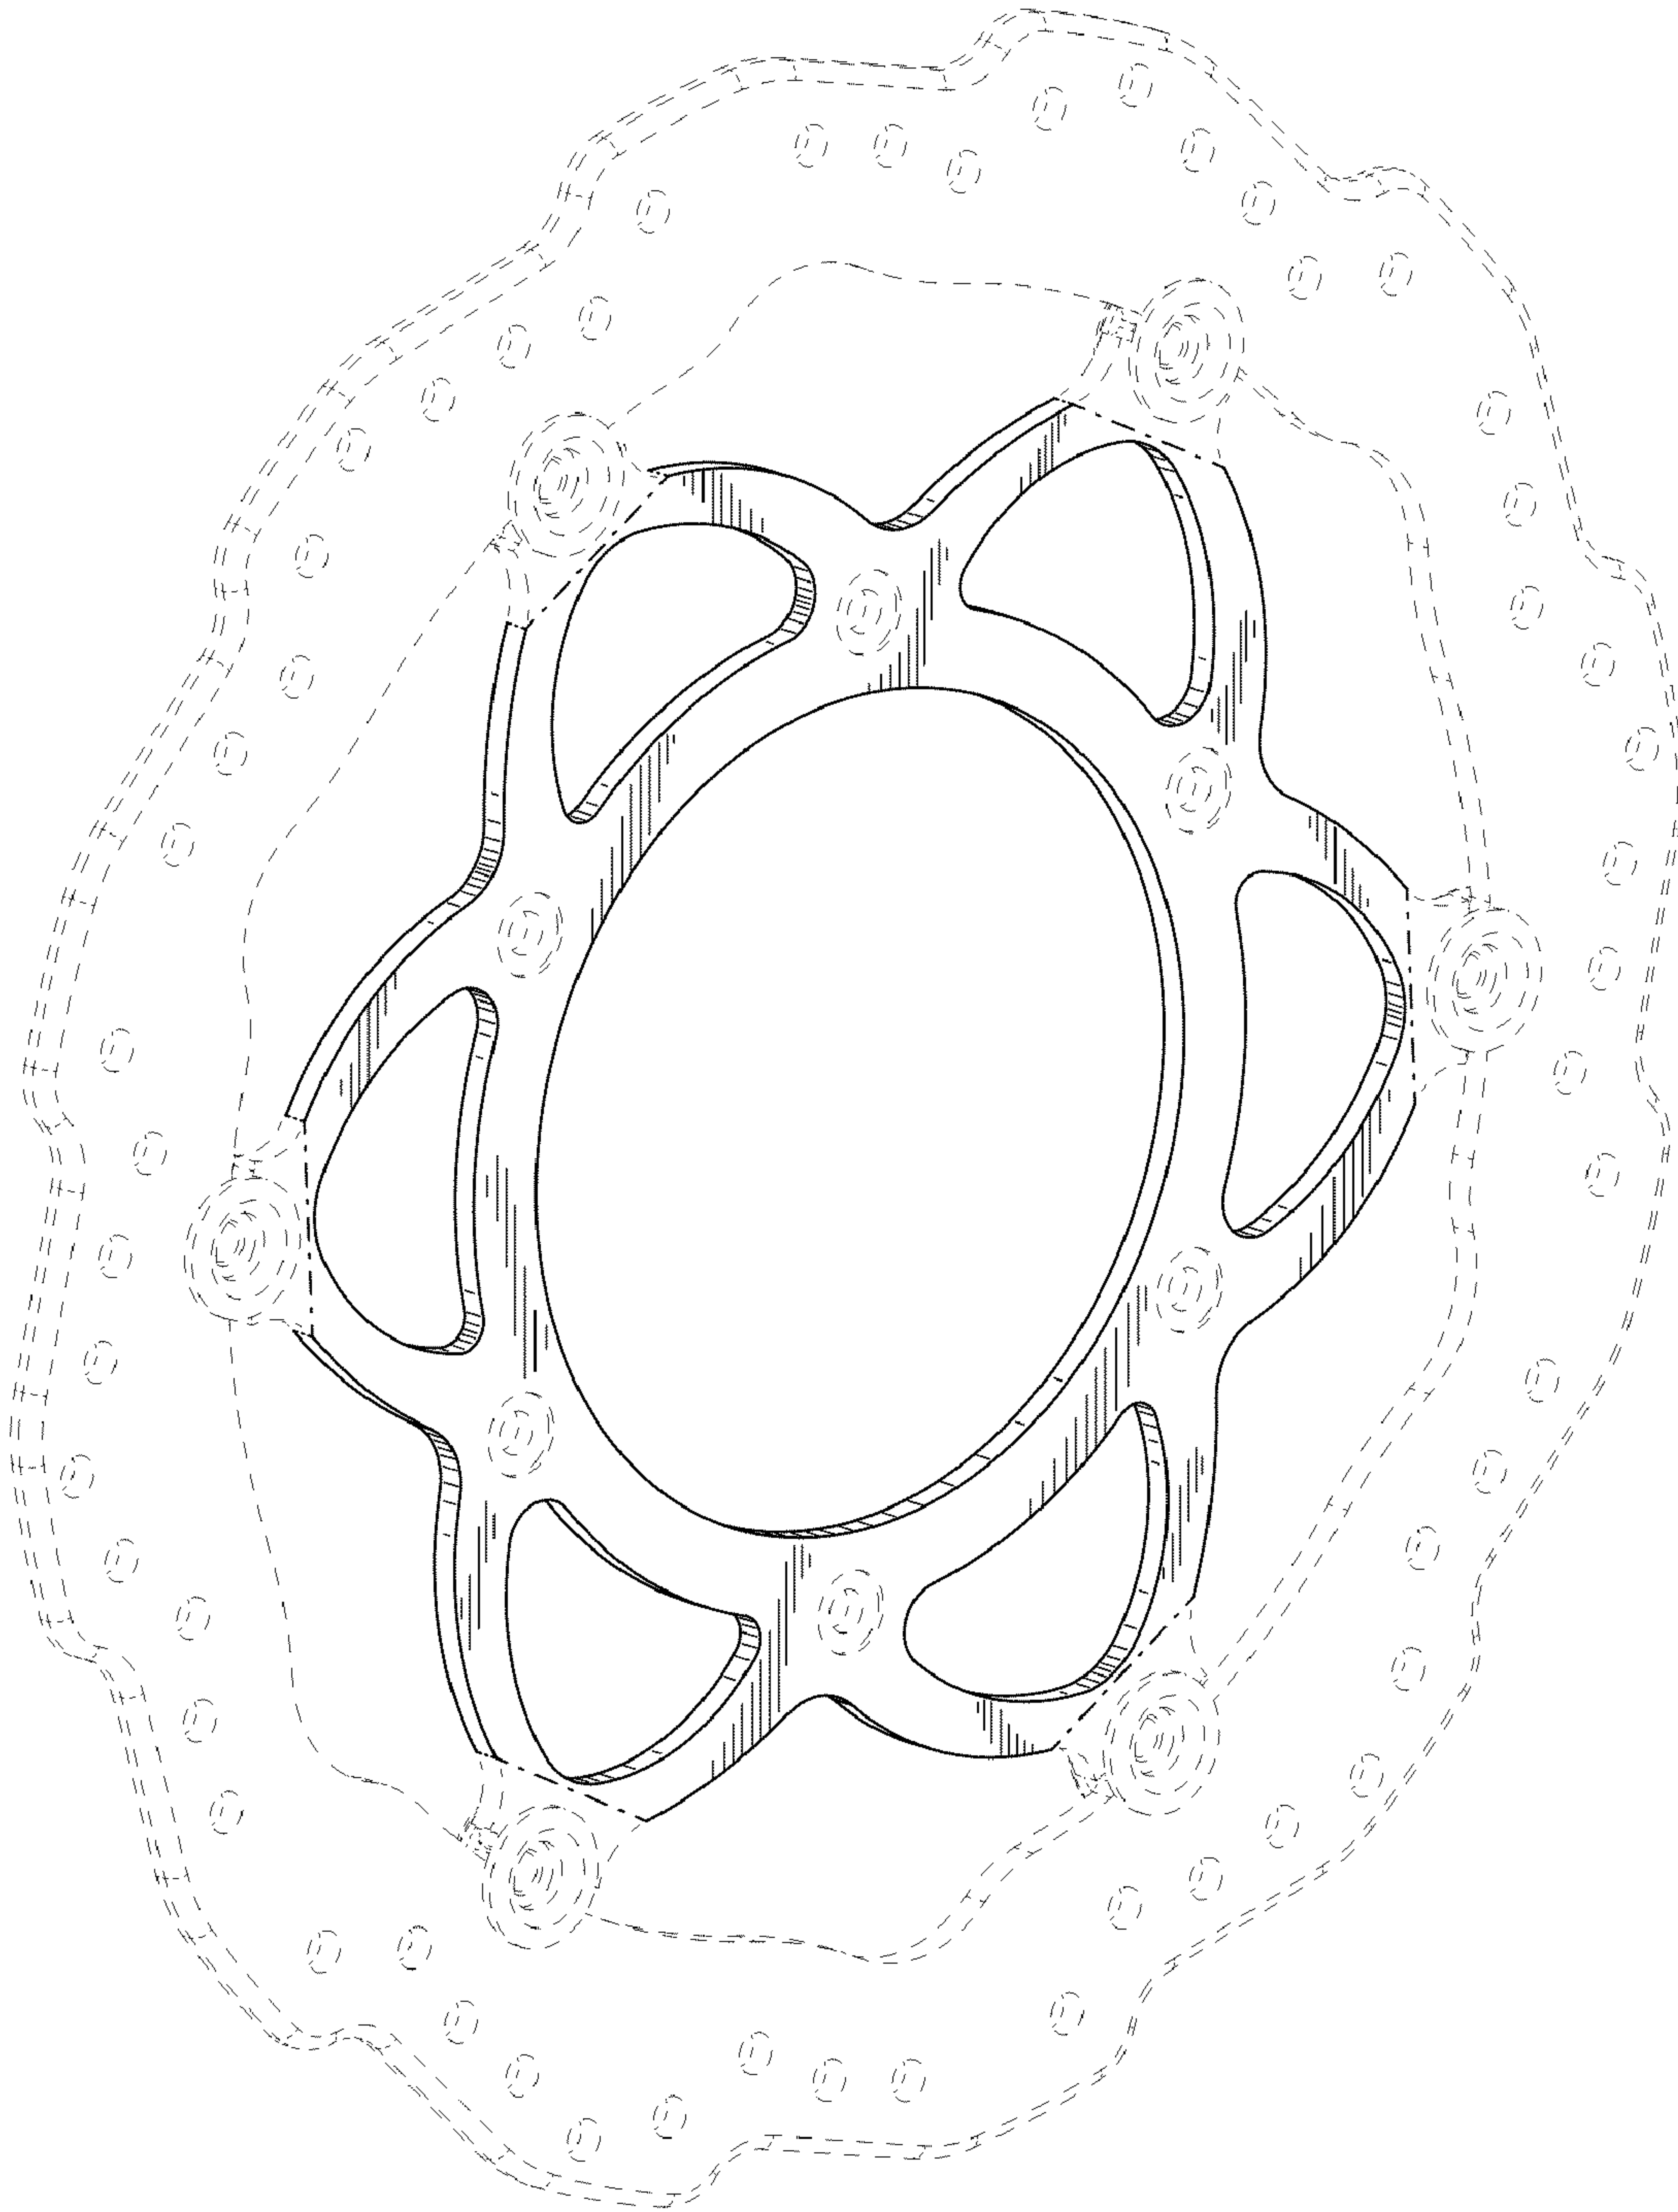

FIG. 1

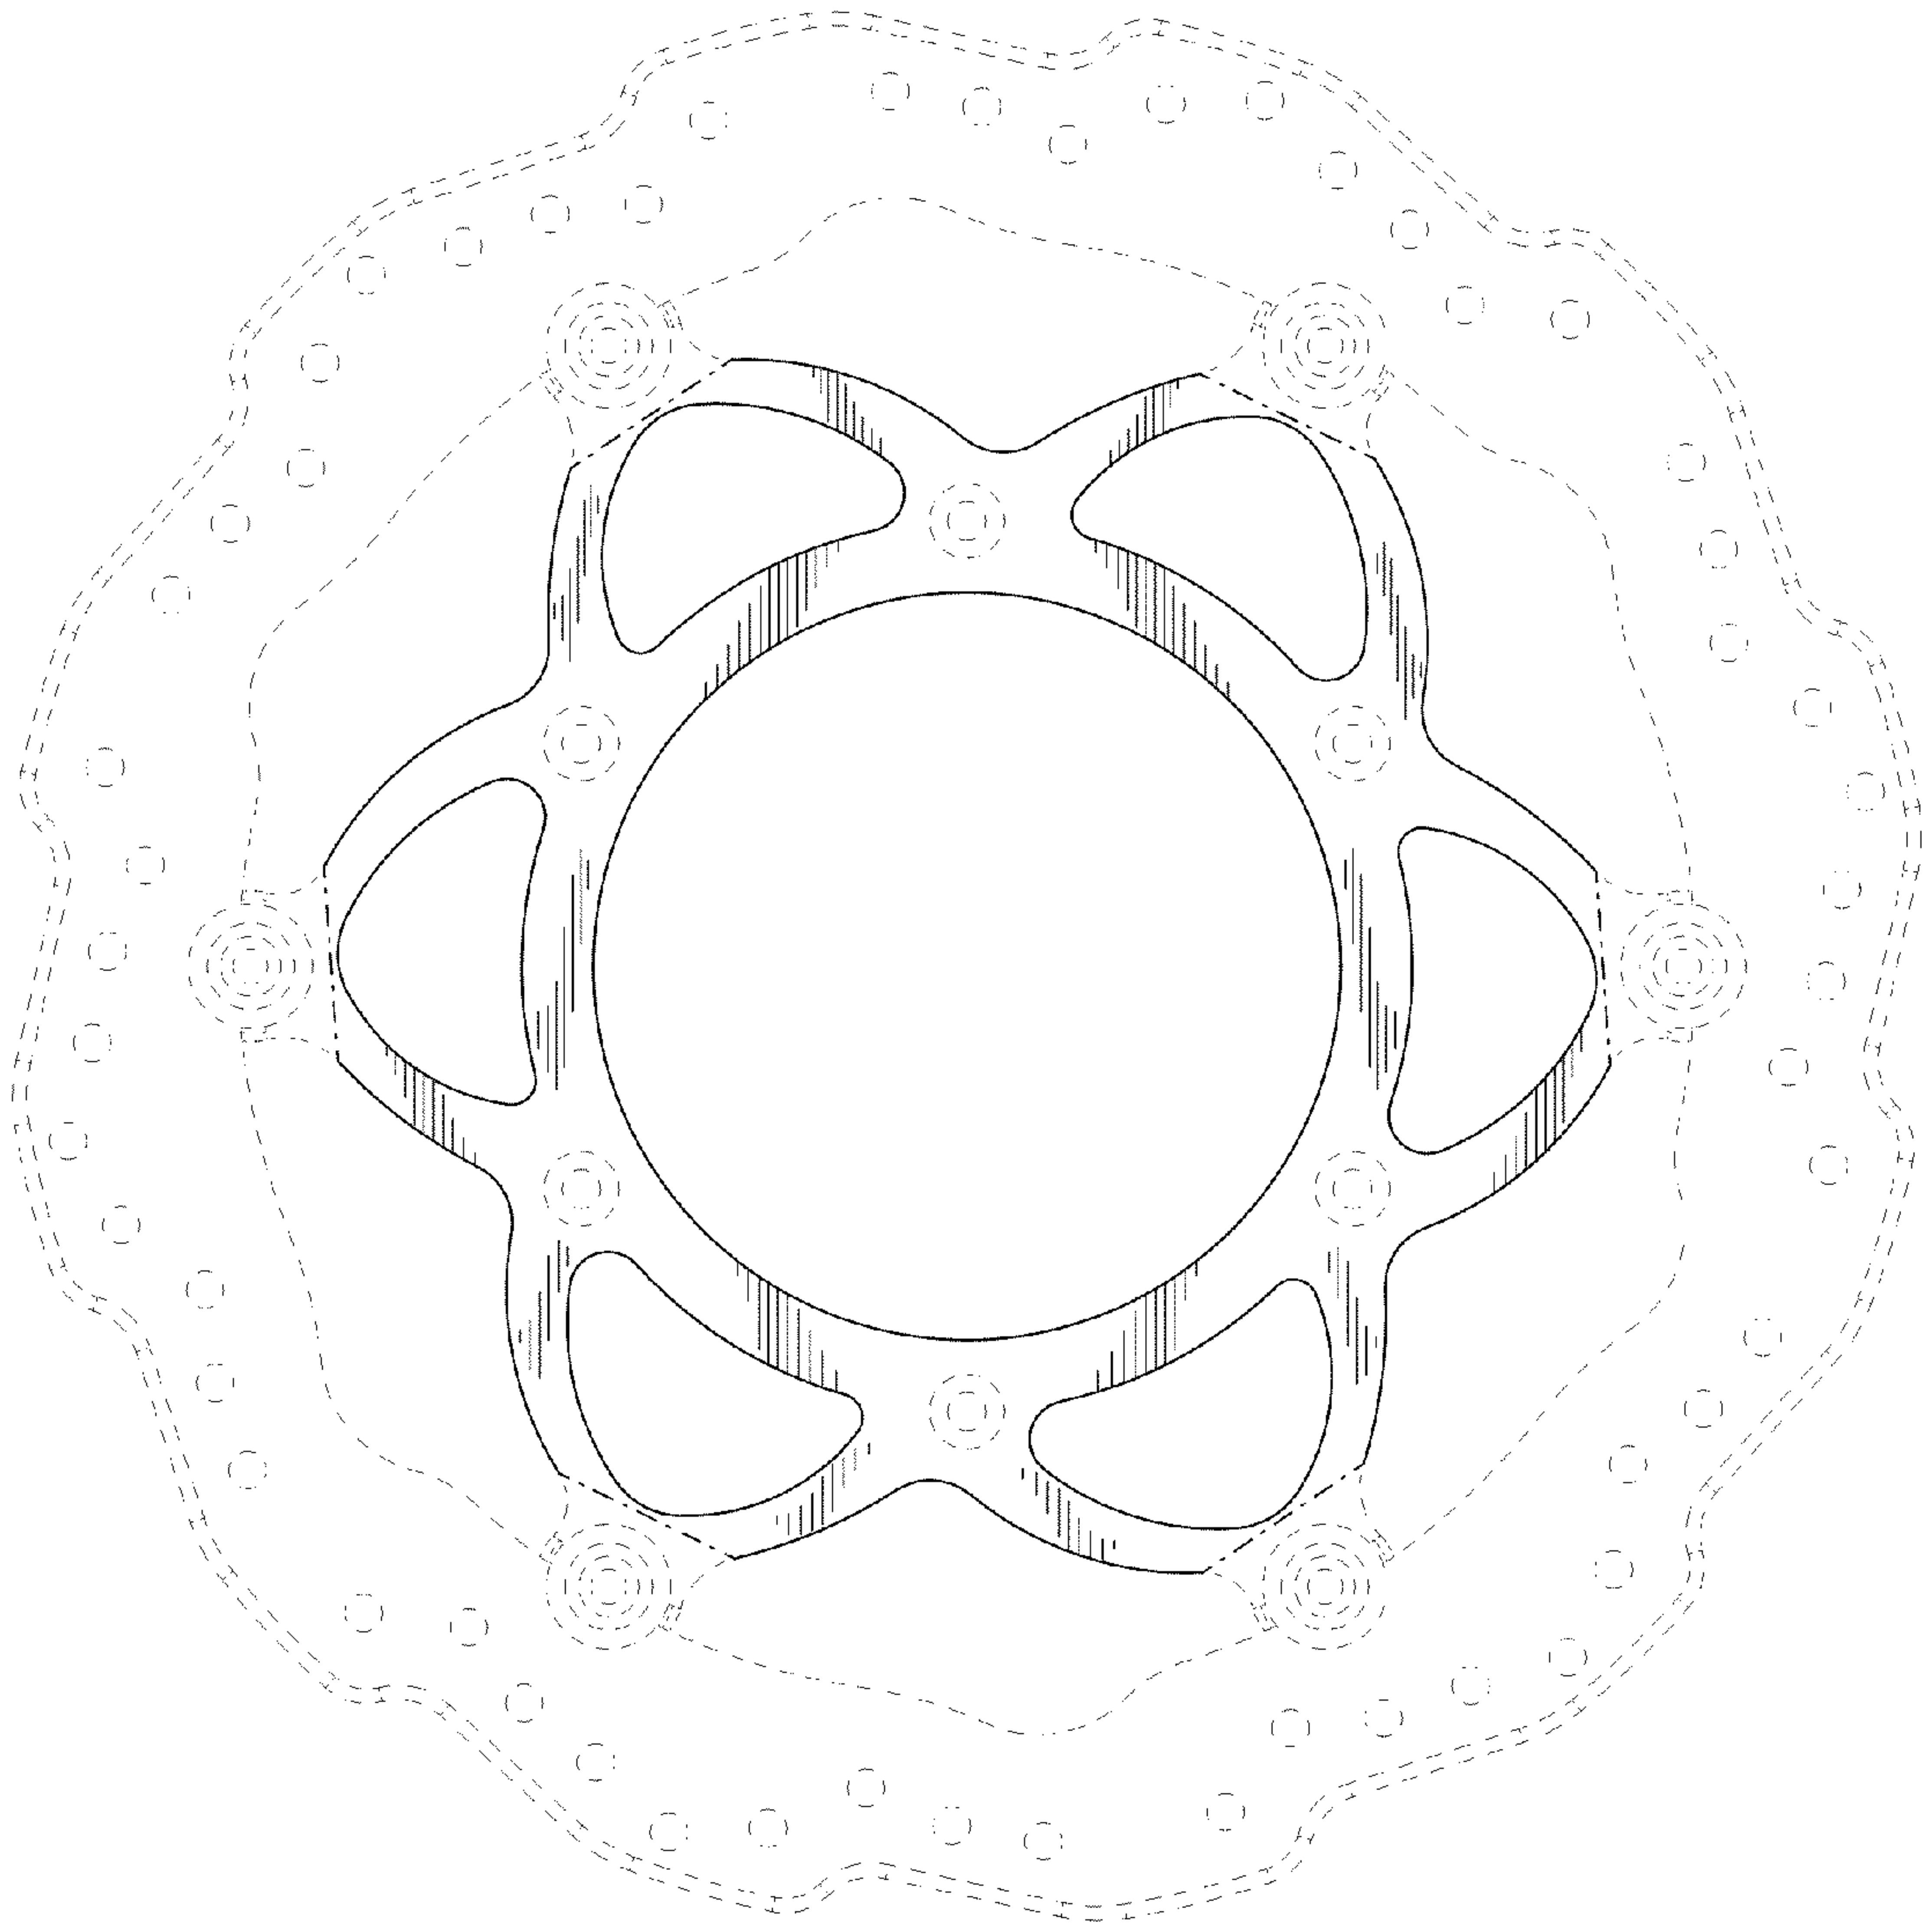

FIG. 2
