(57) **CLAIM**

The ornamental design for a display screen with an icon comprising a position indicator with a glowing perimeter, as shown and described.

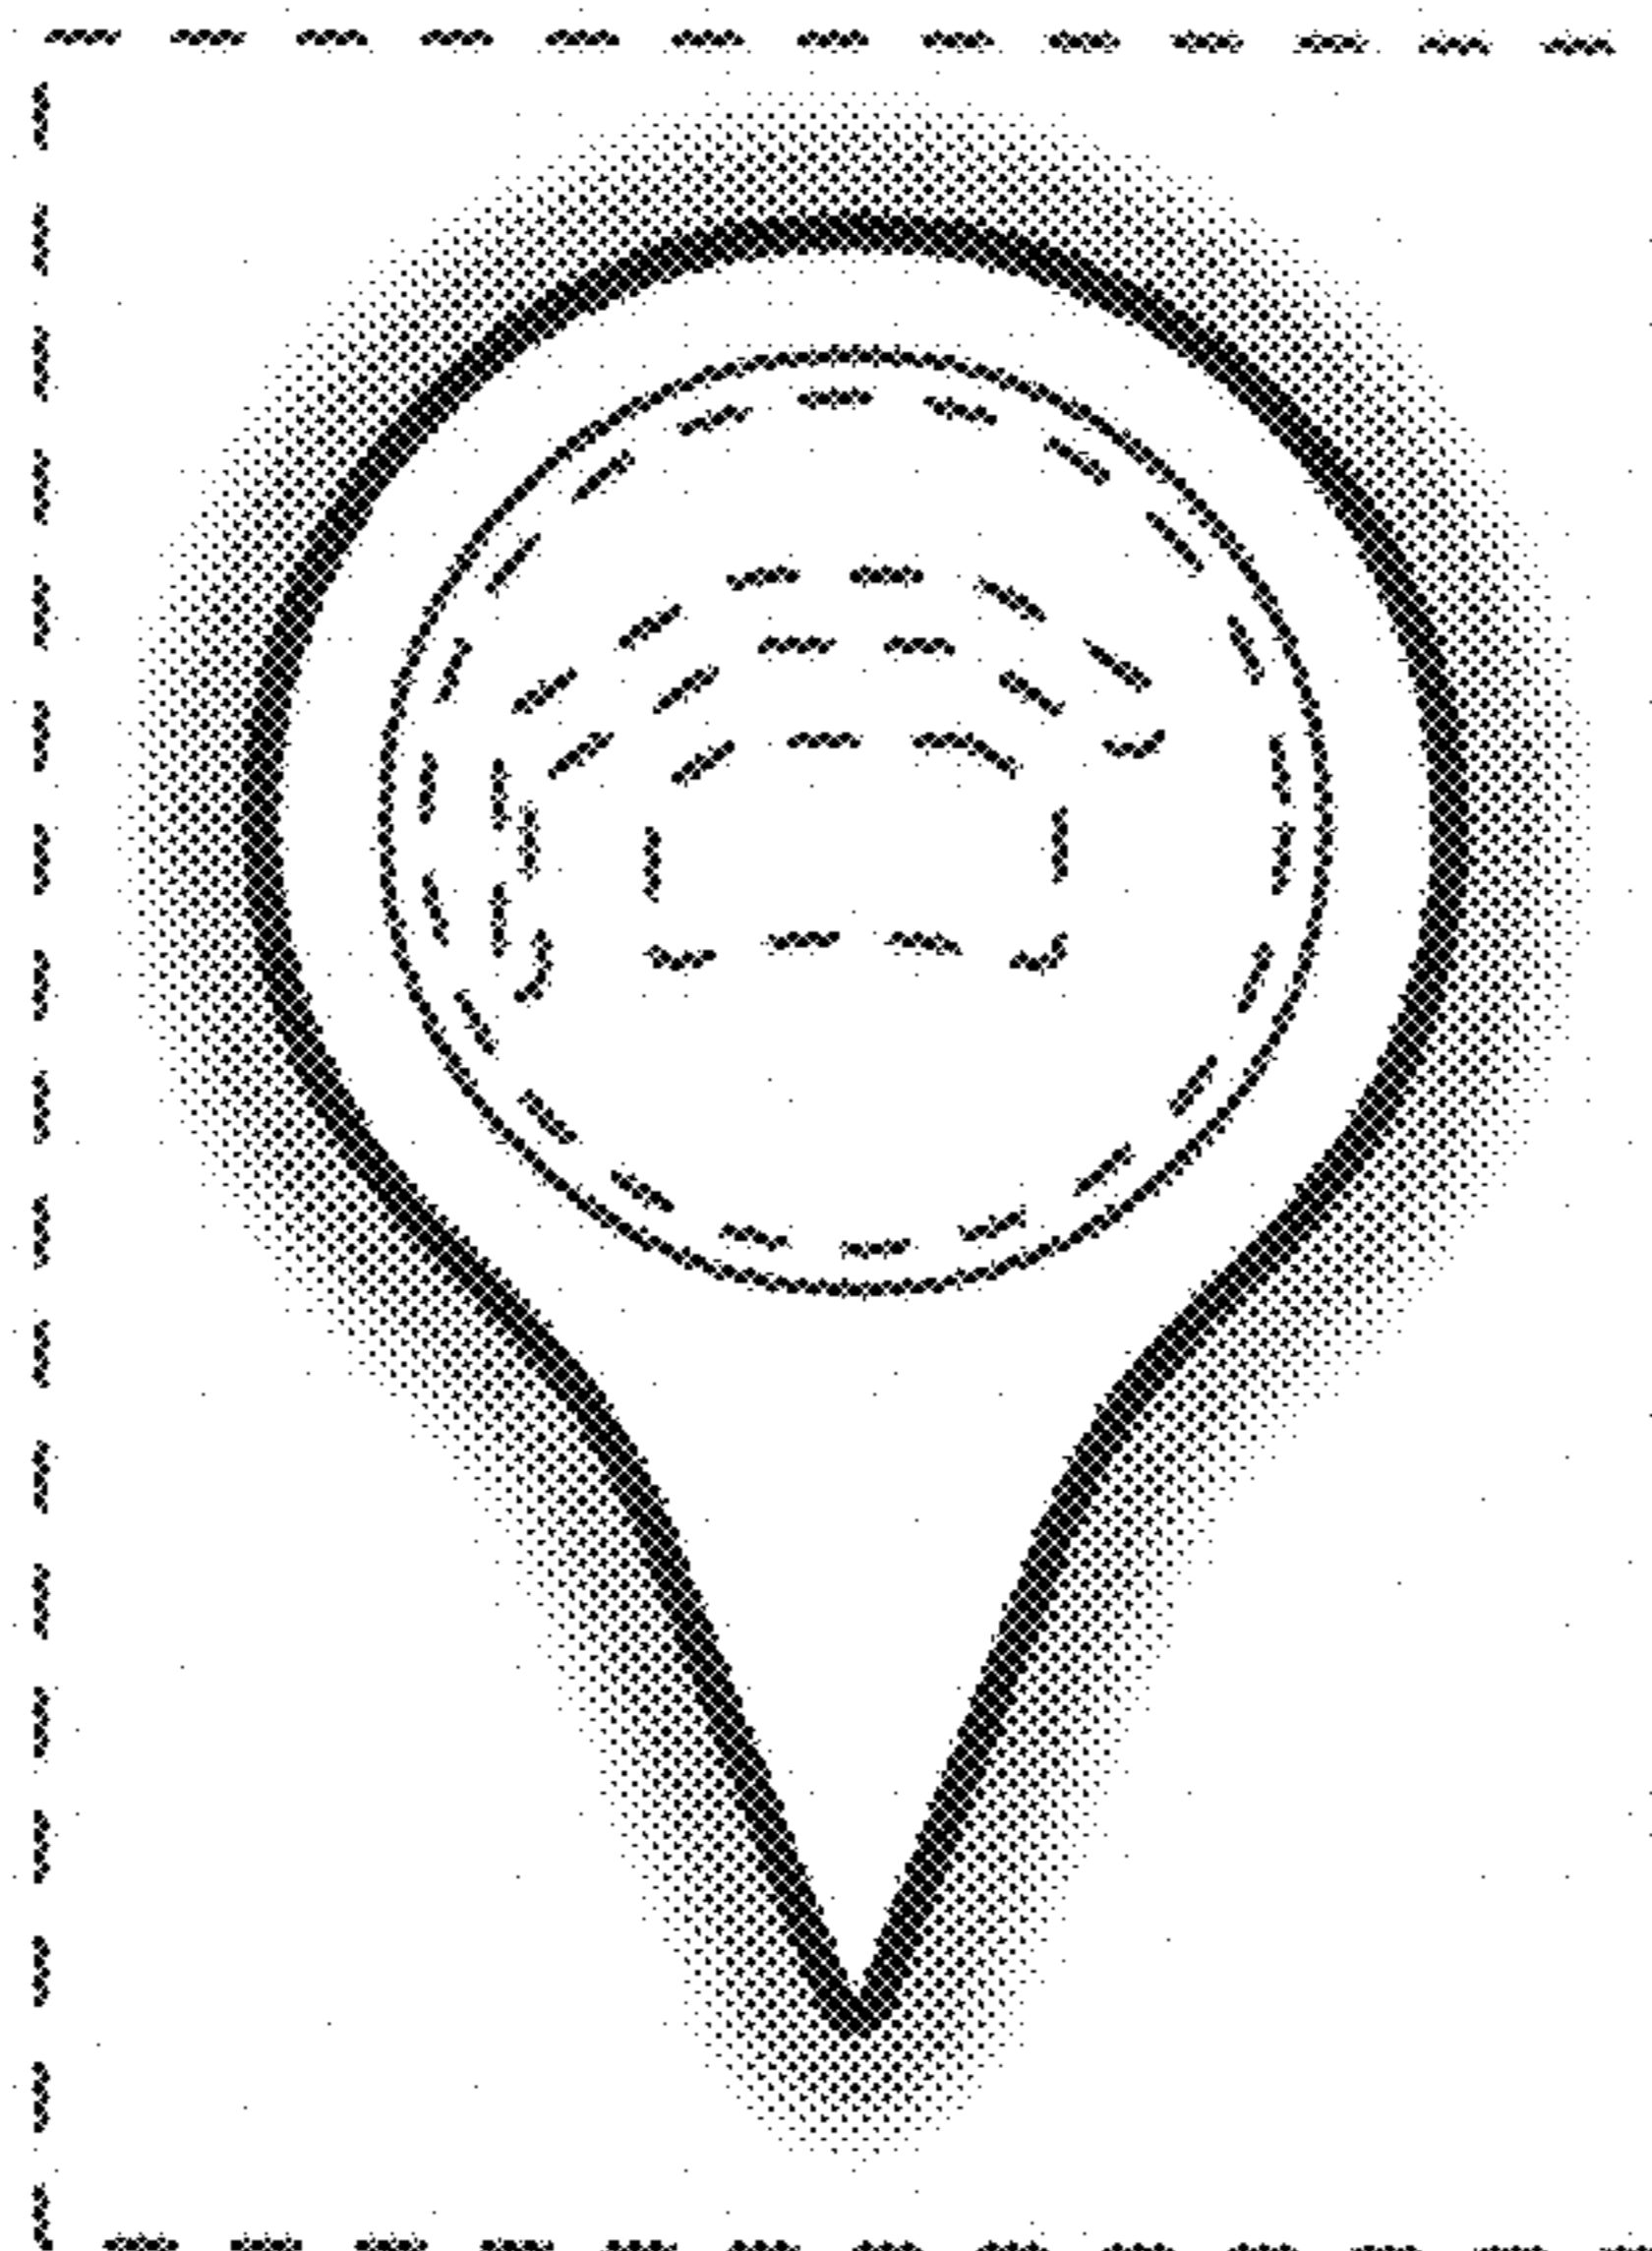

**DESCRIPTION**

The file of this patent contains a drawing executed in color. Copies of this patent with color drawing will be provided by the Office upon request and payment of the necessary fee.

The FIGURE is a front view of a display screen with an icon comprising a position indicator with a glowing perimeter showing the new design.

The broken line showings of a circle and the image within the circle are for environmental purposes only and form no part of the claimed design. The broken line showing of the display screen is for environmental purposes only and forms no part of the claimed design.
