(57) **CLAIM**

The ornamental design for an angled jewelry clasp, as shown and described.

**DESCRIPTION**

FIG. 1 is a top, front perspective view of the angled jewelry clasp, in an open position, with a portion of unclaimed environmental structure shown;

FIG. 2 is a top, front perspective view of the angled jewelry clasp, in a closed position, with a portion of unclaimed environmental structure shown;

FIG. 3 is a side view of the angled jewelry clasp, in a closed position;

FIG. 4 is an opposite side view of the angled jewelry clasp, in a closed position;

FIG. 5 is a front view of the angled jewelry clasp, in a closed position;

FIG. 6 is a rear view of the angled jewelry clasp, in a closed position;

FIG. 7 is top view of the angled jewelry clasp, in a closed position, with a portion of unclaimed environmental structure shown;

FIG. 8 is a bottom view of the angled jewelry clasp, in a closed position, with a portion of unclaimed environmental structure shown;

FIG. 9 is a bottom, front perspective view of the angled jewelry clasp, in an open position, with a portion of unclaimed environmental structure shown; and,

FIG. 10 is a side view of the angled jewelry clasp, in an open position, with a portion of unclaimed environmental structure shown.

The broken lines shown in the drawings represent environmental structure and/or unclaimed portions of the angled jewelry clasp, and form no part of the claimed design.
