2005/0108643 A1\* 5/2005 Schybergson et al. .... 715/713

The sole FIGURE shows a front view of my new design for a graphical user interface for a computer display.

The dashed broken lines are for the purpose of illustrating portions of a computer display and window for displaying the graphical user interface and the unclaimed features within the window, and the dot-dash broken line represents an unclaimed boundary; the broken lines form no part of the claimed design.
