(57) **CLAIM**

The ornamental design for a display screen with a green position indicator icon, as shown and described.

DESCRIPTION

The file of this patent contains a drawing executed in color. Copies of this patent with color drawing will be provided by the Office upon request and payment of the necessary fee. The FIGURE is a front view of a display screen with a green position indicator icon showing the new design. The broken line showing of the display screen is for environmental purposes only and forms no part of the claimed design.
