(57) **CLAIM**

The ornamental design for a handle, as shown and described.

**DESCRIPTION**

FIG. 1 is a right, top, front perspective view of a handle embodying our new design;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a top plan view thereof;

FIG. 4 is a bottom plan view thereof;

FIG. 5 is a right side elevational view thereof;

FIG. 6 is a left side elevational view thereof;

FIG. 7 is a rear elevational view thereof; and,

FIG. 8 is a left, top, front perspective view of a handle according to another embodiment of our new design, the front, top, bottom, right side, left side, and rear views thereof being mirror images of the views shown in FIGS. 2-7.

The dash-dash broken lines in FIGS. 1 and 3-8 are for the purpose of illustrating unclaimed surfaces or environment of the design. The dot-dash-dot broken lines in FIG. 7 define unclaimed boundaries of the design. The broken lines are thus not part of the claim.

The nature of this product is as a handle, for example a trip lever handle for a toilet.
