(57) **CLAIM**

The ornamental design for a tree mount for game cameras and the like, as shown and described.

**DESCRIPTION**

FIG. 1 is a top, side and front perspective view of the tree mount;

FIG. 2 is a rear elevational view;

FIG. 3 is a left side elevational view, said right side elevational view being identical to the left side elevational view;

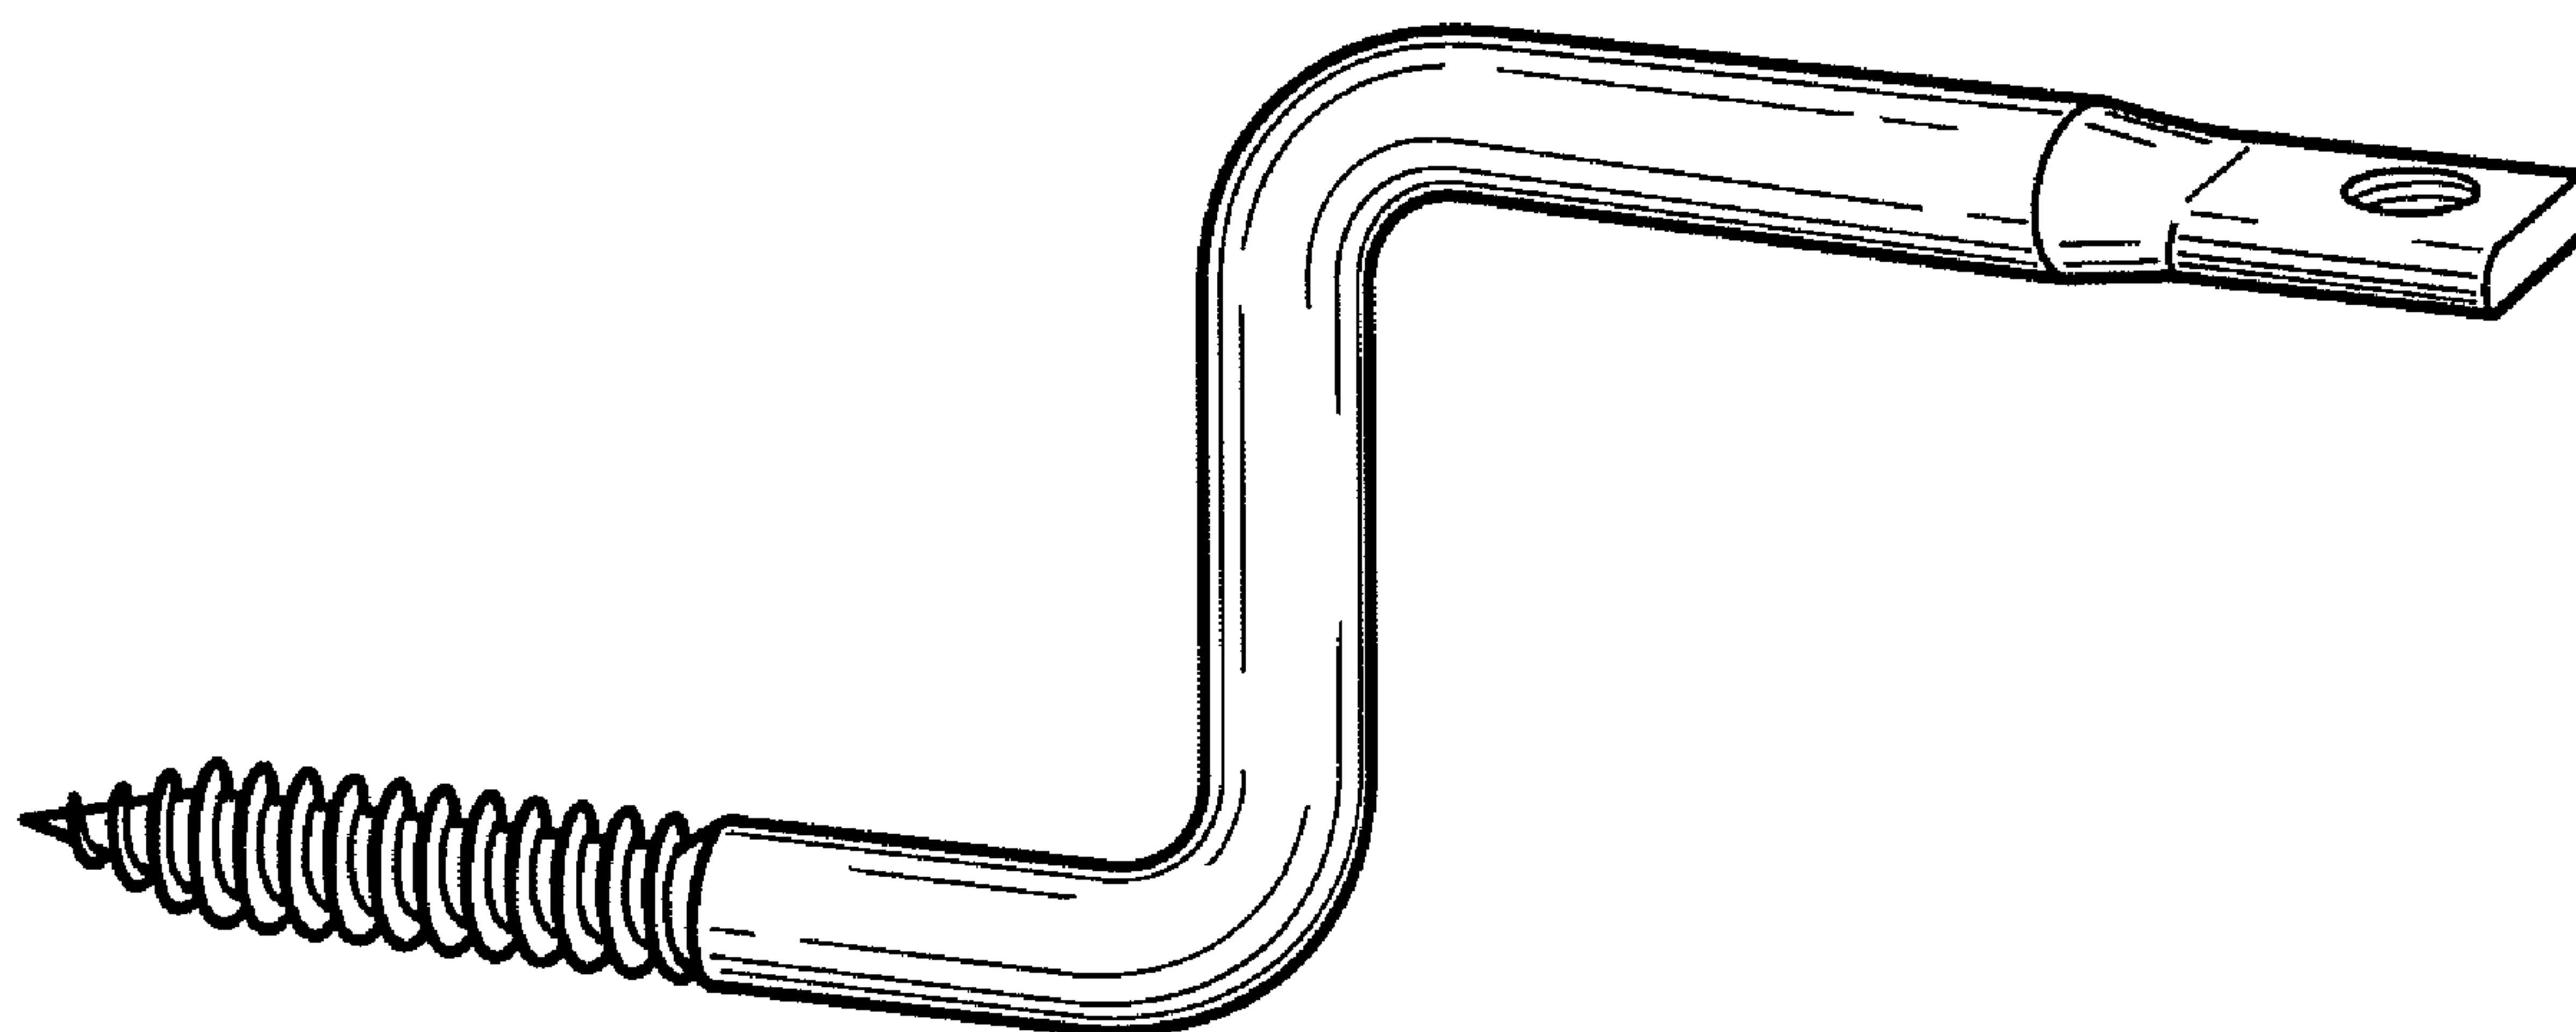

FIG. 4 is a front elevational view;

FIG. 5 is a top plan view;

FIG. 6 is a bottom view; and,

FIG. 7 is a perspective view thereof. The broken line showing of the camera and connector depicts environmental elements and forms no part of the claimed design.
