The ornamental design for a vehicle lamp reflector with an applied pattern of reflected lights, as shown and described.

(58) **Field of Classification Search** D26/28-36,

DESCRIPTION

D26/139; 362/459-468, 475-478, 485-487

The sole FIGURE is a view of a vehicle lamp reflector with an applied pattern of reflected lights showing my new design. The pattern of light is centered around a central perpendicular axis. The broken line showing of a front portion of a lamp reflector and a central source of the reflected light are included for illustrative environmental purposes only and form no part of the claimed design.

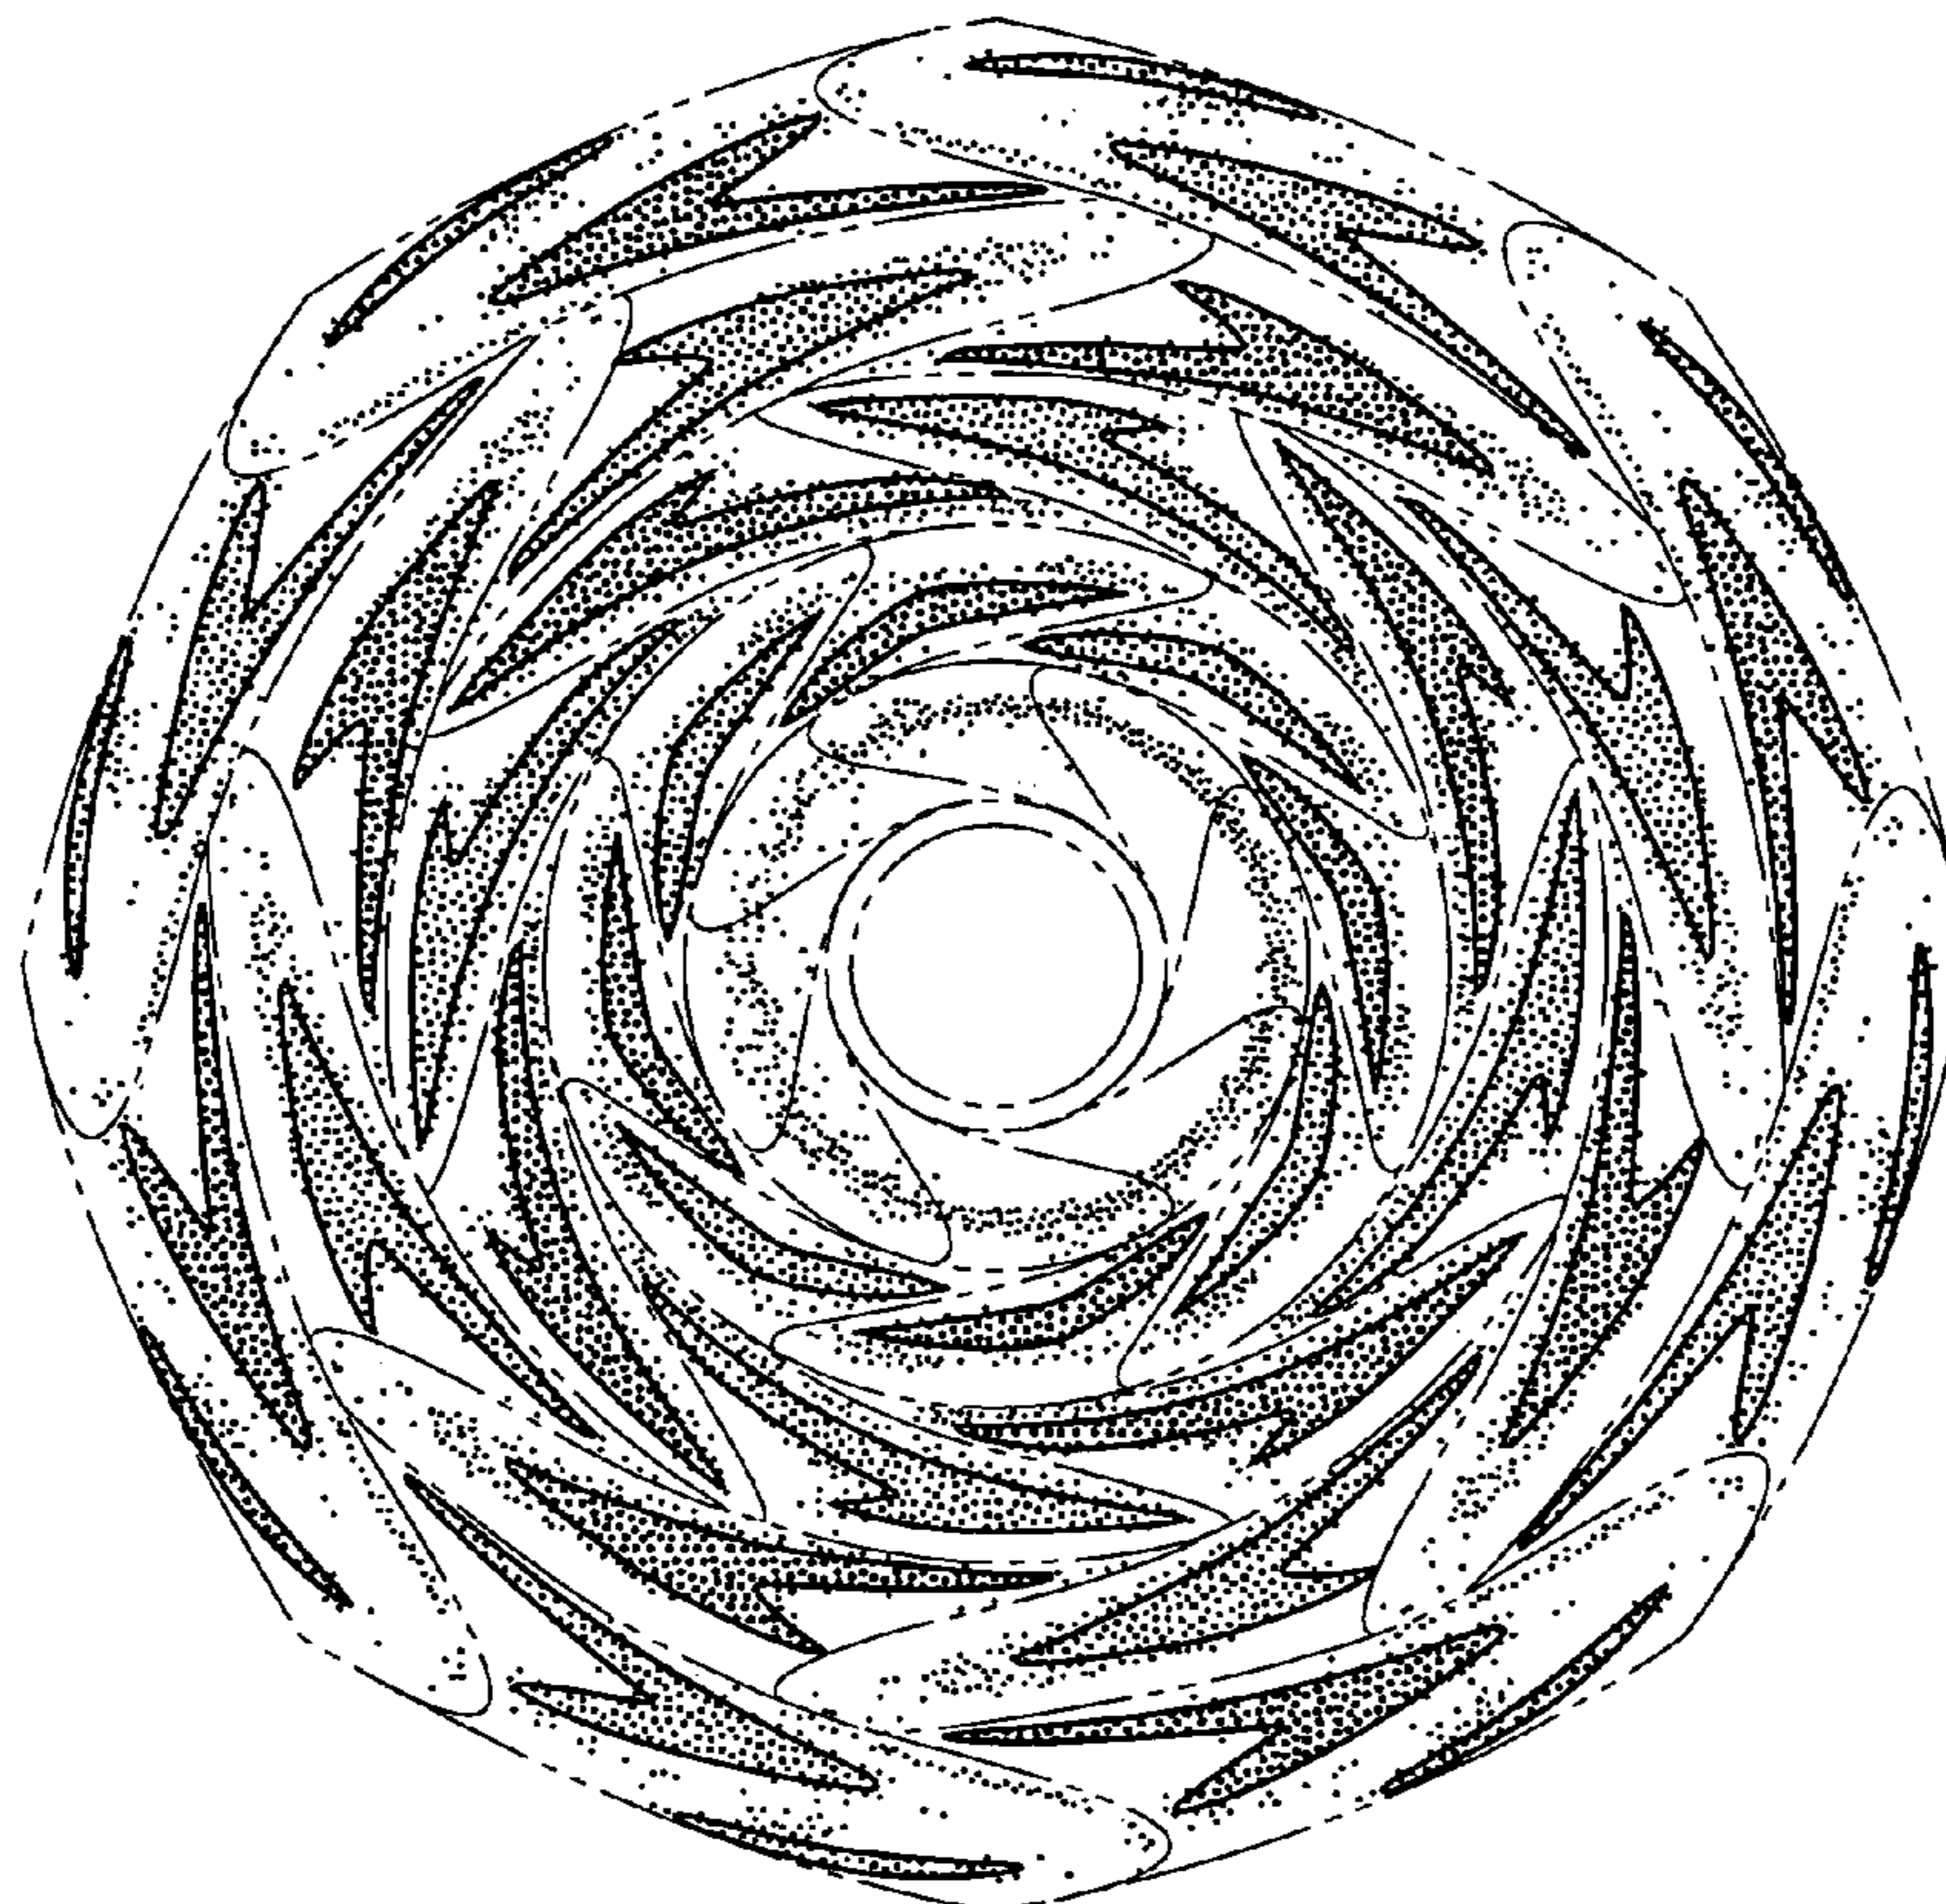

See application file for complete search history.
