Primary Examiner — Doris Clark

(57) **CLAIM**

I claim the ornamental design for a combined beach umbrella
and entrenching tool, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a combined beach umbrella
and entrenching tool showing my new design, with the
entrenching tool in the locked anchor position.

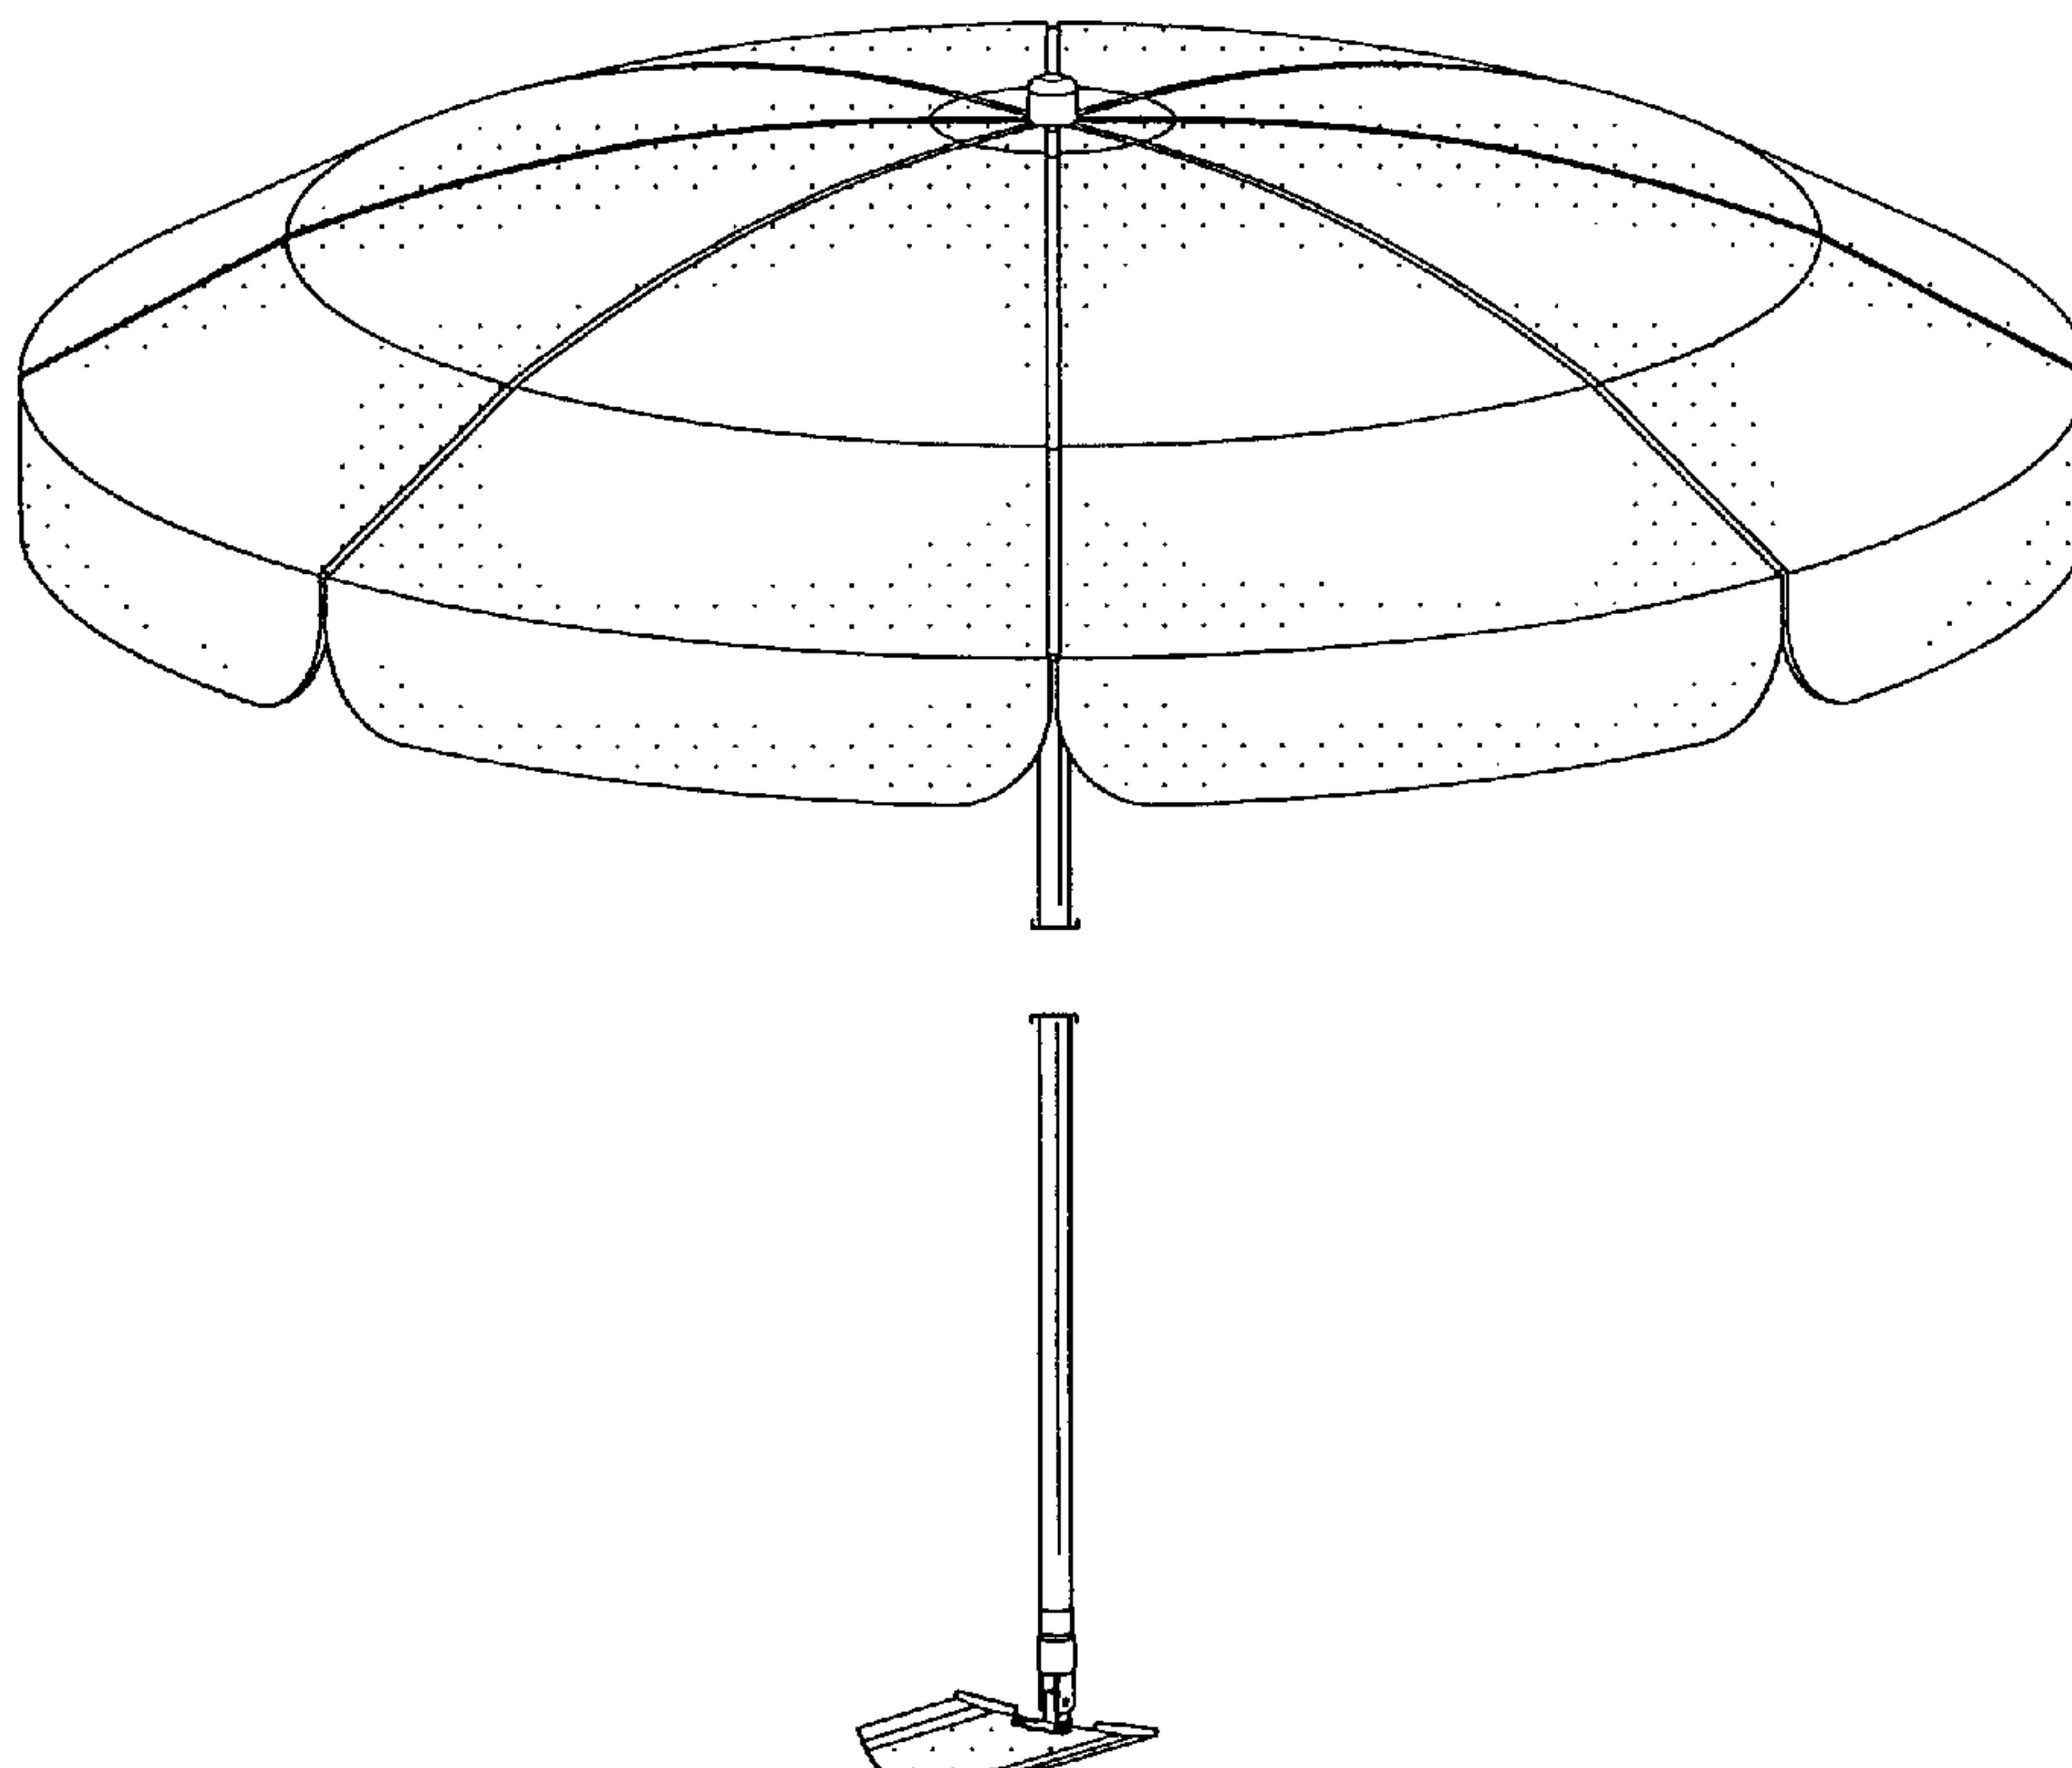

FIG. 2 is an enlarged perspective view of the entrenching tool
in the locked anchor position of the combined beach umbrella
and entrenching tool in FIG. 1.

FIG. 3 is a perspective view of a combined beach umbrella
and entrenching tool showing the entrenching tool in the
locked shovel position; and,

FIG. 4 is an enlarged perspective view of the entrenching tool
in the locked shovel position of the combined beach umbrella
and entrenching tool in FIG. 3.

The present invention is in the field of beach umbrellas, by
means of an entrenching tool attached to the base pole of a
beach umbrella to act as an anchor.
