(57) **CLAIM**

The ornamental design for a paper product, as shown and described.

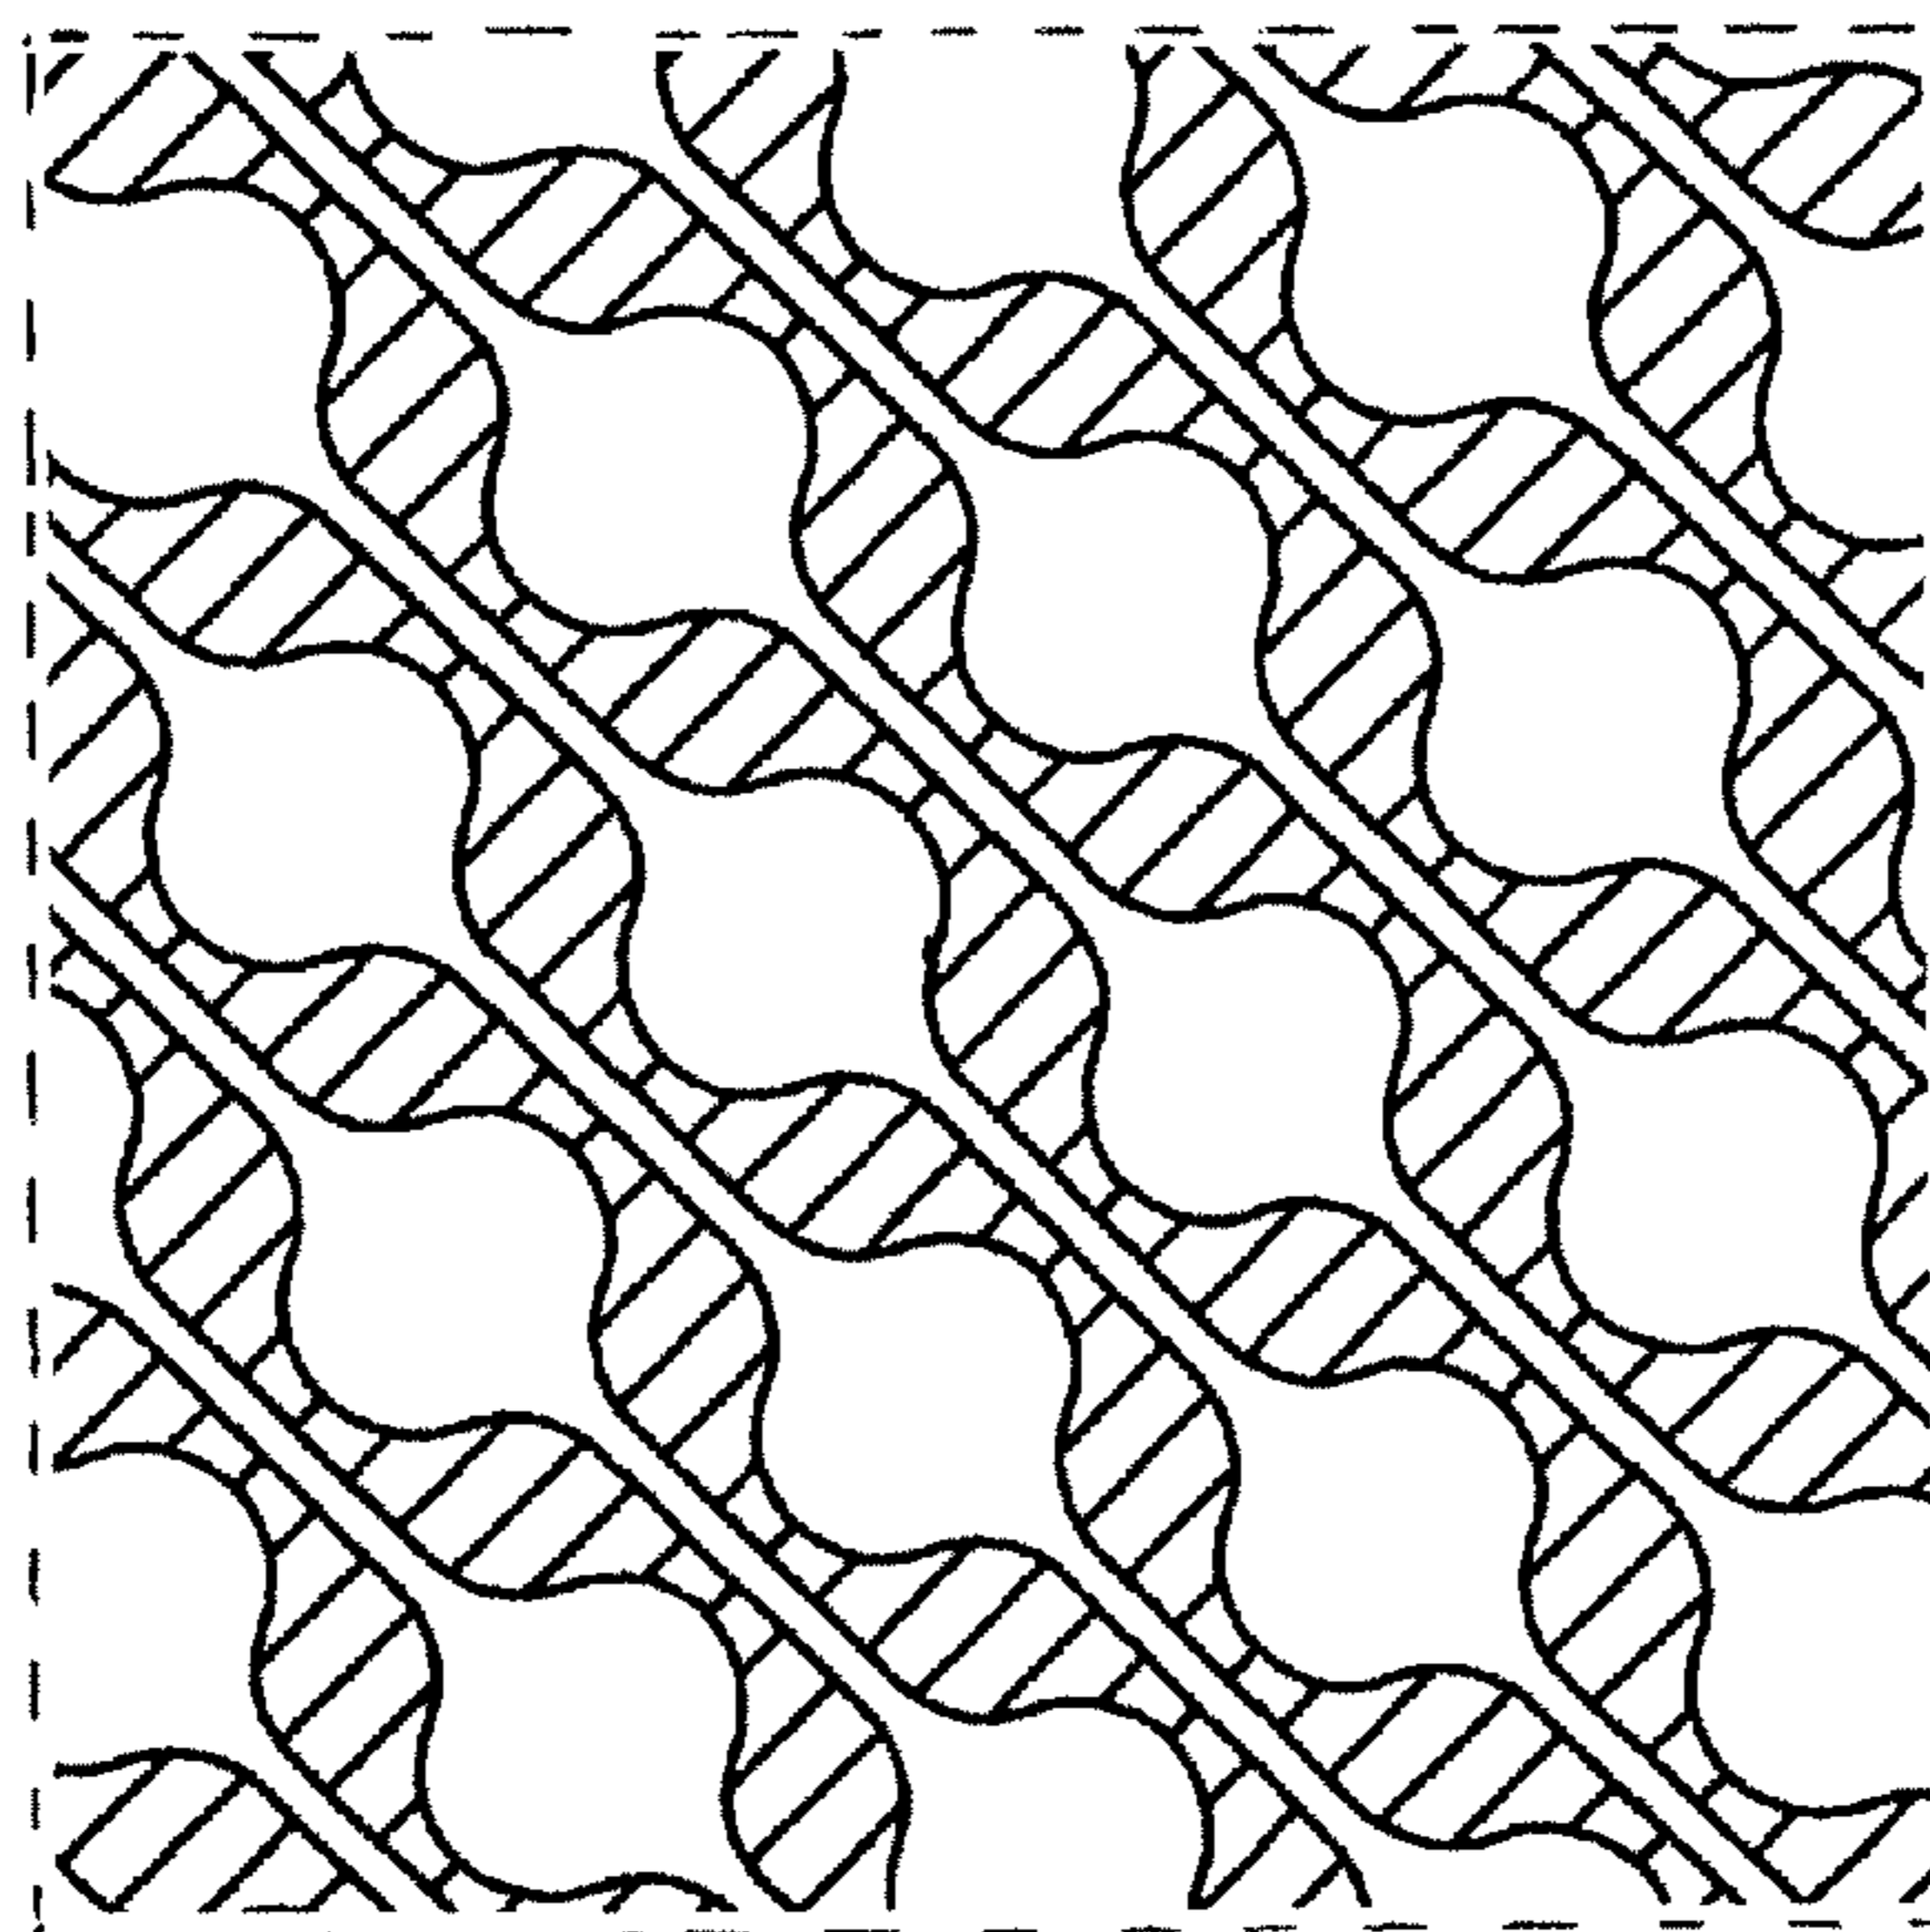

DESCRIPTION

The sole FIGURE is a top plan view of a paper product showing our new ornamental design.

The broken lines define the boundaries of the claimed design and form no part thereof. It is understood that the design is intended to be applied uniformly to the entire surface of the paper product.

The surfaces or portions not shown in the drawings or described in the specification form no part of the claimed design.
