57) CLAIM

The ornamental design for a locked valve body, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of the locked valve body, showing our new design.

FIG. 2 is a top plan view of the locked valve body, showing our design.

FIG. 3 is a left side elevational view of the locked valve body, showing our new design.

FIG. 4 is a right side elevational view of the locked valve body, showing our new design.

FIG. 5 is a back elevational view of the locked valve body, showing our new design.

FIG. 6 is a bottom plan view of the locked valve body, showing our new design; and,

FIG. 7 is a perspective view of the locked valve body, showing our new design.

The broken lines showing of the unclaimed portion of the locked valve body forms no part of the claimed design.
