(57) **CLAIM**

The ornamental design for a combined oblong cooking device as shown and described.

DESCRIPTION

FIG. 1 is an exploded perspective view of an oblong cooking device with lid, strainer and container showing my new design;

FIG. 2 is a perspective view of the assembled oblong cooking device of my new design;

FIG. 3 is a right side elevational view showing the long elevation of the oblong design, the left side elevational view being a mirror image thereof;

FIG. 4 is a front side elevational view showing the short elevation of the oblong design, the rear side elevational view being a mirror image thereof;

FIG. 5 is a top plan view of my design.

FIG. 6 is a bottom plan view of my design.

FIG. 7 is a top view of the container of my design with the lid and strainer removed;

FIG. 8 is a top plan view of the lid of my design.

FIG. 9 is a bottom plan view of the lid of my design.

FIG. 10 is a right side elevational view of the strainer of my design showing the long elevation of the oblong design, the left side elevational view being the mirror image thereof;

FIG. 11 is a front side elevational view of the strainer of my design showing the short elevation of the oblong design, the rear side elevational view being a mirror image thereof;

FIG. 12 is a top plan view of the strainer of my design; and,

FIG. 13 is a bottom plan view of the strainer of my design.

The broken lines shown in the drawings are for illustrative purposes only and form no part of the claimed design.
