(57) **CLAIM**

The ornamental design for a cable cutting and stripping tool, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of the cable cutting and stripping tool in a closed position;  
FIG. 2 is a right side elevational view of the cable cutting and stripping tool;  
FIG. 3 is a left side elevational view of the cable cutting and stripping tool;  
FIG. 4 is a bottom plan view of the cable cutting and stripping tool;  
FIG. 5 is a top plan view of the cable cutting and stripping tool;  
FIG. 6 is a front elevational view of the cable cutting and stripping tool;  
FIG. 7 is a rear elevational view of the cable cutting and stripping tool; and,  
FIG. 8 is a perspective view of the cable cutting and stripping tool in an open position.

The broken lines in the drawings show environmental structure that form no part of the design to be patented.
