(57) **CLAIM**

The ornamental design for a package for personal care composition, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a package for personal care composition showing our new design; FIG. 2 is a side view thereof; FIG. 3 is a front side view thereof; FIG. 4 is a back view thereof; FIG. 5 is a top view thereof; and, FIG. 6 is a bottom view thereof.

The broken lines are included for the purpose of illustrating portions of the package for personal care composition that form no part of the claimed design. The package for personal care composition may be of transparent, translucent or opaque materials and any combination of materials. In one embodiment, the lower portion of the package for personal care composition is transparent or translucent and the upper portion of the package for personal care composition is opaque.
