(57) **CLAIM**

The ornamental design for a nested plant pot for hydroponic subsoil irrigation system, as shown and described.

**DESCRIPTION**

FIG. 1 is a bottom, right, front perspective view of a nested plant pot for hydroponic subsoil irrigation system; FIG. 2 is an exploded bottom, right, front perspective view thereof, shown at a reduced scale; FIG. 3 is a front elevation view of the inner element thereof, the right, rear, and left side elevation views being identical thereto; FIG. 4 is a top plan view of the inner element thereof; FIG. 5 is a bottom plan view of the inner element thereof; FIG. 6 is a front elevation view of the outer portion thereof, the rear elevation view being identical thereto; FIG. 7 is a left side elevation view of the outer portion thereof, the right side elevation view being identical thereto; FIG. 8 is a top plan view of the outer portion thereof; and, FIG. 9 is a bottom plan view of the outer portion thereof. The broken lines shown in the drawings are included for purposes of illustrating environmental structures only and form no part of the claimed design.
