(57) **CLAIM**

The ornamental design for a coping and clip system, as shown and described.

DESCRIPTION

FIG. **1** is a perspective view of a coping and clip system, showing our new design.

FIG. **2** is a right side elevation view of the coping and clip system of FIG. **1**, the left side elevation view being a mirror image of the right side elevation view.

FIG. **3** is a front elevation view of the coping and clip system of FIG. **1**.

FIG. **4** is a top elevation view of the coping and clip system of FIG. **1**.

FIG. **5** is a perspective view of another coping and clip system, showing our new design.

FIG. **6** is a right side elevation view of the coping and clip system of FIG. **5**, the left side elevation view being a mirror image of the right side elevation view.

FIG. **7** is a front elevation view of the coping and clip system of FIG. **5**; and,

FIG. **8** is a top elevation view of the coping and clip system of FIG. **5**.

In the drawings, the broken lines form no part of the claimed design. The long dash broken lines define boundaries of the unclaimed portion of the coping and clip system.
