(57) **CLAIM**

The ornamental design for a cattle container, as shown and described.

**DESCRIPTION**

FIG. 1 is an elevated isometric view of a cattle container featuring the front one side and the top of the cattle container.

FIG. 2 is a front view of the cattle container.

FIG. 3 is a side view of the cattle container.

FIG. 4 is a top view of the cattle container, the bottom view being identical.

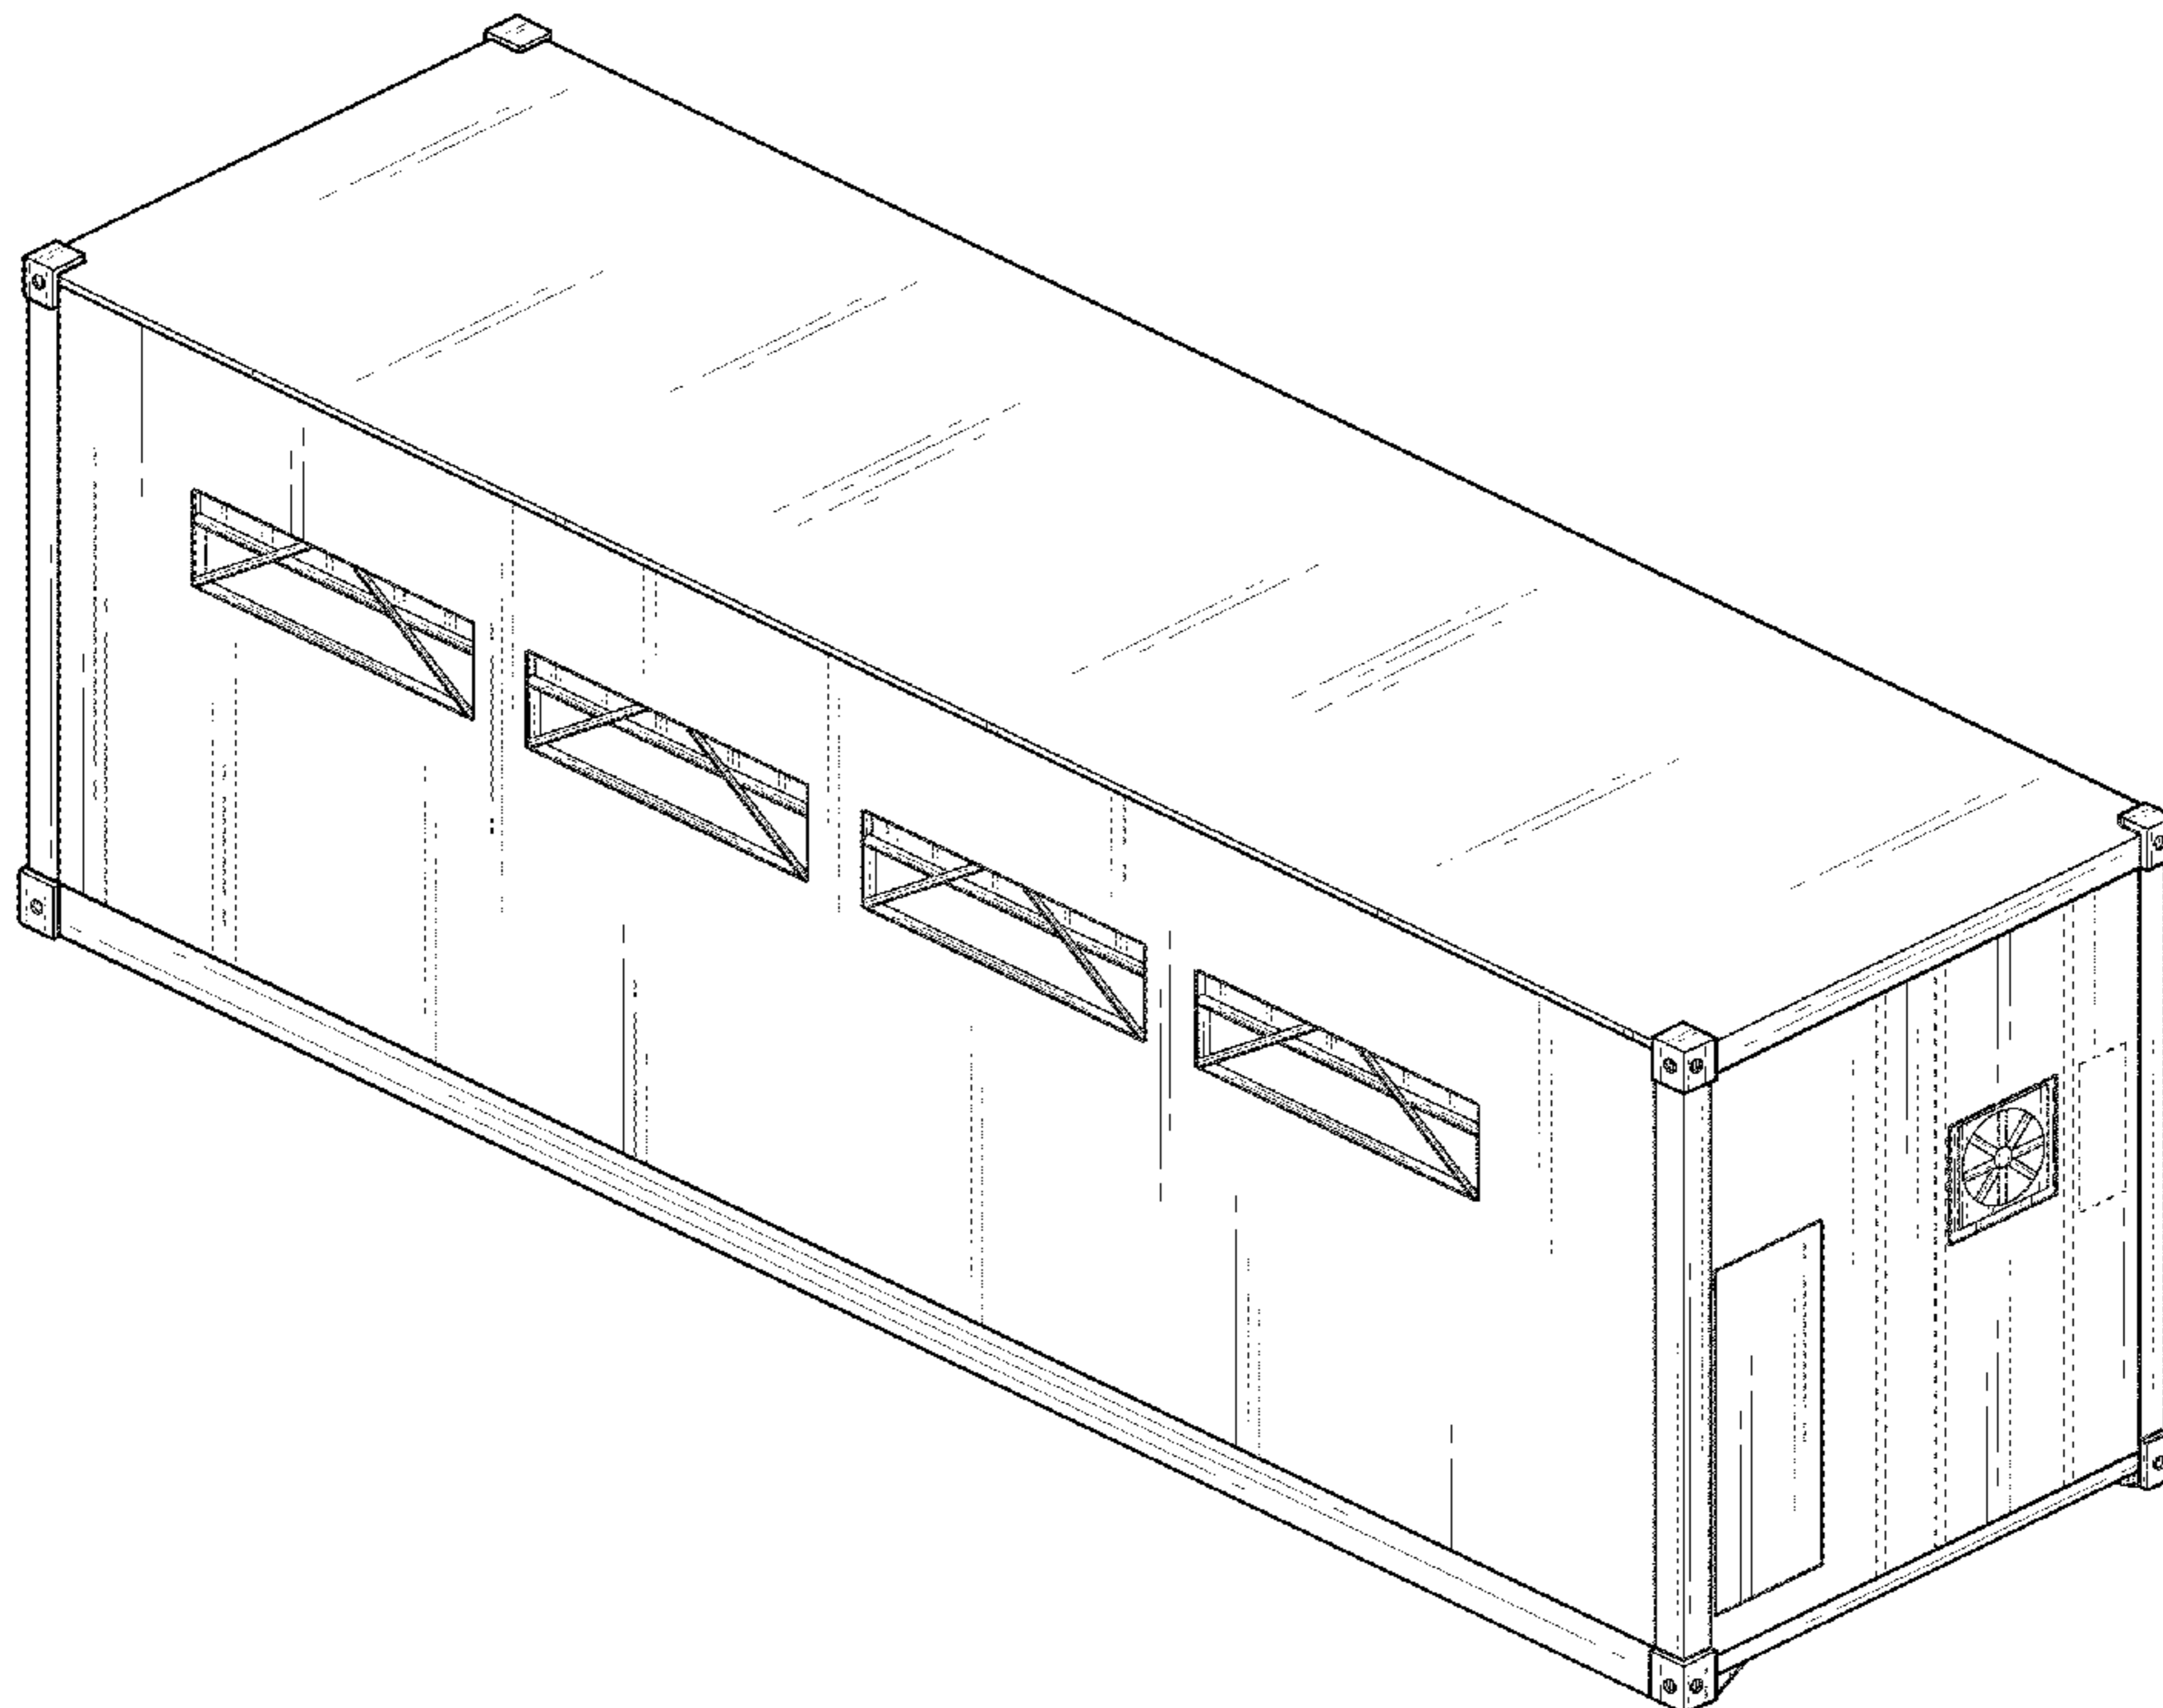

FIG. 5 is an elevated isometric view of the cattle container featuring the rear side and the top of the cattle container.

FIG. 6 is a rear view of the cattle container; and,

FIG. 7 is another side view of the cattle container.

The broken lines are for illustrative purposes only and form no part of the claimed design.
