(57) **CLAIM**

The ornamental design for a cable tie, as shown and described.

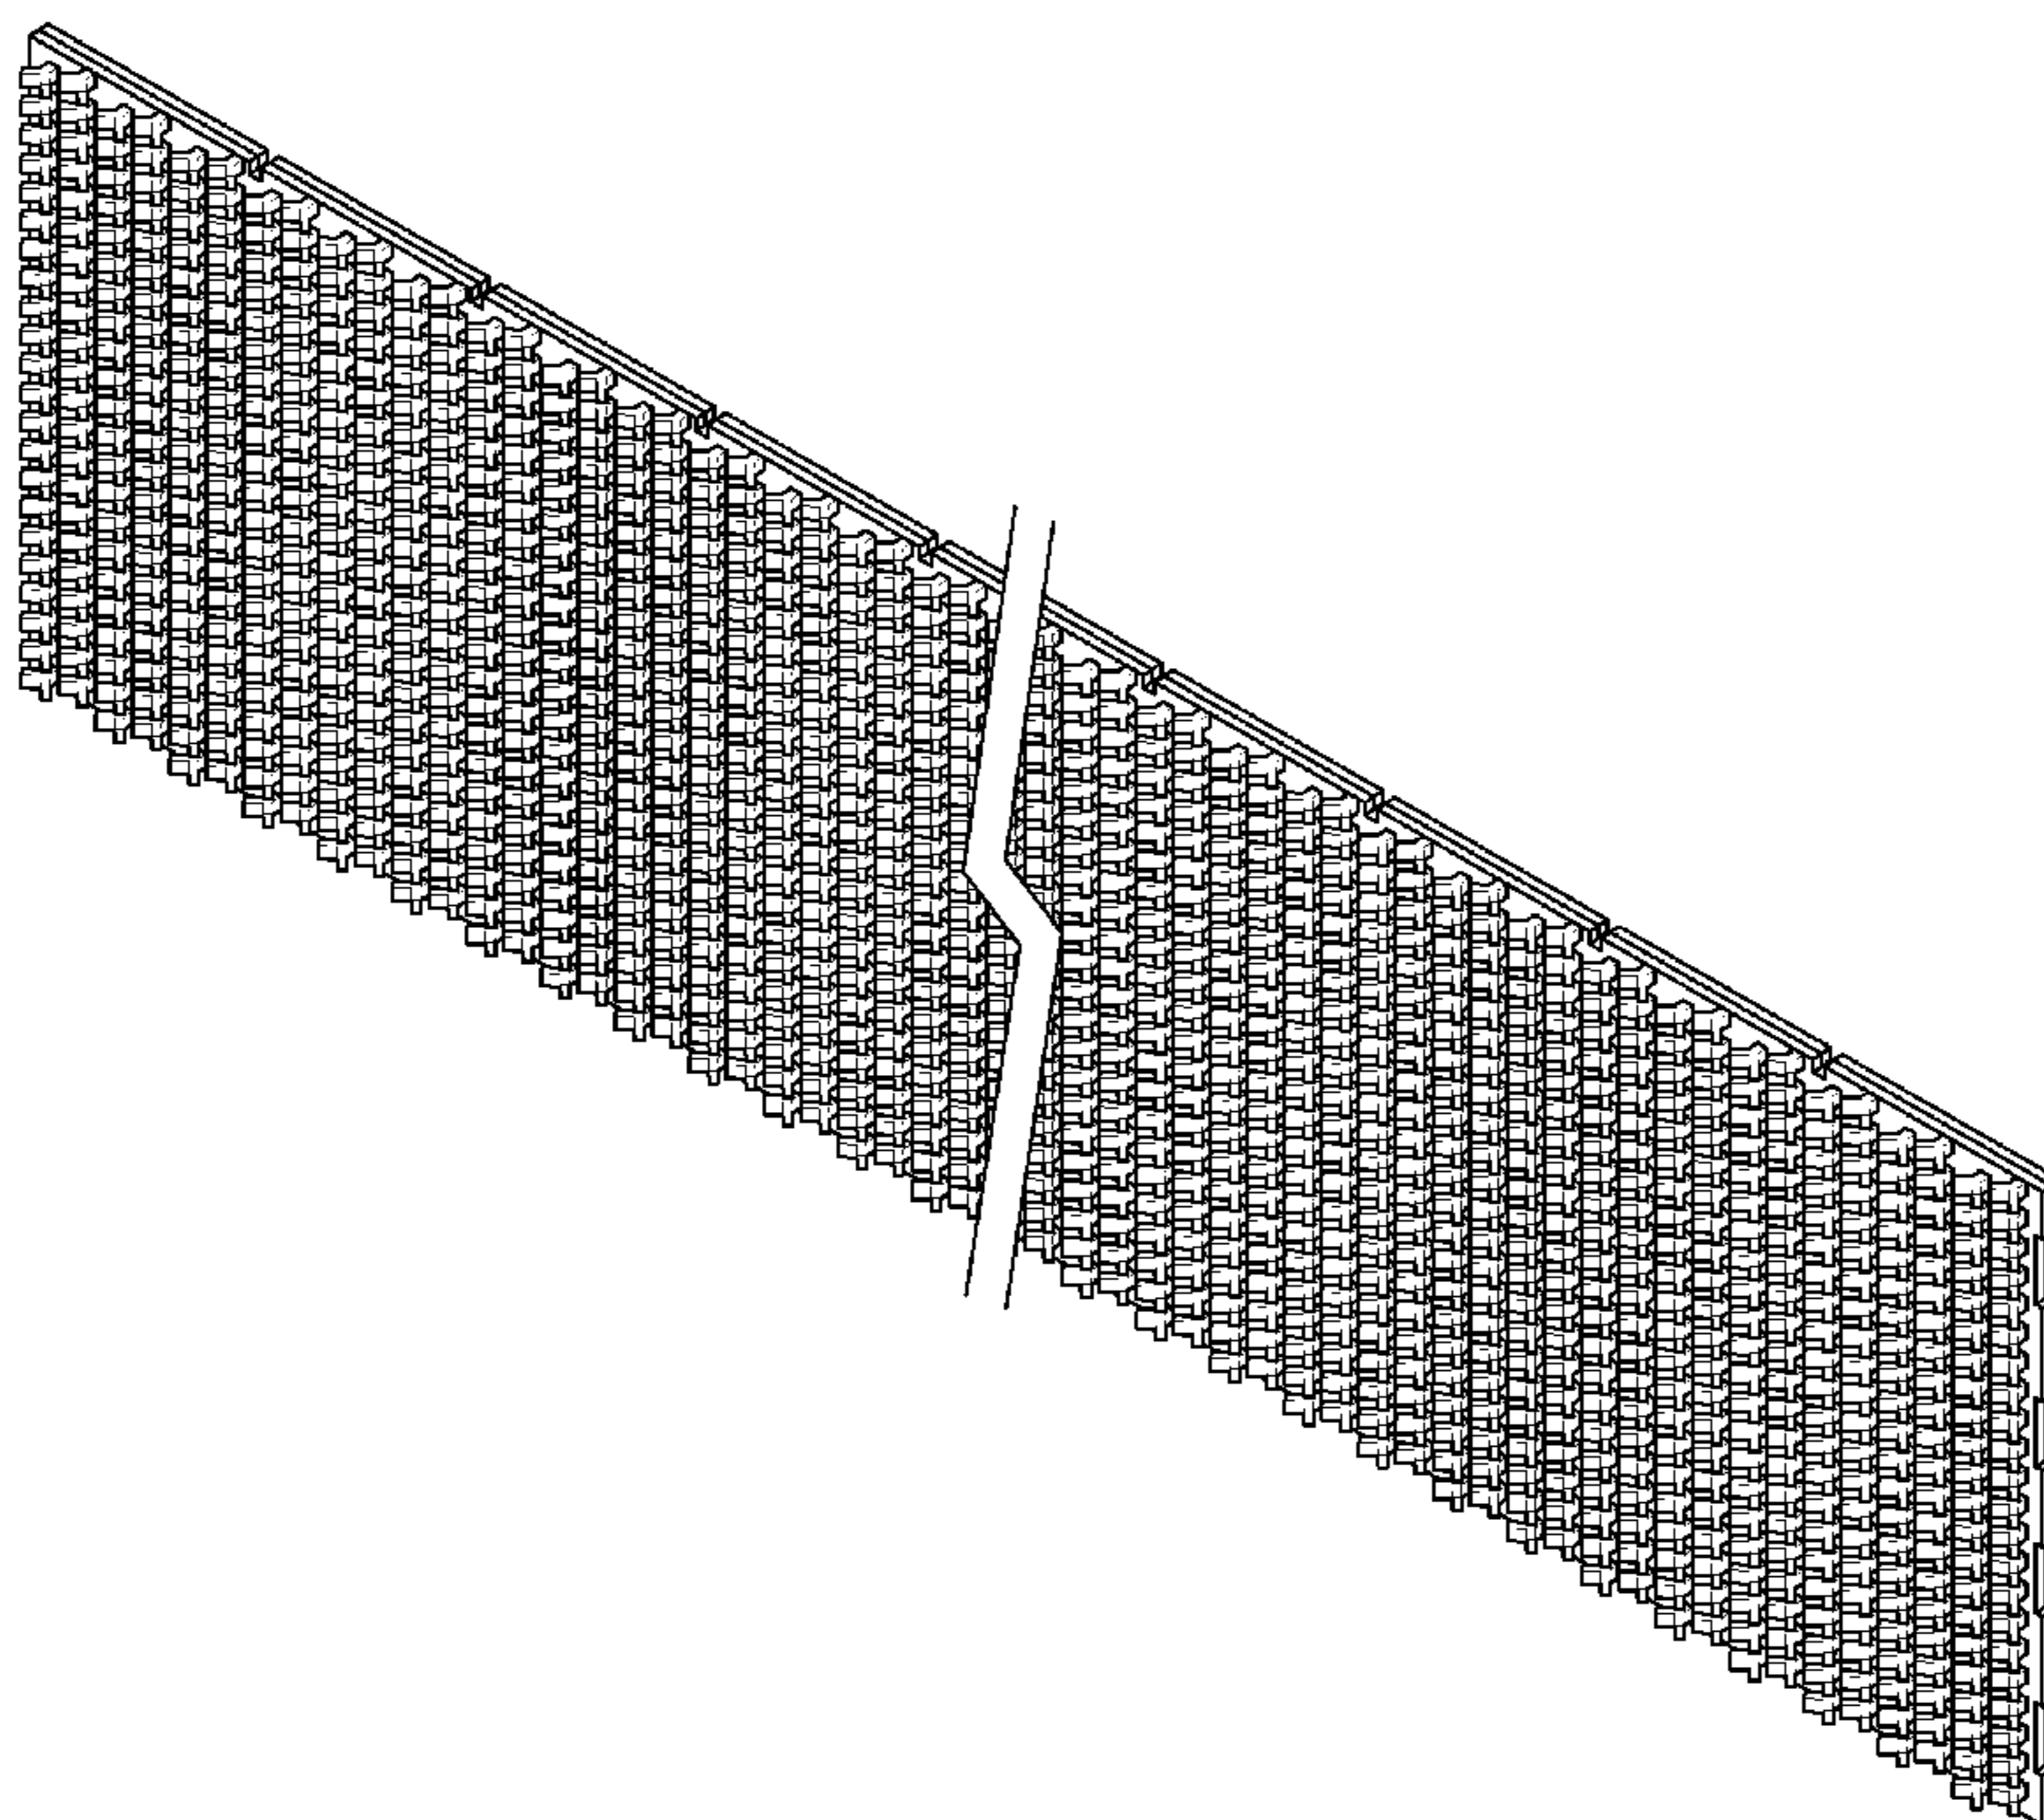

DESCRIPTION

FIG. 1 is a perspective view of a cable tie of this new design; FIG. 2 is a front view of the cable tie of this new design; FIG. 3 is a rear view of the cable tie of this new design; FIG. 4 is a right-side view of the cable tie of this new design; FIG. 5 is a left-side view of the cable tie of this new design; FIG. 6 is a top view of the cable tie of this new design; FIG. 7 is a bottom view of the cable tie of this new design; and, FIG. 8 is a perspective view of a cable tie of this new design, shown in the form of a roll.

The cable tie is shown broken away in the middle to indicate that it has no specific length.

The broken-line showing of hook receiving members indicated portions of the cable tie which form no part of the claimed design. In FIG. 8, only the two areas showing the face of the cable tie are part of the claimed design.
