(57) **CLAIM**

The ornamental design for a back scratcher, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of my new design for a back scratcher.

FIG. 2 is another perspective view of my new design for a back scratcher showing it mounted to a vertical post.

FIG. 3 is an elevational view of the front of my new design for a back scratcher.

FIG. 4 is a elevational view of the rear of my new design for a back scratcher.

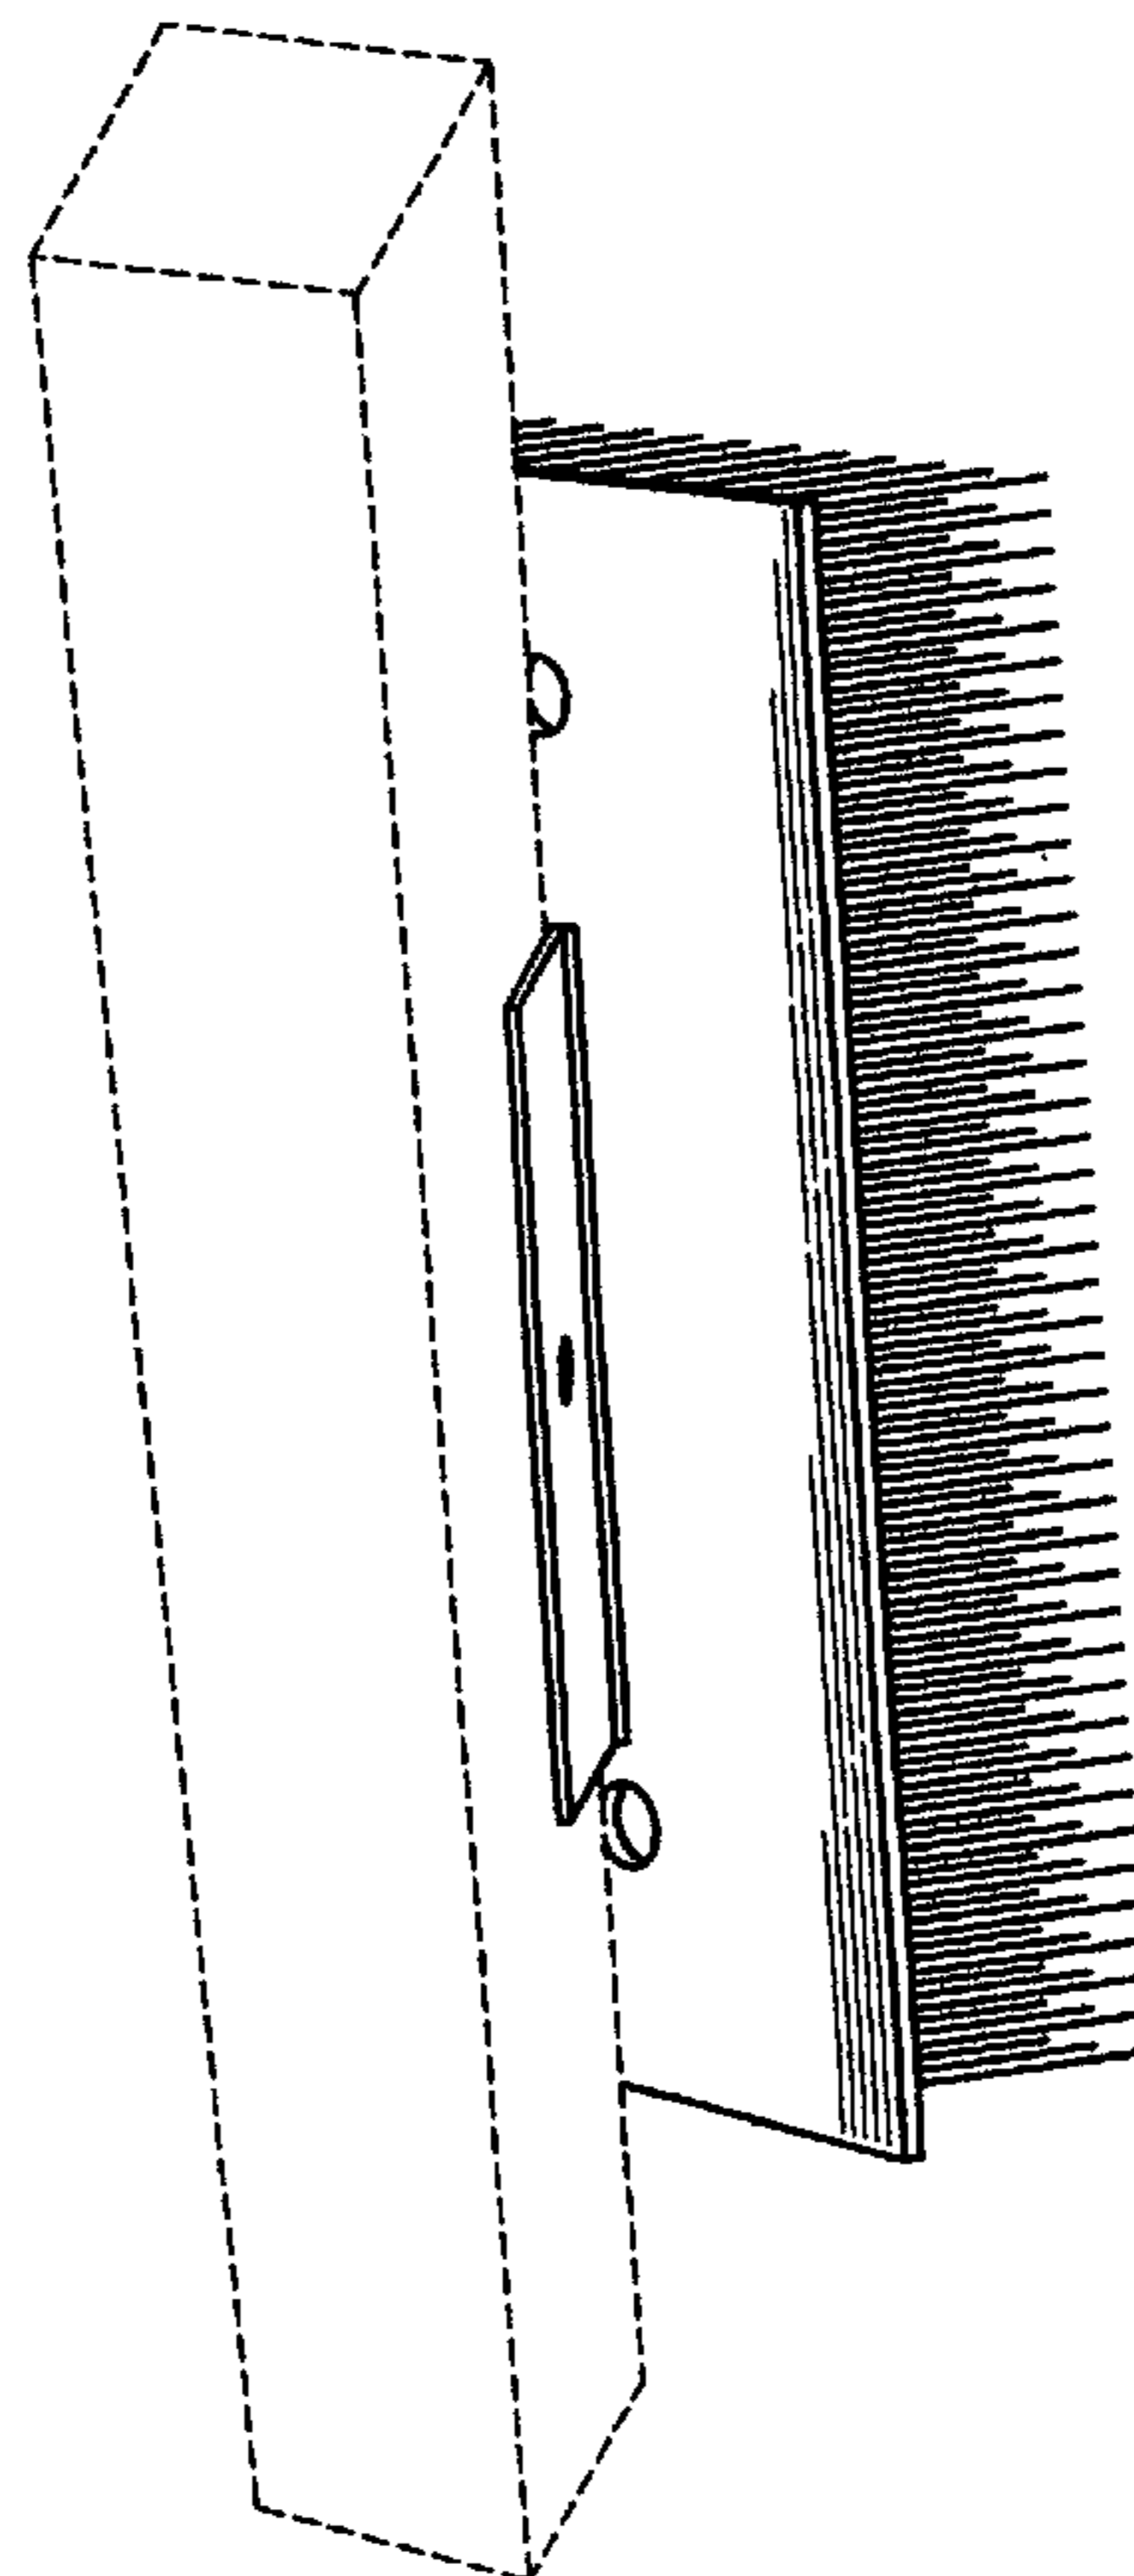

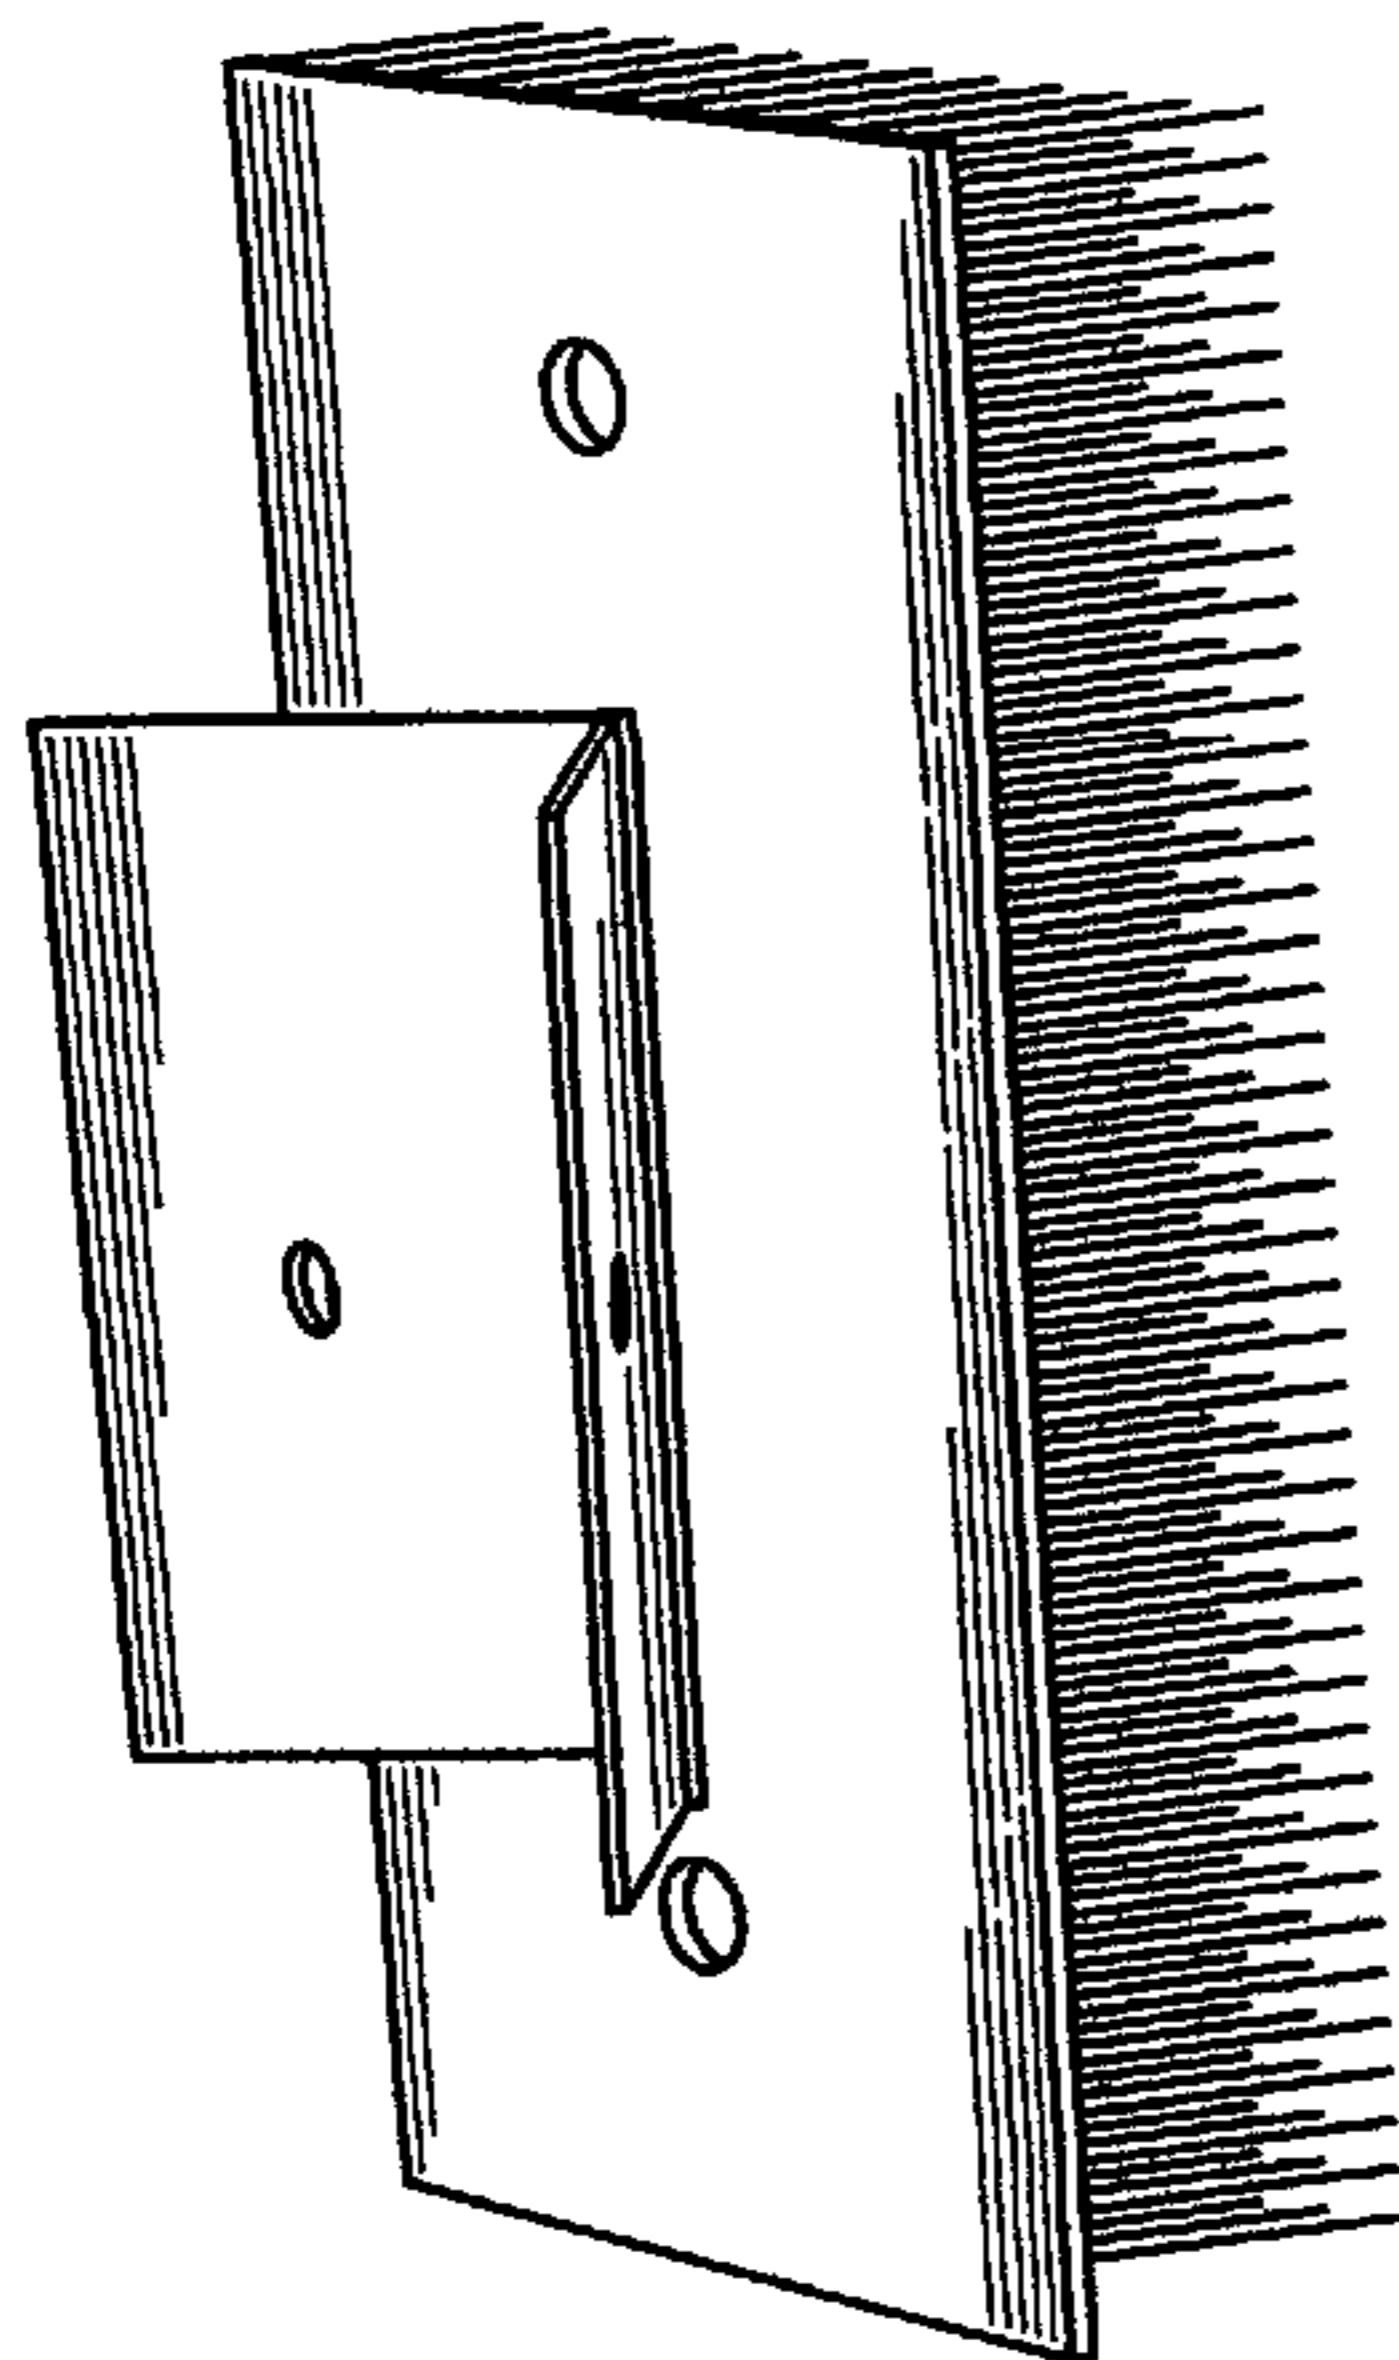

FIG. 5 is a plan view from the top of my new design for a back scratcher. A plan view from the bottom would be a mirror image thereof; and,

FIG. 6 is an elevational view of one side of my new design for a back scratcher.

An elevational view from the opposite side would be a mirror image thereof.

The broken line outline of the post shown in FIG. 2 is an environmental element and forms no part of the invention.
